Mrs. Jane Welch, mother of Mrs. J. H. Lohr, who is well known in Centre Hall, sustained severe injuries Thursday of last week while on a visit to relatives near Philadelphia. The lady, who is quite aged, fell down a flight of stairs, and besides breaking her arm at the shoulder, was badly injured otherwise. It is feared that her advanced age stands in the way of her recovery.

Fourteen years ago Charles Shaffer, a blacksmith, worked in Centre Hall for W. W. Boob, the wheel man, and he and his wife boarded with Mr. and Mrs. A. P. Krape. After leaving here Mr. Shaffer became employed at Millburg, his former home, and is now engaged as a trimmer in an establishment that does that character of work for an automobile factory. Wondering how Centre Hall looked after such a period of years, Mr. and Mrs. Shaffer turned their automobile this direction, and on arriving here were entertained by Mr. and Mrs. Krape. When Mrs. Shaffer, whose maiden name was Lytle, was a young girl—this was back in 1890—she lived in Centre Hall, making her home with Dr. P. Neff, and consequently has a recollection of Centre Hall when it was a town of much less note.

A Good Oil Stove Saves You Money in Fuel

The New Perfection oil stove enables you to cook a meal at an expense of only two cents. Surely much cheaper than wood or coal, and no unnecessary heat during the hot summer months. Your heat is on or off in an instant—you have it when you want it and you don't burn unnecessary fuel.

We invite your inspection of the two- and three-burner New Perfection oil stoves which we have at our store. They are well built and absolutely safe. Not only good for cooking but will prove serviceable as a heater.

You Can Save Money on White Canvas Shoes By Buying NOW

We have cut prices on our line of Ladies' and Misses' White Canvas Shoes. We do not intend to carry them over until next season. Our line is still complete, but better hurry up for they'll not last long at the prices we have put on them. Lots of warm weather yet, so white shoes will be worn for some time.

Come in today.
