

AFTER SUFFERING TWO LONG YEARS

Mrs. Aselin Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Minneapolis, Minn.—"After my little one was born I was sick with pains in my sides which the doctors said were caused by inflammation. I suffered a great deal every month and grew very thin. I was under the doctor's care for two long years without any benefit. Finally after repeated suggestions to try it we got Lydia E. Pinkham's Vegetable Compound. After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. I will answer letters if anyone wishes to know about my case."—Mrs. JOSEPH ASELIN, 628 Monroe St., N. E., Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy we know for woman's ills. If you need such a medicine why don't you try it?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

To cure constiveness the medicine must be more than a purgative; it must contain tonic, alterative and cathartic properties.

Girl Had Idea That Introduction to Distinguished Englishman With Peculiar Name Was a Joke.

Colonel Youngusband, hero of the British expedition to Lhasa, and the first white man who ever entered Tibet's sacred city, is rather embarrassed at times because of his unusual name. "The trouble is," he said the other day, "that frivolous young people refuse to take your name seriously. At that, I think I have the advantage over Lord Sandwich, whose name also seems to be a subject for jest. While in Washington once Lord Sandwich attended a reception at the British embassy. He was introduced to an American girl, who labored under the delusion that the introduction was a joke. But she was not to be taken in. 'Lord Sandwich?' she exclaimed, 'I'm delighted to meet you. I suppose Lord Spongecake or Lord Pie will be here next!'"

TWENTY BOYS HURT IN MIMIC BATTLE

"Gen. Huerta" and "Gen. Funston" Carried From Battlefield.

HORSE THIEF SENTENCED.

To Prison For Seventeen Years For Horse Stealing—Brothers Crushed To Death—Father and Daughter May Die.

Boys Hurt in Mimic Battle.

Sunbury.—Twenty boys were hurt, two seriously, while more than one hundred were playing "Mexico and America at war." Those seriously hurt are John Payne, nearly scalped by a "saber" made from a barrel hoop, and Walter Egan, skull fractured and lacerations from a blow from a Mexican "machete" made from a baseball bat which had a wire spike in it.

Influenced by marches that had been going on nightly for weeks, boys of the Fourth Ward under Egan, who was "Huerta," and of the Third Ward, under Payne as "General Funston," started to play war.

Air guns, baseball bats, clubs, knives and boy-fashioned swords were pressed into use. The result was a fight, in which blood was shed. "Huerta" was defeated, but playmates carried the two generals off the field unconscious, and doctors were summoned.

Other "soldiers" had cuts and lacerations about the arms and legs, and suffered severe bruises. The battle lasted for more than half an hour. More than a hundred boys were soldiers, and each side carried colors, the Mexican flag being of the kind given away with cigarettes.

To Prison For 17 Years.

Bloomsburg.—John Kalanoski, of Black Creek Township, Luzerne county, convicted of stealing a horse of Boyd Ohl, pleaded guilty to having stolen the horse of Wesley Sitter, Centre Township, and was sentenced to pay fines aggregating \$1,000 in the two cases and to undergo imprisonment for not less than seventeen years in the Eastern Penitentiary. Kalanoski is about fifty years old, Kalanoski implicated Paul Voynar, a Mahanoy City hotel man, then in court ready to testify against him, as the ringleader, and Joe Biski, of Hazleton, as the third member of the gang, which it is charged has been stealing horses in Columbia county for several years. A reward of \$1,000 for the arrest and conviction of the thieves was offered by the Columbia County Commissioners. Voynar was arrested in the court room and is now in jail, while officers are hunting Biski.

Pottsville Tax Rate Raised.

Pottsville.—Pottsville City Council fixed the tax rate at ten mills, the highest in the history of the town. The increase is said to have been made necessary because \$17,000 of the town's money, fees from liquor licenses, is held up by court pending the decision of the appeal taken to the Supreme Court by liquor dealers, who are trying to knock out the city charter. If this money was available the tax rate could have been lowered instead of being raised, it is believed.

Father and Daughter May Die.

Allentown.—While Miss Alverta Clauser was undergoing an operation at the Allentown Hospital, her father was taken there in an ambulance for treatment for a fractured skull, received in a fall from a stepladder while at work. Both are in a critical condition and each is unaware of the plight of the other. Little hope is held out for the recovery of either.

Alleged Forger Acquitted.

Pottsville.—William F. Schartzel, who was arrested by the State police at Allentown four weeks ago, charged with forging several checks in this vicinity and in Wilmington, Tyrone, New Hope, Allentown and Tamaqua, was found not guilty by direction of Judge Koch. It was a case of mistaken identity. The Court was told the wrong man had been arrested.

Young Love's Rivalry.

The following conversation between two little girls, Agnes and May, six and seven years old, respectively, was overheard one day:

Agnes accused May of having a little playmate, John by name, for a "fellow." May said: "You do, too." "Why do I?" asked Agnes. "You let him walk under your umbrella," replied Little May. "So do you, May!" "Yes; but you coax him under!" was May's quick retort.

HUMOR DISFIGURED BABY

Clarendon, N. C.—My baby was broken out with a red, thick and rough-looking humor when about two months old. It would come in patches and went almost all over her in that way. The places were like ringworm and as they would spread they would turn red and make sores and itch. The trouble went to her face and disfigured her badly. Her clothes irritated it.

I saw the advertisement of Cuticura Soap and Ointment and I get a sample and in one night's time I could see a change in the redness and in two days the place would be nearly gone. I sent and got one twenty-five cent cake of Cuticura Soap and two fifty-cent boxes of Cuticura Ointment, which cured my baby. She was well in three months."
