

DEATHS.

Daniel P. Shope, esq., died at the home of his daughter, Mrs. T. T. Taylor, in Altoona, Thursday morning, of senility. He was formerly a resident of Milesburg, Centre county, having been a justice of peace at that place for about fifteen years after which he followed farming, continuing in this occupation until 1896, when he retired from active life and went to live with his daughter, Mrs. Millard, at Williamsport, residing at that place until three years ago when he went to Altoona. Mr. Shope was born at Milesburg, December 30, 1824. He was a prominent member of the Presbyterian church at that place, holding the office of elder during his residence there. He was twice married, his first wife being Sarah Shank, who died in 1867. He was later married to Sarah Blair, who died twenty-two years ago. He had eight children to his first wife, three of whom survive: Mrs. Taylor with whom he resided; Mrs. E. Williams and Mrs. Frank Smith, of Missoula, Montana. He is also survived by eight grandchildren and six great-grandchildren. The funeral services were held at the home of his daughter, Mrs. T. T. Taylor, Saturday afternoon.

Mrs. Mary A. Boyd, well known in Bellefonte and Centre county, died suddenly at the home of her cousin at North Chevy Chase, Md. She had resided in Washington for several years. She was aged seventy-six years. She is survived by three relatives: Mrs. E. P. McGuire of Altoona, Mrs. Hastings, widow of the late Governor D. H. Hastings, of Bellefonte; Mrs. Frank McFarlane of Boalsburg, and one half-brother, Captain William Armstrong of Washington, D. C. Funeral services were held Thursday at her late home in Washington, D. C., and interment was made at Harrisburg.

Mrs. Anna E. Barger, wife of Samuel S. Barger, died at 9:10 o'clock Tuesday morning of last week at her home in Altoona. She was born at Potters Mills, July 13, 1862, and is survived by her husband, her mother, Mrs. Charlotte Stiver, one daughter, Charlotte, and three brothers and two sisters, as follows: John A., William H., Ross S. Stiver and Mrs. Martha A. Norman, all of Altoona, and Mrs. Carrie C. Bancroft, of Philadelphia. The funeral took place Thursday afternoon at 2:30 o'clock, private interment being made in Greenwood cemetery.

Smulton Creamery Horror.

Saturday morning at about eleven o'clock the creamery at Smulton was totally destroyed by fire, entailing a loss of \$1500 with no insurance. The cause of the fire is a mystery to the owner of the property, T. M. Gramley of Spring Mills, who operated the creamery as a branch of the Spring Mills plant. Owing to the fact that butter was churned but once a week there was no fire in the engine from Tuesday until Saturday when a little fire was built to prevent the pipes from freezing. The fire, however, when first discovered was consuming a portion of the building opposite the engine room so that the origin of the fire could not be traced to this source.

The Smulton creamery was reduced to ashes Saturday. George Smulton's barn also was on fire but the flames were extinguished before much damage was done. The hay in Zaccubus Stover's barn also had taken fire, caused by the sparks, but was put out quickly by the brave men and women of Smulton and Rebersburg.

The Christian and Rom.

Dr. Stough, before an audience of 9000 men and women in the Harrisburg tabernacle, Sunday morning, spoke on this wise:  
"Religion must be translated into terms of decent living. No man can be a true Christian and keep a saloon where other men sell their souls for drink. No man can follow Christ and ditch from the public treasury.  
"If there is any truth in the teachings of Christ, if there is any justice or righteousness or logic in the scripture, the grafter must give back every dollar he has taken from the people's funds; the rum-seller must pay back the price of the souls he has ruined; the dive-keeper must pay the toll of crime and suffering and misery that he has extorted.

INTERNATIONAL HARVESTER MACHINES

SOME POSITIVE FACTS  
If in need of a manure spreader you cannot buy a better spreader than the LOW SPREAD SPREADER, and in fact, you cannot afford to buy any other. It is noted for its durability and reliability.  
It is an all steel spreader, and being low down makes it easy to load. Wide wheels, which give better traction, and fitted with best lugs known. The position of the rear axle carries a sufficient portion of the weight, thus enabling good work, regardless of the condition of the soil.  
This spreader can be had with or without the wide spread attachment. When the wide spread attachment is used it will spread a width of eight or nine feet.  
Call around at our place of business and let us point out to you many more good features of the LOW SPREAD SPREADER.

I H C engines of all sizes make friends wherever they go.  
This series of advertisements will explain fully why I H C engines are such good value.
