Former Ambassador to Germany is Accused of Alienation. SHE DEMANDS RECOGNITION.

Declares Young Tower Married Her In 1911 And She Seeks To Force Recogni-

## tion.

Philadelphia,-Charlemagne Tower, former Ambassador to Germany, is made defendant in a suit filed here by Mrs. Georgeanna Tower, asking damages for alleged alienation of the affections of Charlemagne Tower, Jr., the 26-year-old son of the former diplomat, whom Mrs. Tower says married her on June 7, 1911.

The suit comes as a climax to re peated reports that young Tower had peated reports that young Tower had been married while a student at Yale and repeated denials by himself and his parents of the marriage. The younger Mrs. Tower is living

**POWELL WANTS BIGELOW REPORT** 

Monthly Record Should Show Amount of Work Executed

DISCREPANCY IS STARTLING

Records in One Office Show 277 Miles of State, State-Aid and National Roads Were Built-Others Show 104.

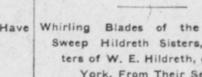

(Special Harrisburg Correspondence.) Harrisburg .- Auditor General Powell, upon his arrival at the Capitol from New York City, continued his search to find wherein lies the discrepancy between the records of his department of the work done by the State Highway Department and the records of State Highway Commissioner Bigelow, which is urging the fifty million loan.

In statements issued the Auditor General, basing his words on records kept by a civil engineer in his department, said that the Highway Commissioner had completed but 104 All the small boats on the beach miles of State, State-aid and National highway since June 1, 1911. These figures were furnished by Mr. Bigelow to the Auditor General and include all work, Mr. Powell says, up ords show that 277 miles of State. State-aid and National road were 1, 1911, to June 1, 1913.

"If there are any explainable errors in the figure of this department, I would be glad to correct them. The examination of the work of the upon the same basis as heretofore get full value for the money speht. I hope that Mr. Bigelow can prove to The principal part of the town, the people that his figures are correct and that he can prove that his department is well and efficiently con-

Auditor General Powell said that part of his office force is going through the accounts of the Highway Department to ascertain just where are the 277 miles of highway constructed. An effort is also being made to ascertain what the cost per
