

Backache Warns You

Backache is one of Nature's warnings of kidney weakness. Kidney disease kills thousands every year. Don't neglect a bad back. If your back is lame—if it hurts to stoop or lift—if there is irregularity of the secretions—suspect your kidneys. If you suffer headaches, dizziness and are tired, nervous and worn-out, you have further proof. Use Doan's Kidney Pills, a fine remedy for bad backs and weak kidneys.

A KENTUCKY CASE

G. W. L. Seabolt, Marlton, Ky., says: "Kidney disease had made me an invalid. I was in bed for weeks at a time and often wished that death would come and end my misery. I could hardly hold my arms above my head at times and the kidney secretions were in awful shape. Doctors held out little hope for my recovery. A relative advised me to try Doan's Kidney Pills and after I had taken one box, I felt better. Before I had taken a second box, I was a well man and Doan's Kidney Pills alone cured me."

It is Still Fashionable. "Pa, what's poetic justice?" "The former president of a bachelor club being married to a woman who makes him feel that he would rather lose his job than be late for dinner furnishes a pretty fair sample of it."

Million a Night for Fun. A million dollars a night. That's what a proprietor of a Broadway hotel in New York figures that the natives and visitors spend for revel and pleasure. It sounds fanciful, true. But here's how he spends the million: Dinners, \$125,000; suppers and wine, \$125,000; theaters, \$175,000; taxicabs, \$100,000; hotels, \$175,000; cafes, flowers and other incidentals, \$300,000. "If there isn't a million spent in the Broadway district in a night," he adds, "what is left wouldn't enable a man to have a steam yacht and a country home."

METER RULES TO BE READY SOON

Public Service Board Will Announce Regulations Shortly.

WILL STANDARDIZE METERS.

There Will Be Separate Sets Of Regulations For Water, Gas, Electricity and Steam—Effective This Summer.

(Harrisburg Correspondence.)

Harrisburg.—It is probable that the State Public Service Commission soon will be able to put into effect its regulations for the use of meters of various kinds in Pennsylvania, a subject which has been handled by Commissioner S. L. Tone and which has been studied by him in conjunction with Prof. L. H. Harris, of the University of Pittsburgh, and Prof. E. F. Fernald, of the University of Pennsylvania. Mr. Tone has been making a special study of the subject in the Pittsburgh district which affords good opportunities for such observations. The regulations will standardize meters and provide for testing and other details of operation, the subject having been one brought to the attention of the commission several times. There will be separate sets of regulations for water, gas, electricity and steam and they will be made effective in the State this summer. This will probably be the most sweeping action to be taken by the commission, affecting far more people than the orders relating to railroads.

Instruction Camp June 7

Harrisburg.—Announcement was made in general orders issued by the National Guard headquarters that the camp of instruction for officers of the organized militia would be held at Mt. Gretna from June 7 to June 11, inclusive. The fixing of the June date is believed here to mean that the engagements will not be held until the middle of July. Major General C. B. Dougherty, commanding the division, is to command the camp, which will be erected as a regimental camp, each regiment being assigned to a company street and all officers will waive questions of rank. The officers authorized to attend are officers of engineer companies, field, staff and line officers, except medical officers and chaplains and officers of the adjutant generals, inspector general's, quartermaster's and subsistence departments. Per diem pay will be allowed only to officers who attend camp for four consecutive days.

Philadelphia Heads Commission.

The State Economy and Efficiency Commission named by the Governor a few days ago in accordance with the action of the Legislature providing for a study of the methods of business of the State government, was organized here and begun work. The commission is to make its recommendations to the Governor November 1. Harry S. McDevitt, Philadelphia, was elected chairman, and Henry D. Jones, Montrose, former cashier of the State Treasury, secretary, Jacob Soffel, Pittsburgh, is the third member. Ard C. Steel, Altoona, formerly a clerk in the State Treasury, was elected clerk. Governor Tener explained to the commissioners the purpose of the commission, stating that it provided for an inquiry into the duties and compensation of every one connected with the State government.

Nominating Petitions Filed.

The first nominating petitions to be filed by a candidate for a nomination to be made by the voters of the State at large this year were entered for Superior Court Judge Frank M. Trexler, of Allentown. The petition is the largest to be filed this year.

House.—P. B. Cutchall, Huntingdon, Republican, Huntingdon county; A. L. Landis, Juniata, Republican, Second Blair, and James Dunlavy, Lost Creek, Socialist, First Schuylkill.

State Committee.—C. H. Uhl, Democrat, Somerset; Harvey A. Demmy, Republican, Susquehanna.

Nominating petitions were filed at the capitol as follows:

Assembly.—Judson W. Stone, Republican, Bradford; James H. Gallagher, Republican and Democrat, Second District, Allegheny; John H. Munley, Democrat, Fifth Lackawanna; Ansel Ulman, Democrat, Lycoming; Jacob W. Smith, Democrat, Carbon.

State Committee.—A. F. Hess, Democrat, Clarion; Arthur McGregor, Democrat, McKean.

No-License Workers.

The first State convention of the "No-License League was held here. Delegates were present from nearly fifty counties. Plans for a general campaign for "dry" counties were made and the experience of the present year gone over.

Major John K. Royal welcomed the delegates and the speakers included John H. Cole, of the Inter-County Federation; Prof. Charles Scanlon, Pittsburgh; Charles W. Hull, Millersville; Dr. William Woodfin, Swarthmore College; Prof. J. Elmer Campbell, New Castle, and District Attorney R. G. Miller, Washington county.

COMMERCIAL

Weekly Review of Trade and Market Reports.

New York.—A market "Review" says:

"Expected improvement in trade conditions has not as yet materialized and, while indications of progress are manifest in certain directions, there is still a lack of uniformity in reports from the leading centers. A somewhat backward spring has militated against a normal distribution of seasonal merchandise.

"The country's agricultural outlook constitutes a highly important factor, and it is extremely gratifying that prospects for the winter wheat crop have little to be desired. Similarly, cotton is entering upon the new year under favorable auspices, on the whole, and prices of the great Southern staple have latterly shown somewhat less firmness.

"VITAL FORCE"

Disease germs are on every hand. They are in the very air we breathe. A system "run down" is a prey for them. One must have vital force to withstand them. Vital force depends on digestion—on whether or not food nourishes—on the quality of blood coursing through the body.

DR. PIERCE'S Golden Medical Discovery

Strengthens the weak stomach. Gives good digestion. Enlivens the sluggish liver. Feeds the starved nerves. Again full health and strength return. A general upbuilding enables the heart to pump like an engine running in oil. The vital force is once more established to full power.

Year in and year out for over forty years this great health-restoring remedy has been spreading throughout the entire world—because of its ability to make the sick well and the weak strong. Don't despair of "being your old self again." Give this vegetable remedy a trial—Today—Now. You will soon feel "like new again." Sold in liquid or tablet form by Druggists or trial box for 50c by mail. Write Dr. R. V. Pierce, Buffalo, N. Y.
