

"CASCARETS" ACT ON LIVER; BOWELS

No sick headache, biliousness, bad taste or constipation by morning.

Get a 10-cent box.

Are you keeping your bowels, liver, and stomach clean, pure and fresh with Cascarets, or merely forcing a passage every few days with Salts, Cathartic Pills, Castor Oil or Purgative Waters?

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret at night will make you feel great by morning. They work while you sleep—never gripes, sickens or cause any inconvenience, and cost only 10 cents a box from your store. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipation. Adv.

Uric Acid in Your Food

Even dogs can eat too much meat. Certainly, many people "dig their graves with their teeth." Few get enough exercise to justify a meat diet, for meat brings uric acid. The kidneys try hard to get rid of that poison, but often a backache, or some other slight symptom will show that the kidneys need help. The time-tried remedy, then, is Doan's Kidney Pills.

A Virginia Case

Erasmus Williams, 1991 Dearing St., Lynchburg, Va., says: "For years my back and kidneys troubled me. I had spells of pain that confined me to bed for days. It was hard for me to stoop and I was miserable. I tried remedies and doctors, but without benefit until I used Doan's Kidney Pills. They removed the pain and ache and corrected the other kidney ailments."

IF BACK HURTS CLEAN KIDNEYS WITH SALTS

Drink Lots of Water and Stop Eating Meat for a While if the Bladder Bothers You.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and to stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.

Ordinary Mortals May Continue to Pronounce Name of French City as They Desire.

"Wasn't it fearful about the Reems cathedral?"
 "Don't say Reems; it sounds horribly ignorant."
 "Well, how do you pronounce it?"
 "Why, Hranza."
 "How?"
 "Hn—Hranhs! Just as if you were clearing your throat. See? Hranhs!"
 "Well, you sound as if you had a dreadful influenza, threatened with grippe!"
 "Well, that's right, anyhow. H—hn—hnh—hranhhs!"
 "You'd better go to Arizona! You'll never get well here! I don't believe you, anyway. Everybody says Reems."
 "They don't, either!"
 "Oh, well, it depends on the sort of people you associate with—"

"Well, I don't go with a lot of fake highbrows, anxious to show off the French they learned in a course of lessons by mail—"
 "Better than a lot of country junks who don't know how to pronounce—"
 "Oh, well, the church wasn't hurt much, anyhow."
 "No, they say it can be repaired. How do you like my hat?"
 "Heavenly! What do you think of mine?"
 "Adorable! Let's go in and have soda."
