REAL HOME FOR THE HOLE

Finds Secure Abiding Place After a Period of Troublous Wanderings.

Everett P. Dahlgren, the millionaire opponent of woman suffrage, said at a suffrage debate in Boston: "I always declare that woman shouldn't enter politics till she's fulfilled all her prior duties."

"Prior duties! Prior duties!" So a young lady mocked me one day. "What do you men mean by these 'prior duties' that you're always talking about, Mr. Dahlgren?"

"So then I told the young lady this story: "Once upon a time, I began, a little hole was born; and it looked around to see where it should take up its abode."

"It first decided on a window, but a man came straightway and put in a new pane. It next chose a chair seat, but the housewife sent for a caner, and in a jiffy a new seat was put in the chair. The hole now selected a baby's rattle, and the baby was so pleased that it began to tear the rattle to pieces, and the poor hole, half crazed with fright, had just time to escape. It threw itself, more dead than alive, into the first thing that came to hand, which happened to be the sock of a suffragist's husband."

"There, at least, the hole seems to have found a real home. Its peace has not been troubled from the beginning, six months ago."

Died With Fortune Near.

That Benjamin Vance, prospector, whose body was found in a gully at the base of a 500-foot cliff near Palo Rito pass recently, was killed after locating a rich mineral vein in the belief of S. J. Vance of Tekamah, Neb., his brother. In the prospector's cabin were a number of high-grade ore samples, cached in a secret passageway.—Crestone (Colo.) Dispatch to Denver Post.

SULPHUR—THE GREAT HOME REMEDY

Mr. Warren C. Gares, 108 So. Ohio Ave., Columbus, Ohio, writes as follows: "I suffered intensely from Eczema which covered my body and arms. After trying three physicians and one skin specialist and 29 different ointments and lotions, I accidentally learned of Hancock's Sulphur Compound and Ointment. I tried them and the first application gave me instant relief from that awful itching. I persisted in their use and in one week I had hardly a trace of the eruption. If any reader questions this testimonial as not being bona fide and unsolicited, an inquiry sent to the address above, enclosing postage will convince anyone beyond question."

Hancock's Sulphur Compound and Ointment are sold by all dealers. Hancock Liquid Sulphur Co., Baltimore, Md.—Adv.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong. "I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

TANGO AS CAUSE OF CRIME

Brooklyn Judge Blames Theft by Two Youths to Nights Given to Modern Dance.

In suspending sentence in the cases of two youths who had pleaded guilty to attempted grand larceny, County Judge Fawcett in Brooklyn listed "white lights and tango nights" in the catalogue of incentives to crime. "You can't expect to dance all night," he said, "and lie abed half the day, yet always have money for your carousals, unless you steal it. And let me tell you our jails and penitentiaries are full of people with just such ideas. If your family had given you good beatings instead of money to spend, it would have been better for you."

The boys, John Colver, twenty years old, of 487 Hancock street, and Carlton Chapman, sixteen, of 362 Jefferson avenue, had been indicted for stealing money and jewelry from Adelaide Weston, keeper of a furnished room house, where they lived for a time. They belong to respective families of moderate means. Both promised the judge to go home and begin again, Chapman to return to school and Colver to work. Both wore tango pumps and silk shirts when arraigned.—New York Sun.

BODY COVERED WITH ECZEMA

R. F. D. No. 1, Tazewell, Tenn.—"My disease started on my legs in a small patch and kept spreading until my entire body was covered. It would itch and burn till I could not sleep at night. I would scratch till the blood would ooze out and run down my body and legs. The eruption came out in small red pimples and when I scratched the whole surface of the skin became irritated, red and ugly looking. My clothing seemed to irritate it. The pimples were on my hands, arms, legs, feet and entire body, especially between my fingers and toes. I also had dandruff on my head until my hair was all falling out. "I was told it was eczema and took a treatment, but all remedies failed. Then I got some Cuticura Soap and Ointment. I first washed with Cuticura Soap and warm water, dried well and then applied the Cuticura Ointment. Cuticura Soap and Ointment cured me, and they also cured my dandruff and falling hair." (Signed) Charley Alston, Jan. 31, 1914.

Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address postcard "Cuticura, Dept. L, Boston."—Adv.
