

DEATHS.

Mrs. Margaret Switzer of Attica, Ind., died at Pleasant Gap, August 14, of infirmities due to advanced age. She was a daughter of George and Catharine Lonerbarger and was born in Bellefonte February 10, 1824, thus being ninety years, six months and seven days old. Mrs. Switzer was brought to Pleasant Gap by her niece, Miss Ella Baumgardner, who is a trained nurse, in December 1912, and was confined to her bed since June, 1913. Her husband preceded her in death and no children survive. Two sisters and one brother remain to mourn her death, namely: Mrs. Matilda Richards of McWilliams; Mrs. Catherine Baumgardner of Pleasant Gap; and John Lonerbarger of Kansas. Funeral services were held in the home of her sister, Mrs. C. Baumgardner, conducted by Rev. C. C. Shuey. The body was shipped to her home in Attica, Indiana, for burial.

Thomas C. Helms, a former well known resident of Ocoeca, died at his home in Philadelphia, following a prolonged illness, at the age of sixty-four years. His body was shipped to Tyrone where the funeral was held Monday morning.

Mr. Helms was married to Miss Lizzie Hess, daughter of the late Daniel Hess of Linden Hall. She and two children survive, namely, Eugene of Ocoeca, and Miss Lenore of Philadelphia.

While in this section he will be entertained at the home of his brother, George Erhart, at Old Fort. Mr. Erhart is chief man in a large store in Aurora, which place he is well able to fill. On his trip he is accompanied by his sister Catharine, wife of Mr. Fred Drake, who lives in Florida.

Chas. D. Bartholomew, accompanied by E. L. Bartholomew, has just made a flying trip to New York City, Philadelphia and Atlantic City. While this trip was partly for pleasure yet it was to a great extent for business, one of the principal attractions being the North American egg laying contest, being held at Thorndale, in which Chas. D. Bartholomew has a pen of five single-comb white leghorn pullets entered that at the end of 42 weeks have laid 940 eggs and are still producing at a heavy rate. This pen of pullets has been the leader in all American bred Leghorns for every week since competition started and now has a stronger lead than ever over its nearest competitor. This is a record worth while when the fact is considered that the average American hen lays only 72 eggs in a year. This pen now has an average of 188 eggs and ten weeks yet to produce to raise the average as much above the 200 mark as possible.

Automobile Takes Fire.

A five-passenger Buick car, driven by Jess Nevil, and owned by Thompson, the Bellefonte auto liveryman, went up in smoke Monday evening at eight o'clock while the young man was visiting his mother, Mrs. Mahala Nevil, at Coyer. The car, with the engine running, was left stand on the road while the occupants went into the house for a short time. It is presumed that a small opening in the carburetor permitted some gasoline to escape and fall on an overheated bearing which started a fire which could not be checked until nearly all the woodwork on the car was consumed.

The evening entertainments will be high grade as ever. Everything first-class, clean and attractive. Low rates on all railroads. Consult your station agent.

CHALLENGE FROM B. M. BOON & CO.

Offers to Refund Money if Dr. Howard's Specific Will Not Cure Any Case of Constipation or Dyspepsia.

B. M. Boon & Co. are seeking the worst case of dyspepsia or constipation in Centre Hall or vicinity to test Dr. Howard's new specific for the cure of these diseases.

So confident are they that this remarkable medicine will effect a lasting cure in a short time, that they offer to refund the money should it not be successful.

In order to secure the quickest possible introduction B. M. Boon & Co. will sell a regular fifty cent package of this medicine at half price, 25 cents.

This specific of Dr. Howard's will cure sick headache, dizzy feelings, constipation, dyspepsia and all forms of malaria and liver trouble. It does not simply give relief for a time; it makes permanent and complete cures.

It will regulate the bowels, tone up the whole intestinal tract, give you an appetite, make food taste good and digest well and increase vigor, Joy and happiness will take the place of that "don't care whether I live or die" feeling.

Light Running
Long Life
Few Repairs

(Shows Simple Method of Cleaning Disks.)

The BEATRICE is the typical modern separator supplied with a centrifugal washing device to clean the bowl in two minutes. (See illustration above). A separator, no matter what kind, requires washing twice a day. The BEATRICE, with its patent device makes washing the easiest thing imaginable and means much time saved on the farm in this one kind of daily work. Come in and see the beauty of construction in this machine; how silently it runs, and why it gets every drop of cream out of your milk.

Here is the Syracuse Riding Plow

Needs no description. Its great use among the farmers in Penna Valley speaks for its popularity. More farmers are using it every year. Get in line for one this year and prepare for better crops by doing better plowing. The Syracuse brings results.

The New Idea Manure Spreader

We received a short time ago a carload of these famous spreaders. The New Idea is more than a spreader, it is a pulverizer, putting the manure in best shape for distributing on the ground. It is simple and easy running, strongly built, and should have a place on every farm.

Burch's Clod Crusher

An elegant tool for crushing hard, lumpy earth and leaving the soil in narrow ridges, but fine and mellow. This implement acts upon the seed bed not unlike the spayd on earth that is being packed by the railroad builder under the tie. It is an ideal implement.

Woven Wire Fencing—Carload of all kinds

We have the wide and narrow woven wire fence, all of the best makes, also plenty of barbed and smooth wire.

Must Suit You

Satisfaction Guaranteed—no catches nor technicalities in our guarantee. Your engine must satisfy you or you don't keep it. "Your good will means our success." That's the principal that built our business.

LAUSON FROST KING Gasoline Engines

have the new Lawson Gear-Driven Magneto, which eliminates all batteries. Built into the engine—won't wear out. Throws a big, hot spark that never weakens. **Start Easy**—The Frost King starts on the magnets without turning over. Requires no cranking. Positively frost proof. Low fuel consumption—high efficiency. Case-hardened and ground wear parts practically eliminates wear and breakage. We're back of this engine with our own reputation; we wouldn't handle it if there were anything questionable about it. If we can't trust it you can't trust us. Drop in and see how easily it starts and how smoothly it runs. **Leading Price.**
