Are You Suffering From Auto-Intoxication The dictionary says that Auto-Intoxication is

the state of being poisoned, from toxic, substances produced within the body." This is a condition due to the stomach, bowels, kidneys, liver, or pores of the body falling to throw off the poisons. More than 50% of adults are suffering from this trouble. This is probably why you are suffering from nervousness, headaches, loss of appetite, lack of ambition, and many other symptoms produced by Auto-Intoxication. Your whole system needs stirring up.

STATEMENT FROM PRESIDENT

President Wilson and the administration on Mexico: "In discussions in official circles in Washington of the present Mexican situation the following points have been very much dwelt upon:

"It has been pointed out that, in considering the present somewhat delicate situation in Mexico, the unpleasant incident at Tampico must not be thought of alone. For some time past the de facto government of Mexico has seemed to think mere apologies sufficient when the rights of American citizens or the dignity of the government of the United States were involved and has apparently made no attempt at either reparation or the effective correction of the serious derelictions of its civil and mili-

tary officers.

Orderly Placed in Jall. "Immediately after the incident at Tampico an orderly from one of the ships of the United States in the harbor of Vera Cruz, who had been sent ashore to the post office for the ship's mail, and who was in uniform and who had the official mail bag on his back, was arrested and put into jail by the local authorities. He was subsequently released and a nominal punishment was inflicted upon the officer who arrested him, but it was significant that an orderly from the fleet of the United States was picked out from the many persons constantly going shore on various errands, from the various ships in the harbor, representing several nations.

Official Dispatch Withheld. "Most serious of all, the officials in

charge of the telegraph office at Mexico City presumed to withhold an official dispatch of the government of the United States to its embassy at Mexico City, until it should have been sent to the censor and his permission received to deliver it, and gave the dispatch into the hands of the charge d'affaires of the United States only upon his personal and emphatic demand, he having in the meantime learned through other channels that a dispatch had been sent him which he had not received.

United States Singled Out. has watched the course of events in Mexico as significant that untoward make war."

incidents such as these have not occurred in any case where representatives of other governments were concerned, but only in dealings with representatives of the United States, and that there has been no occasion for other governments to call attention to such matters or to ask for apologies.

"These repeated offenses against the rights and dignity of the United States, offenses not duplicated with regard to the representatives of other governments, have necessarily made the impression that the government of the United States was singled out for manifestations of ill will and contempt."

Many Precedents for Action.

The president feels that he has ample authority for the preparatory measures he has adopted.

President McKinley went so far as to send an expedition to Peking during the Boxer revolt.

In 1851 the United States sloop of war Dale visited the island of Johanna and under threat of bombarding the town obtained \$1,000 as a measure of redress for the unlawful imprisonment of the captain of an American whaler.

In 1863 the Pembroke, a small American steamer, was fired upon by Japanese shore batteries. The American minister demanded redress for the insult to the American flag, and the commander of the United States warship Wyoming opened fire on the responsible Japanese authorities.

Example Set by Seward. Secretary of State Seward in an official note made the following statement, apropos of this incident:

"When the injury involves also an insult to the flag of the United States the demand for satisfaction must be imperative, and the United States naval force at Japan may not only be used to protect the legation and any of the citizens of the United States there resident but the Tycoon is to be informed 'that the United States will as they shall find occasion, send additional forces to maintain the foregoing demands."

What President Wilson is doing is in line with the recorded precedents. He has remonstrated and satisfaction has been refused. He is about to make a naval demonstration. As Jefferson said, such an act "is considered "It cannot but strike anyone who an act of war and never failed to produce it in the case of a nation able to

for years and could not tend to my farm," writes Wm. A. Parker, Horners town, N. J. "I took all kinds of treat ment without any result until last

SKIN TROUBLE ITCHED BADLY

Glenns P. O., Va .- "My baby's trouble began with an itching and then a little bump would come and she could not rest day or night. The trouble affected her whole body. The bumps festered and came to a head and the corruption looked like thick matter, kind of a yellow color. The sores itched so badly until it seemed to me she would scratch herself to pieces and then a sore would form and her clothes would stick to her body and pull off the little scab. In some places she would scratch and 12 irritate the sores until they seemed to be large. She was affected about

"I wrote for a sample of Cuticura Soap and Ointment. I bathed her body in warm water and Cuticura Soap and then I applied the Cuticura Ointment, and they afforded relief after twice using. I bought some more Cuticura Soap and Ointment and inside of two weeks she was cured. (Signed) Mrs. J. R. Greggs, Nov. 21, 1912.

TORTURING TWINGES

Much so-called rheumatism is caused by weakened kidneys. When the kidneys fail to clear the blood of uric acid, the acid forms into crystals like bits of broken glass in the muscles, joints and on the nerve casings. Torturing pains dart through the affected part whenever it is moved. By curing the kidneys, Doan's Kidney Pills have eased thousands of rheumatic cases, lumbago, sciatica, gravel, neuralgia and urinary disorders.

handsomer she thinks she needs to be. W. N. U., BALTIMORE, NO. 17-1914. Women Attention

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for womenand every year we publish many new testimonials, all genuine and true. Here are three never before published:

From Mrs. S. T. Richmond, Providence, R. I.

PROVIDENCE, R. I.—" For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."-Mrs. S. T. RICHMOND, 199 Waldo Street, Providence, R. I.

A Minister's Wife Writes:

CLOQUET, MINN. - "I have suffered very much with irregularities, pain and inflammation, but your wonderful medicine, Lydia E. Pink-ham's Vegetable Compound, has made me well and I can recommend the same to all that are troubled with these complaints."-Mrs. JEN-NIE AKERMAN, C/O Rev. K. AKERMAN, Cloquet, Minnesota.

From Mrs. J. D. Murdoch, Quincy, Mass. South Quincy, Mass .- "The doctor said that I had organic trouble

and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now a strong, healthy woman and earn my own living."—Mrs. Jane D. Murdoch, 25 Gordon St., South Quiney, Mass.
