There ought to be some regard for the fitness of candidates by those who sign petitions of nomination papers. Of course, this warning is too late for the coming primary, but there is a long time ahead. Then there is that everlasting leech needing attention.

If you are in sympathy with the present Democratic administration, Mr. Democrat, vote for W. D. Zorby, Esq., for state committeeman. You can give positive evidence that you are a Wilson-Bryan Democrat and that you have confidence in the Democratic state organization as it now exists by casting your vote for Mr. Zorby at the Primary election, on September 16.

Farmer W. T. Creasy will likely be a candidate for state senator in his district next year. He was one of the Democrats who was defeated for nomination by a combination of pretending Democrats and Republicans who were interested in being rid of the Grangers in the law-making body at the state capital. He was too alert in the House to please either his direct political opponents and those of his party who were walking arm in arm with the Republican machine manipulators.

LOCALS

Miss Nellie Jones of Walnutport is visiting her uncle and aunt, Rev. and Mrs. R. R. Jones.

Mrs. George W. Ocker of Lewisburg came to Centre Hall on Monday. She reports Lewisburg experiencing a boom in building.

The newly elected officers for the Millheim town picnic are: W. E. Keen, president; J. G. Eby, secretary; R. S. Stover treasurer. The following persons were elected committeemen of the picnic association: F. O. Hosterman, J. C. Hosterman, T. F. Meyer, H. T. Frank, D. J. Nieman, C. E. McClellan, J. W. Reifsnyder, F. E. Guteilus and S. M. Campbell.

C. S. Bottorf of Colyer reports a big yield of barley on his farm, which is tilled by his son-in-law, S. E. Jordan. From six bushels of barley sown last spring there were thrashed one hundred and ten bushels, and for a part of the time the grain was leaving the machine at the rate of over two bushels per minute Arthur Holderman did the thrashing.

Mr. and Mrs. George W. Klister and son Frank Klister and grandson Oran G., on their return from Bellefonte in an auto car, stopped with the Reporter long enough to encourage the editor to stand firm on the reorganization movement. Mr. Klister is a strong believer in the ability of President Wilson to rule the nation, and indorses the leaders of the Democratic party in the state, and, of course, is a supporter of W. D. Zorby, Esq., for State Committeeman.

COUNTY GRANGE MEETING

Appropriates \$500 for Creamery Which May be Utilized at Centre Hall.

A highly interesting meeting of Progress Grange was held at Oak Hall, in Victor Grange Hall, on Thursday of last week, and the attendance was very good. A representative of Victor Grange welcomed the members, and Prof. C. R. Neff made the response, after which the body went to work on its program.

The Master appointed several general committees, and then the reports of the standing committees were heard. D. K. Keller, representing the fire insurance company, stated the business of the last quarter indicated prosperity, and that no tax for a period of three years had been laid. The Grange Encampment committee reported that new buildings were being erected, new tents provided to accommodate exhibitors and tenters; that exhibitors were engaging space, and that the general outlook for a big exhibition was good.

The telephone company reported growth in business, and that a total of \$350 was ready for distribution to telephone users, the same being from earnings over cost of operating.

By resolution a committee was appointed to create a degree team.

The body by resolution offered to appropriate \$500 towards establishing a creamery, on the condition that any local Grange contribute a like amount. The governing power of the creamery is to be delegated to directors, an equal number to represent the local Grange interested and the County Grange.

The last item on the program was a discussion on the "Good of the Order."

The next meeting will be held at Centre Hall, in Grange Acadia, in November.
