

JUNE WEDDINGS.

The Dashem-Bower Nuptials a Brilliant Affair—Miss Vera Homan Becomes Bride of Chester Homan—Harry F. Hubler Married in Bellefonte.

A very pretty wedding took place at the home of Mr. and Mrs. William Bower, near Potters Mills, Friday, at 7:30 p. m., when their daughter, Mary Ruth, was united in marriage to Frank Dashem of the same place, in the presence of fifty invited guests who were assembled about the lawn.

While the strains of Lohengrin's wedding march were being played by Miss Mattie McCool, the bride and groom attended by Miss Grace Bower, sister of the bride, as bride's maid, and Wilbur Dashem, brother of the groom, a best man, followed Miss Lena Bower, another sister of the bride, who strewed flowers in their pathway. They proceeded to a canopy on the veranda, which was beautifully decorated with evergreens, peonies, and roses, where they were met by the Rev. Frederick W. Barry, who performed the ceremony. The bride was gowned in white embroidered veil and carried a shower bouquet of white roses.

The bride received many useful and beautiful gifts, including cut glass, silver, china, linens and granite ware.

After the ceremony and the bestowing of congratulations, a sumptuous repast was served on the lawn.

The bride and groom are very well known and are popular in the community. The bride has been a successful school teacher in Potter township, having taught the primary grade at Potters Mills for four years, and is held in high esteem by all her associates for her kind and loving disposition. The groom is an industrious young man and a well known farmer. Out of town guests were Mr. and Mrs. McManus, Harrisburg; F. A. Stiffler, East Tawas, Michigan; and Miss Laura McKinney, Chicago, Illinois.

HOMAN-HOMAN.

At high noon yesterday (Wednesday) Miss Vera Mary Homan became the bride of Chester Earl Homan at the home of the bride's parents, Mr. and Mrs. Henry E. Homan, immediately west of Centre Hall. The ceremony was witnessed by only the immediate families and a few invited friends. As the clock struck twelve Mrs. F. W. Barry commenced playing the wedding march, and the bride and groom, the former wearing white crepe de chine and carrying a bouquet of rosebuds, and the latter wearing navy blue, attended by Miss Lulu Homan and Miss Ruth Homan, sisters of the bride and groom, respectively, were met in the parlor of the Homan home by the Rev. Frederick W. Barry, the Lutheran pastor, and there pronounced man and wife. The parlor and sitting room were beautifully decorated with roses and ferns, and the entire surroundings were in harmony with the beauty of the occasion.

After partaking of a wedding breakfast the couple took the west bound train and started on a short wedding tour to the western counties of the state. Upon their return they will be at home at State College where they have rooms rented for the present.

The bride is the second daughter of Mr. and Mrs. Henry E. Homan and is a young lady of fine womanly traits and fully qualified to assume the new duties of wifehood. The groom is a son of Mr. and Mrs. William Homan of State College and for a number of years has been an efficient clerk in Krumrine's drug store. The Homan families are no kin whatever. The bride and groom have a host of friends who wish them a happy voyage on life's sea.

HUBLER-GARRETT.

At the home of the bride's parents, Mr. and Mrs. William Garrett, in Bellefonte, Wednesday morning at ten o'clock, Harry Frederick Hubler and Miss Elizabeth Madalene Garrett were united in marriage by Rev. W. B. Glanding, D. D., of the Lutheran church. Only the immediate relatives of the contracting party and a few personal friends were present at the ceremony.

From Bellefonte, Wednesday afternoon, Mr. and Mrs. Hubler left for Lock Haven where they took the flyer and started on a honeymoon tour. They will go to Buffalo, Niagara Falls, Pittsburgh and other points, after which they will come to Centre Hall for a few days before returning to Lock Haven, where the groom has a home elegantly furnished in the principal part of the city.

The groom is the only son of Mr. and Mrs. W. Cook Hubler of Centre Hall and is a young man of sterling worth. He makes friends wherever he goes because of his genial nature and is the life of a crowd wherever young people assemble. He learned telegraphy in the local railroad department several years ago and since has earned several promotions with the Pennsylvania Railroad Company. He at present holds a responsible position in a large tower at Lock Haven, as telegrapher.

The bride for a number of years has been an efficient operator in the Commercial exchange at Bellefonte and has a wide circle of friends. The Reporter extends congratulations to the young couple.

LOCALS.

To-day (Thursday) the Reformers will hold their picnic on Grange Park. Millheim's clothing merchants offer bargains in their advertisements this week.

Friday and Saturday will be big days at State College because of the auction lot sale.

The Centre Hall-Linden Hall telephone company will hold its annual picnic at Rhonemede on Saturday.

Take a little time, Mr. Farmer, and read Weber's ad. on paying tools. Every machine does all that is claimed for it.

Miss Cora Luse is at the home of her parents, having completed her schooling at Central State Normal School, Lock Haven.

Mrs. Wm. C. Hubler and Miss Margaret Jacobs were present at the marriage of the former's son, in Bellefonte, Wednesday.

Mr. (Dr.) Reed and daughter Margaret of Florida are at the Centre Hall hotel and will remain during the summer months.

Miss Elizabeth Sweetwood went to Lancaster on Wednesday and for about four weeks will be the guest of Mr. and Mrs. S. V. Hosterman.

Miss Mary Rearick of Lombard, Kentucky, is at the home of her grandmother, Mrs. Mary Rearick, and will remain for some time.

Charles Decker has rented the Nearhood property on Hoffer street and will move his family in a day or two. The Deckers now live in Tyrone.

Dr. McCluney Radcliffe of Philadelphia received the degree of doctor of law during commencement at Pennsylvania College, Gettysburg, last week.

A big town dog has joined the ranks of the good dogs since Tuesday because he developed a propensity for snapping at people who chanced to pass near him.

After "knocking about" through the middle west for the past few months, William Luse and William Showers returned to their homes in Centre Hall this week.

Miss Gertrude Kelchline of Pine Grove Mills and Miss Catharine Dale of Boalsburg, autoed to Centre Hall Saturday and for two days were the guests of Prof. and Mrs. P. H. Meyer.

Leathers Brothers and their agents were in Centre Hall Wednesday circulating the last lot of advertising matter relating to their auction lot sale at State College Friday and Saturday.

B. F. Reish, landlord of the Duncan House, Milroy, was in town Tuesday and took home with him his son Rexford who had been visiting with his grandparents, Prof. and Mrs. W. A. Krise for some time.

The Children's Day exercises which have been held in the various churches of the town during the past few weeks have been a success, both in performance of the children and in the large attendance at the services.

W. Cook Hubler made his first appearance outside his home in six weeks, on Tuesday. He has been suffering from heart trouble and an affection of the leg due to faulty circulation. Under careful medical attention he has almost fully recovered although somewhat reduced in weight.

A new citizen has been added to the borough in the person of Frank J. McClellan, who with Mrs. McClellan and their little son, moved into the Lambert property on Church street, Saturday. The McClellans formerly lived at O-hante, Clearfield county, where Mr. McClellan was the railroad station agent.

The small portable saw mill of G. H. Barner, located in a tract of timber land two miles northeast of Loganston, was destroyed by fire at 5 o'clock Sunday morning. The mill had been in operation up to Saturday evening, and as no fire was about the place at the time the origin of the blizz is a mystery. The sawed lumber was saved. Mr. Barner's loss will be about \$800 and he carried no insurance.

To-morrow (Friday) Rev. and Mrs. F. W. Barry leave for Cumberland, Md., where Rev. Barry will become pastor of St. John's Lutheran church at that place. Rev. Barry came from Bellefonte to Centre Hall and had been remained until October he would have served three years in this field. The best wishes of the members of the Penns Valley Lutheran church and of the people of the entire community go with them.

Considerable progress is being made in the construction of the death house at the new penitentiary, near Bellefonte. The concrete foundations have been laid and active work on the building walls will be under way in the next few days. It is expected that the building will be completed September 1. Several condemned murderers are now awaiting execution, but under the new law they cannot be put to death until the building equipped for execution is finished. Warden Francis has given instructions to the builders to rush work on the death house as fast as possible and it is believed that the electric chair will be installed and ready for use in about ten or twelve weeks.

HOT WEATHER MAXIMS.

Little Talks on Health and Hygiene by Samuel G. Dixon, M. D., L. U. D., Commissioner of Health.

Overcome by the heat. This will be a frequent headline in the papers for the next three months.

In the minds of the majority of the people all the ills resulting from excessive heat are grouped under one head. There are as a matter of fact two distinct types of ailment from this cause, heat stroke or thermic fever and heat exhaustion. In the first of these the patient usually runs a high temperature and the treatment calls for ice baths. In heat exhaustion the heart and respiration are depressed. When the humidity is high overexertion is more apt to cause heat exhaustion.

In extreme weather endeavor to secure some circulation of air in the dwelling and workroom. There is less likelihood of prostration when the air is in motion.

No time should be lost in securing the services of a physician when anyone is overcome by the heat. No layman is competent to distinguish between the types and give the treatment required.

In beginning the summer months it is well to fix these few maxims in your mind:

Don't hurry—remember it was the tortoise that won the race.

Don't worry—for your sake and the other fellow's.

Eat regularly but sparingly—even an ostrich should use some discretion in hot weather.

Alcoholic beverage—if you must use alcohol burn it in a chafing dish.

Avoid ice water and ice cold beverages—it is dangerous to paralyze your stomach because the thermometer is on the rampage.

Teacher's Examination.

Supt. D. O. Eiters held an examination for teachers' provisional certificates in the high school room of the local school house on Friday. Those who took the examination were: Misses Elizabeth Bitner, Esther Bitner, Mary Neff, Mary Slutterbeck, Bertha Miller, of Tusseyville; Misses Marion Gattig and Elsie Herman, of Pleasant Gap; Boyd Vonada, Spring Mills; Miss Nellie Bible and Ralph Sweeney of Potters Mills.

Boon Indeed.

"At last," exclaimed the long-hated inventor, "I have evolved the greatest practical blessing of the age." "Oh, tell me, Theophilus—tell me what it is!" begged his wife. "A collar button with a little phonograph inside that will call out when it rolls into a dark corner under the dresses, 'Here I am! Here I am!'"

Now For the Big Hay Crop!
Just a week or two and then every farmer's attention will be centered on his hay fields. The crop will be a big one. Every farmer wants his hay in the barn in as short time as possible, and in best of condition. The better the hay the better the price.
Every machine used in the process of hay making—from mower to hay loader—is carried by us, and they are the kind that have been giving the best of service to Penns Valley farmers for years.
JOHNSTON MOWER. Make sure of a perfect cutting of grass this summer by using a Johnston Mower on your hay crop. We are well acquainted with all makes of mowers and think the Johnston the best investment. Ask us more about it.
The "Lancaster" Side Delivery Hay Rake
is a true friend of the farmer with a heavy hay crop.
The "Lancaster" gathers up the hay in a continuous, loose and fluffy windrow, which allows the wind to pass through freely.
Note its simple construction, strength is one of its chief qualities. All gears are protected and long timothy is delivered clean instead of becoming wrapped in the gearing as is the case with other machines. It rakes the shortest blue grass as well as the heaviest clover and Timothy.
More farmers are purchasing the Lancaster every year, which means more satisfied farmers.
The "Gearless" Hay Loader
Cleans up the hay field in short order
Its name describes it—it is gearless and has no gears to break, clog up chains and sprockets to break, run off and cause no end of trouble. The long easy stroke delivers the hay whether heavy or light, in better shape without churning it up, without tearing off the lever or without threshing out the seed as other loaders do.
The GEARLESS Hay loader is not the cheapest hay loader you can buy but it is the best one. They are worth more than what is asked for them.
The GEARLESS does its own loading. It pushes the hay well up onto the wagon; it does not need a watchman to keep it from clogging. The Gearless is sold on its merits, because it never fails to perform the work it is sold to do. The Gearless will pick up and load windrows and haycock which other machines cannot handle.
Will You Need a New Binder This Year?
The Johnston is the one you should have. Let us tell you why.
We have described a few machines here, but we have on hand a great many more. Our business is to serve the farmer, and serve him well. If you are interested, see us.
