"Welfare Week" Proving Beneficial.

Centre Hall is enjoying a feast of good things for the intellectual as well as the physical being during this week, which is being conducted by Chaplain Charles E. Varney and his wife, Rev. Mecca Marie Varney, under the title of "Welfare Week." Despite the unfavorable weather conditions the attendance on each occasion has been good, the Varneys maintaining an "open door" policy, taking as pay for their work the plate collections which are lifted at each meeting. The afternoon sessions are especially designed for women and girls, and an hour devoted to physical culture training under the direction of Mrs. Varney. Chaplain Varney's evening lectures are inspiring and furnish food for thought. He is equal, in power of speech, to the best lyceum lecturers who have appeared in the several lecture courses in this town. Mrs. Varney is an accomplished woman and is an ordained minister, being pastor of the Christian church. Her part in the welfare work is a highly important one, and mothers would do well to bring their children to the afternoon sessions and learn from her instructions things which have to do with the physical welfare of their little ones. The meetings have for their aim pleasure and purpose and so far have succeeded in fulfilling that mission. The week ends Sunday evening with a sermon lecture by Mrs. Varney. As every meeting is full of interest and every lecture in a way relates to the preceding one, the greatest amount of good will be derived by attending them all.

Harold Pellman Glover, a well known and prominent attorney of Millinburg, died last week, aged within a few days of sixty-two years.

OVER-STOCK SALE

The Above Title Tells the True Meaning of This Sale.

We think that the people of this community are all well aware of the disastrous fire which struck our town, through which we were compelled to keep our store closed for about a week. Before this disaster happened I had gone to New York to buy an entire new stock to replenish my line with the newest creations in all wearing apparel for MEN, WOMEN and CHILDREN. During the period of time our store was closed we received the new stock of goods just purchased. After we had gotten matters in good condition we noticed that our stock was entirely too large for this time of the year.

WHAT ARE WE TO DO?

After we considered the matter, we decided to place all these goods on sale and cut the price on same to HALF, just to be a benefit to our customers, and we hope they all will take full advantage of it.

Here Is Your Opportunity. This Is the Time You Need the Goods and we Have Anything You Need.
