

Mrs. J. T. Potter Dead.

Mrs. Joshua T. Potter before her marriage was Miss Martha McCormick, daughter of Fleming and Delinda McCormick of Salona, Clinton county. She was united in marriage to Joshua T. Potter thirty-six years ago. After a short time spent in the old Potter homestead near Linden Hall, they took up their residence on a farm about three miles west of Centre Hall, which Mr. Potter later inherited from his father's estate. Here they remained till their removal a few years since to Centre Hall, with the exception of two years spent in Clairton. On March 21st last Mrs. Potter was stricken with paralysis which rendered useless her right arm and leg and soon deprived her completely of the power of speech. Although at first it was thought that she could live only a few weeks, she lingered on till death came quietly at 3 o'clock Wednesday morning, Sept. 9th. Being unable in any way to make known definitely her condition, no one knows just how she felt nor what she endured, but she seemed to bear her great affliction most patiently and resignedly. She was most tenderly cared for by the members of her family. Her age was sixty-two years. Besides her husband there survive her one son, Harry, of Everett, Washington, and one daughter, Mary Delinda, at home; also one brother, D. D. McCormick of Kansas City, Missouri, and one sister, Mrs. Hayes, of Watonsontown. The funeral will take place at the residence Friday morning at 9:30 a. m., conducted by Rev. W. H. Schuyler, pastor of the Presbyterian church of which she was long an active member. Rev. R. R. Jones of the Reformed church will assist; interment in the Centre Hall cemetery. Mrs. Potter will be missed by a large circle of friends and acquaintances who sincerely sympathize with the bereaved husband and children.

Wieland Store Stock Sold.

Frank E. Wieland, at Linden Hall, sold his entire stock of general merchandise to the Leathers Brothers of Howard. Part of the consideration was a string of lots at State College, the same being a portion of the Lytle tract cut into lots by this real estate firm. The Leathers Brothers will dispose of the stock in some manner not yet made public, but it is not their intention to engage in the mercantile business or sell the stock to some one who will carry on a stand at Linden Hall.

About eighteen years ago, Mr. Wieland succeeded J. H. Ross in the Hess stand, and at that time Mr. Ross built his present quarters just across the way. Mr. Wieland, in addition to the mercantile business, is an extensive dealer in grain, hay, feed, coal, etc. and it is his intention to continue these lines, and will also retain the Hess store stand for an office.

Here is the Syracuse Riding Plow

Needs no description. Its great use among the farmers in Penns Valley speaks for its popularity. More farmers are using it every year. Get in line for one this year and prepare for better crops by doing better plowing. The Syracuse brings results.

The New Idea Manure Spreader

We received a short time ago a carload of these famous spreaders. The New Idea is more than a spreader, it is a pulverizer, putting the manure in best shape for distributing on the ground. It is simple and easy running, strongly built, and should have a place on every farm.

Burch's Clod Crusher

An elegant tool for crushing hard, lumpy earth and leaving the soil in narrow ridges, but fine and mellow. This implement acts upon the seed bed not unlike the spayd on earth that is being packed by the railroad builder under the tie. It is an ideal implement.

THE SIEGE OF PENROSE

Tonight, in Bethlehem, begins the Siege of Senator Penrose. For fifty days, he will be attacked with the deadliest of all weapons, his own record.

Congressman A. Mitchell Palmer will begin the Siege with a comprehensive and specific indictment of Senator Penrose's public acts. (He will say nothing about his private character.)

Night after night, the separate counts of the indictment will be amplified and supported.

This indictment is not campaign oratory, but the most definite and detailed charges.

attested in every particular by public documents, with chapter and verse given.

Look for them day by day in the newspapers.

This Book of Fate, which Senator Penrose has been writing by his own deeds for more than twenty years past, is the only platform on which he can stand before the people.

It is a consistent document, and its meaning is clear. Study it; verify it; talk about it. The successful Siege of Penrose means political deliverance for Pennsylvania.

The Democratic Party in Pennsylvania is waging a campaign of information against Penrose and Penroseism. We desire opportunity to supply voters with first-hand facts. We welcome postcard requests for data from alert and opinionated citizens. Address the
