Mr. Tobias and Mr. Patterson, candidates respectively for congress and state senator on the Democratic ticket, have been on Grange Park since Monday and are making good use of their time in behalf of their political interests. They both are gentlemen whom one will wish to meet again.

Rev. S. A. Snyder of Middleburg is greeting former parishioners and friends during the days of the Encampment and Fair. Rev. Snyder is doing good work in his present field and the exchanges from Middleburg that come to the Reporter's desk often speak commendably of his sermons.

James J. Gramley, a native of Madisonburg, but who since the death of his wife three years ago, has been making his home with a son in Freeport, Illinois, was a caller at this office Tuesday. Mr. Gramley for the past few weeks has been visiting about his old home but expects to return to Illinois before winter. Mr. Gramley was elected to the office of county treasurer in 1891.

Prof. and Mrs. C. F. Shaw of San Francisco, California, arrived in Centre Hall the latter part of last week, and until today (Thursday) were guests of the latter's father, Dr. G. W. Hosterman. From here they went to Lancaster, Washington, D. C., and will then take a southern route to the western coast. Prof. Shaw holds a chair in the College of Agriculture at Berkeley, just outside the city limits of San Francisco. The institution ranks second in importance in the states, and ninth in the world. Prof. Shaw is highly pleased with California as an agricultural state, and is thoroughly imbued with the Pacific coast spirit.

George H. Thomas, son of Mr. and Mrs. Clifford Thomas of near Pottery Mills, who for the past few months had been touring Europe and principally in the countries now engaged in the terrible conflict, arrived in the United States last week, having sailed on an English steamer, the "Callagario". To insure safety from the hostile Germans the vessel was painted black and for several nights after leaving London the ship was kept in total darkness. The young man is now at the home of his parents at Pottery Mills, having come direct from Quebec, the terminus of the English "Allen" line. His grandmother, Mrs. Josephine Henderson, is present in London and will set sail for America next week. Besides being subjected to many embarrassments, Mr. Thomas lost considerable baggage in his efforts to leave the warrent country, and has little hopes of ever recovering it.

REBERSBURG

Lester Minnich, who is employed at State College, spent Sunday at this place with his family.

Several families of this place have pitched their tents at the Grange picnic this week.

BOALSBURG ITEMS.

What People Are Doing in Harris Township's Principal Burg, as Reported by the Reporter's Faithful Correspondent.

The Harvest Home Thanksgiving will be held in the Reformed church on Sunday at 10.15 a. m.

Miss Mary Woods of Spring Mills visited in Boalsburg over Sunday.

Mrs. Charlotte Woods of North Sharon is a guest at the home of Mrs. M. A. Woods.

Miss Margaret Bingham of Beaver-town, is teaching at Oak Hall and is boarding with her uncle and aunt, Mr. and Mrs. J. F. Zechman, at Boalsburg.

A number of our people are enjoying this week at Grange Encampment.

The majority of farmers are ready for seeding, but are waiting for rain.

The frost last week hurt the corn; some is in shock; quite an amount of it is being cut by machinery.

The potatoes which have been raised are of good quality, but lack in quantity.

Apples are plentiful with very little sale for them.

Mrs. Alice Magoffin returned on Friday after a three weeks' visit with friends at Mercer.

Geo. E. Meyer with his mother, spent Sunday afternoon at Bellefonte. We had quite a lively time in our town on Tuesday forenoon, Gifford Picchot, the Washington party candidate for U. S. Senator, gave a speech on the public square. He was welcomed by the Band. Quite a number of our people had assembled and were pleased with his address. After some selections by the band, they escorted him to the Grange Encampment. A number of other candidates were present on this occasion.

Brush Valley.

Most of the farmers will finish sowing wheat this week.

James Bar ges of Sugar Valley was seen passing through here on Sunday on his way to Centre Hall to his brother David. He also expects to attend picnic.

Rev. Rumberger started protracted meeting at Green Grove on Sunday evening.

Jack Frost made his first appearance last week, doing considerable damage to corn.

Phillip Shook and J. W. Beck are busy filling silos for the farms around here.

Some people say we have had our Democratic time but try to hire a man and see if they are not busy if they care to work.

Quite a number of our people are camping at Grange Park this week.

DEATHS.

Mrs. Agnes Havice, wife of Samuel J. Havice died September 2 at the home of her oldest daughter, Mrs. Howard Treaster, near Siglerville. The deceased was aged sixty-one years, five months and two days. She was a kind and loving mother and will be sadly missed. She leaves a husband, Samuel J. Havice, and six children, as follows: Christian J. Havice of Maitland, James W. and Ruth T. of Havice valley; Mrs. Howard Treaster of near Siglerville; Mrs. John Rowe of Lumber City; Mrs. John Burkholder of Centre Hill, and 21 grandchildren, one sister and two brothers, Mrs. David Bottorf of Reedsville, Samuel Brown, Lewistown, and James N. Brown of Milroy.

Interment was made Friday, Sept. 4, at Salem cemetery, near Siglerville.

Lewisburg Fair, Sept. 22 to 25.

The management of the Union County Agricultural Society has announced that the plans for one of the largest and best exhibitions have about been completed. Up to this time a larger number of concessions have been granted to farmers and the other of the biggest fields of horses that has ever participated in the contests on the Brook Park track, which by the way, is the best half mile track in this section of the state. A special prize will be given the driver of the horse lowering the track record of 2:08 in any race. One of the features will be the addition to the regular racing program of running races which will take place both Thursday and Friday.

The fair will open in all its grandeur Tuesday, September 22, and continue for four days. During this time large crowds will take advantage of the special railroad rates and visit the Brook Park fair grounds.

The entries for the races are coming in rapidly and the list will make one of the biggest fields of horses that has ever participated in the contests on the Brook Park track, which by the way, is the best half mile track in this section of the state. A special prize will be given the driver of the horse lowering the track record of 2:08 in any race. One of the features will be the addition to the regular racing program of running races which will take place both Thursday and Friday.

One of the new features this year will be a baby show in which prizes will be offered for the best looking baby and also for the best dressed baby. The show will take place Friday afternoon and the only restriction to enter the contest is that the little tot's must be no older than one year.

The Beatrice Cream Separator

SAVES YOU from \$25 to \$40

and has all the good features found in the higher priced machines. These are the qualities that make it valuable.

Clean Skimming
Easy Running
Light Running
Long Life
Few Repairs

(Shows Simple Method of Cleaning Discs.)

The BEATRICE is the typical modern separator supplied with a centrifugal washing device to clean the bowl in two minutes. (See illustration above.) A separator, no matter what kind, requires washing twice a day. The BEATRICE, with its patent device makes washing the easiest thing imaginable and means much time saved on the farm in this one kind of daily work. Come in and see the beauty of construction in this machine; how silently it runs and why it gets every drop of cream out of your milk.

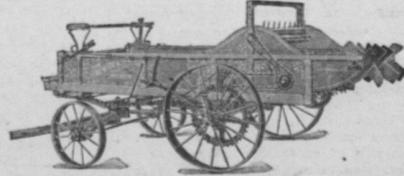

Here is the Syracuse Riding Plow

Needs no description. Its great use among the farmers in Penna Valley speaks for its popularity. More farmers are using it every year. Get in line for one this year and prepare for better crops by doing better plowing. The Syracuse brings results.

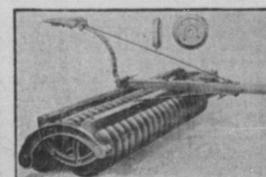

The New Idea Manure Spreader

We received a short time ago a carload of these famous spreaders. The New Idea is more than a spreader, it is a pulverizer, putting the manure in best shape for distributing on the ground. It is simple and easy running, strongly built, and should have a place on every farm.

Burch's Clod Crusher

An elegant tool for crushing hard, lumpy earth and leaving the soil in narrow ridges, but fine and mellow. This implement acts upon the seed bed not unlike the spayd on earth that is being packed by the railroad builder under the tie. It is an ideal implement.

Woven Wire Fencing—Carload of all kinds

We have the wide and narrow woven wire fence, all of the best makes, also plenty of barbed and smooth wire.

Must Suit You

Satisfaction Guaranteed—no catches nor technicalities in our guarantee. Your engine must satisfy you or you don't keep it. "Your good will means our success." That's the principle that built our business.

LAUSON FROST KING
Gasoline Engines

have the new Lauson Gear-Driven Magneto, which eliminates all batteries. Built into the engine—won't wear out. Throws a big, hot spark that never weakens. **Start Easy**—The Frost King starts on the magnet without cranking over. Requires no cranking. Positively frost proof. Low fuel consumption—high efficiency. Case-hardened and ground wearing parts practically eliminates wear and breakage. We're back of this engine with our own reputation; we wouldn't handle it if there were anything questionable about it. If we can trust it—you can trust us. Drop in and see for yourself how easily it starts and how smoothly it runs. Casing Free.
