A VOICE OF CONFIDENCE.

Secretary Bryan Predicts that President Wilson Will Receive a Vote of Confidence at the November Election.

Every true Democrat trusts that Mr. Bryan is right when he predicts that the Wilson Administration "is to receive in the Nation a vote of confidence."

This is the most important issue in the campaign, and such a vote of confidence in the President can come only through the election of a Democratic House of Representatives.

It is unfortunate that a President placed in the position that Mr. Wilson has been placed by circumstances is obliged to make his appeal for public support through the medium of partisanship; but there is no other method known to American politics by which the people can signify their confidence and faith in a Chief Magistrate.

Mr. Wilson has proved himself one of the great Presidents in American history, and his Administration has marked a new era in American politics. He is entitled to a Congress that is in avowed sympathy with his principles and policies of government, and we believe especially that he deserves the unyielding support of the American people in this great world crisis. That support can come only through the triumph of the Democratic party in the fall elections.

A Democratic defeat would be the defeat of President Wilson. It would be so interpreted throughout the world. Such a defeat would greatly weaken the President's influence abroad. It would likewise impair the power of the United States when the time comes for the restoration of peace, issues of vital importance to civilization are in the President's hands, but these issues will be torn from his hands unless the American people prove that his ideals are their ideals and that his purposes are their purposes. A President of the United States who had been repudiated at the polls could not be expected to wield much influence in London and Berlin and Paris and St. Petersburg, Vienna and Tokio.

In this campaign President Wilson represents much more than the Democratic party. He represents democracy itself. He is to-day the most commanding representative of democracy among all the leaders of the nation, and the confidence that the American people express in him on election day will be a measure of the confidence they express in the efficacy of their own institutions.

The President is not playing politics with the grave questions with which he is dealing. The American people in turn should not play politics with the President.

Uphold President Wilson.

There are various ways of upholding President Wilson, and one of them is to contribute to the State campaign fund. The State Central Committee has prepared a handsome pocket piece, about the size of a silver dollar, to be given to everyone that contributes one dollar or more to the State fund. On one side of the medal is a profile of President Wilson, and above it the word "Uphold President Wilson," and on the reverse side are stamped these words:

"I have given \$1.00 to the Pennsylvania Democratic Campaign fund for United States Senator, A. Mitchell Palmer; for Governor, Vance C. McCormick."

These pocket pieces may be secured from any member of the Centre County Finance Committee or from State Headquarters. G. L. Goodhart is the local committeeman, and he will be pleased to furnish you with the handsome medals.

A vote for W. H. Patterson for State Senator will be a vote in support of President Wilson's administration and policies and a vote in support of U. S. Senator Palmer and Governor Vance McCormick. He will be of aid to McCormick in carrying out the policies of his administration and McCormick will aid Senator Patterson in looking after the interests of the 34th Senatorial District composed of Centre and Clearfield counties.

The real and true advocates of County-wide Local Option will vote for Palmer, McCormick, Tobias, Patterson and David W. Miller. They all stand upon the same platform.

To uphold President Wilson you must vote for Vance C. McCormick for Governor. The Democratic National Administration has endorsed the State ticket.

If the Bigelow roads don't suit you, vote for McCormick. A Democratic Governor in Harrisburg will see that roads are built without a fifty million dollar loan.

To uphold President Wilson you must vote for Mr. Tobias for Congress.

Deaths of Centre Countians.

Thomas McClure died in the Altoona hospital Sunday evening after living three days with a terrible puncture wound of the right lung caused by a heavy piano falling on his chest while assisting to remove it from a wagon. He was born in Bellefonte thirty-eight years ago.

George W. Ellenberger died at the home of his son, Arthur S. Ellenberger, at Marango, Centre county, Saturday night, of Bright's disease.

LOCALS

Mrs. F. Potts Green and Mrs. Catharine Dinges, both of Bellefonte, were guests of Mr. and Mrs. John G. Roseman, Friday.

Herbert Grove will move from the Goodling farm, west of Centre Hall, to the Murray and Ross farm at Earlytown, now tenanted by Daniel Bohn, next spring.

Mrs. Edward Brown and children spent a few days last week in Altoona as the guests of her brother, J. W. Keller. Mr. Brown went to Altoona Friday, returning with his family on Saturday.

G. L. Goodhart, representing the Grange fire insurance company, adjusted the loss sustained by A. O. Myers near Marpha, the fire having occurred the beginning of this month. The adjuster allowed Mr. Myers \$784.50. The loss was on a barn, hay and a mower.

In a letter to the Reporter from Mrs. J. F. Brooks (nee Miss Sarah Breon) of Barberton, Ohio, she says among other things that labor conditions are becoming better in that city and that thousands of men are again being given employment. Mrs. Brooks recently recovered from a long period of sickness.

The wedding of Miss Sarah Cunningham Radcliffe, only daughter of Dr. and Mrs. McCluney Radcliffe of Philadelphia, to Robert B. Mackay, will take place today (Thursday) in the Central North Board Street Presbyterian church, Philadelphia. Following the ceremony a reception will be held at the Aldine hotel.

Miss Cara Hayes, a niece of J. T. Potter of Centre Hall, made a narrow escape with her life while bathing at Atlantic City, Sunday of last week. Miss Hayes is a trained nurse and together with Dr. E. Z. Holt, was caught in an offset and carried out to the open sea. Their predicament seemed hopeless until life guards plunged into the sea and saved them.

Palmer and Patterson have both been requested to withdraw as candidates by a small clique whose real motive is the support of a faction of the Republican party. They, however, have declined the request. Their election as United States Senator and State Senator is already assured. We want Democrats elected this year who will support the administration of President Woodrow Wilson.

The real and true advocates and supporters of County-wide Local Option laws will support and vote for Palmer, McCormick, Tobias, Patterson, and Assemblyman Miller. They are all running on the same platform and are self-pledged to Local Option.

To uphold President Wilson you must vote for Mr. Palmer for United States Senate.

MILLHEIM HORSE SALE.

Second Car Load of Western Horses Sold in Millheim Market at Very Fair Prices.

The second car load of western horses and colts were sold this fall in the Millheim horse market on Monday. The bidding was more rapid than at the first sale, and the average prices higher. This is due in part to the fact that at the latter sale there were less young animals, and that the matured animals were of a better grade and heavier in weight. L. F. Mayes was the auctioneer, and G. W. Stover clerk.

A Pleasant Surprise Party.

The home of Mr. and Mrs. George Searson at Linden Hall was the scene of a very pleasant surprise party, Saturday night, given in honor of Mrs. Searson's birthday anniversary. An auto trip was arranged for Mrs. Searson which kept her from home until all her friends were assembled in the parlor. Upon return she was greeted in a manner that soon revealed to her the plot that had been laid. A most enjoyable evening was spent and refreshments served in abundance. First Attraction in the Centre Hall Lecture Course, Thursday, October 29th.

The Glazier Jubilee Singers, a colored troupe composed of three gentlemen and two ladies, will open the Centre Hall lecture course in Grange Arcadia, Thursday of next week, October 29th.

This quintette of colored talent have an unparalleled record, having filled 690 engagements in two years. They are invariably the leading attraction wherever they appear at Chautauques and in courses. Although members of the Glazier Jubilee Singers have cultivated voices, they sing only the old time favorite Negro melodies, camp-meeting and cabin songs as sung on the plantations of the South during slavery days. They are recognized as the world's greatest and best colored singers. To miss hearing them will give cause for regret.

The price of admission to those not holding course tickets will be thirty-five cents, and five cents extra for reserved seats. Children under fifteen years of age, fifteen cents.

Emery and Dr. H. F. Bitner, who are distantly related, also attended the funeral.

W. H. Patterson of Clearfield, Democratic candidate for State Senator, passed through Penns Valley Thursday on his last trip through this section of the county before election. While in Centre Hall he paid his respects to this office and also met a number of voters. From here he went to Spring Mills and Millheim. Mr. Patterson is more than pleased with the political outlook and especially with conditions as they exist in his home county.

Mr. and Mrs. Allen Moyer and son Clyde of Darragh, in the Pittsburgh district, arrived in Centre Hall on Saturday, and for several weeks will be guests of Mr. and Mrs. Franklin Moyer, and Mr. and Mrs. M. M. Condo, parents of Mrs. Moyer. Mr. Moyer is employed by the Keystone Coal and Coke company, and has been with them for almost twelve years. He is in fine physical condition, but feels that he has earned a vacation although not in need of it from a physical standpoint.

Helping the War Orphans.

The Christmas ship which will sail from New York harbor on November 10th for the countries of Europe which are now engaged in the great death struggle, will carry a neat little donation contributed by the good people of Centre Hall for the thousands and thousands of orphans who have been reduced to a state of poverty and suffering. It was through the efforts of Mrs. John G. King that Centre Hall was given an opportunity to display its charity to this worthy cause, and a thorough canvass of the town resulted in a collection of underclothing, stockings, sweaters, caps, suits, dresses, and money, which was given spontaneously and with great generosity. The box containing the gifts will be shipped to Philadelphia today (Thursday) and there it will be taken in charge by the Child Federation and subsequently shipped with other boxes to New York.

Only One Hunter Kills Squirrel Limit.

Thursday morning was not a favor, alone for the opening of the squirrel season, a rain falling a few hours after daylight driving the squirrels into the trees. One hunter, however, was successful in killing the limit of squirrels. He was Emmett Brooks, who, by the way, always gives a good account of himself when in quest of game. Before nine o'clock he had killed six grey squirrels and on the following day he bagged four. Robert Bloom killed four the first day and Archie Moyer brought down three with a .32 calibre rifle, a feat difficult at any time and especially at this time of year when the trees still bear a heavy foliage. Quite a few local hunters bagged two squirrels, and a greater number returned with empty game bags. No pheasants were reported killed the first few days of the season.

Furst, Esq., and decided to have the attractions of the evening consist of dinner, speeches, readings, vocal and instrumental music, and dancing.

Senator Hall is Very Ill.

Little hope is entertained for the recovery of State Senator James Knox P. Hall, who is in a critical condition at the Lakeside Hospital, Cleveland, Ohio.

Since an operation, which was performed Wednesday morning of last week, Senator Hall has been sinking slowly and late reports from his bedside say that he is little improved. His term as State Senator will expire in December.

W. H. Patterson, candidate for State Senator upon the Democratic ticket spent last week among the voters of Centre county. He is meeting with much encouragement. The voters of Centre county, irrespective of party affiliations, are pledging him their support. They want a man in the State Senate who is competent to, and who will, look after the interests of the 34th Senatorial District of the State composed of Centre and Clearfield counties.

If you want another scandal equal to that of the State capitol cleaned up, vote for Mr. McCormick for Governor. It was his money that made it possible for Mr. Barry to expose the capitol scandal, and now another scandal will be exposed if he is elected. Vote for McCormick and help rid the State of another bunch of grafters.

Vance McCormick will be elected Governor of Pennsylvania at the coming general election. He will want the support of true and active Democrats in the Senate and not a Republican who will oppose his policies; therefore vote for W. H. Patterson, who can be relied upon to give Mr. McCormick loyal and efficient support.

Uphold President Wilson.

TOWN AND COUNTY NEWS.

HAPPENINGS OF LOCAL INTEREST FROM ALL PARTS

Robert Meyer, who is employed by the State-Centre Electric Co. at State College, spent Sunday at the home of his parents, Prof. and Mrs. P. H. Meyer.

Mr. and Mrs. James Smetzler left on Monday for Bellevue, Ohio, where they will spend several weeks visiting at the home of Mr. Smetzler's brother, David Smetzler.

Jacob Long of Madisonburg, aged seventy-six years, while picking apples from a tree recently, fell and broke his right hip. Dr. G. S. Frank of Millheim reduced the fracture.

The members of the Reformed church in Lewisburg, the other Sunday, pledged over \$3,000 to pay the remaining debt of \$2500 on the church, Rev. R. L. Gerhart, D. D., pastor.

The Glazier Jubilee Singers will furnish one of the best entertainments a Centre Hall audience will have an opportunity to enjoy. The negro camp-meeting melodies alone will be worth the price of admission.

"Under the Palms," the Biblical musical production, was rendered by a chorus of one hundred and eighty voices in the Lutheran church in Lewisburg with such pleasing effect that the program was repeated on the following evening.

One of the best truckers in this section is M. M. Condo, who is now looking forward to harvesting two thousand and cabbage plants on his small truck farm. Mr. Condo has grown enormous crops of onions, tomatoes and many other vegetables during the past season.

Mr. and Mrs. Robert Welch and little daughter spent a few days at the home of Mr. and Mrs. E. W. Crawford. On Monday they returned to their home in Wayne county, New York. Mr. Welch had been in charge of the evaporating plant which suspended operations Saturday.

A belated announcement, but one that will be read with interest nevertheless, is that Mr. and Mrs. Paul M. Murray of Chicago, Illinois, are the proud parents of a baby daughter that came to their home on the 30th ult. It is the second child in the family and is known by the name of Lois Rebecca Murray.

Mrs. Mary Ross, who had been spending the greater part of the past year with her daughter, Mrs. Lettie Goodhart, suffered for the past week or more with indigestion and a few days ago was removed to the home of her other daughter, Mrs. Sarah Bushman, in Centre Hall. Mrs. Ross is seventy-three years of age and has always enjoyed good health.

Mrs. W. M. Furey of Bellefonte spent a few days beginning of this week at the home of her sister, Mrs. John G. King. While here Mrs. Furey assisted Mrs. King in soliciting for the war orphans and while Mrs. Furey did similar work in Bellefonte under the direction of the W. C. T. U., she stated that the people of Centre Hall gave toward this cause with greater generosity than she observed elsewhere.

The local evaporating plant suspended operations Friday owing to the overstocked condition of the market in this product. As is generally known, Germany was the greatest buyer of Uncle Sam's evaporated apples, but she is not consuming any now and there is no telling how long it will be until she gives us an order. The evaporating plant at Coburn ceased operations Saturday. Hand-picked apples are also hard to dispose of because of the immense crop this fall, not only in Pennsylvania but also in New York, which state produces a quality and quantity of apples second to none.
