Former Sheriff Brungart sold his farm in Potter township, near Tusseyville, to William Bower, the price being \$7500. This is the farm mention was made of in last week's issue as having been contracted for by George Horner and later having annulled the agreement. Mr. Bower paid the same sum as Mr. Horner had agreed to. The farm will te tenanted by Mr. Bower's son-in-law, Frank Dashem, who is abundantly able to successfully conduct it. Mr. Brungart, on passing papers for Those interested in fruit growing the sale of his Potter township farm, bought the Brungart homestead, one mile east of Wolf's Store, the same having been purchased by Z. D. Thomas of Aaronaburg from the Brungart executors in 1899 for \$5500. The farm contains 248 acres, 150 of which are under cultivation, the other being pasture and wood land. Mr. hcuse. Brungart thinks he made a very good purchase, having paid \$100 less than the farm was sold for. The present tenant, Mr. Smith, will continue there for at least a year.

were given two valuable lectures in Grange Hall, Friday evening of last week, by speakers sent out by Pennsylvania State College, the gentlemen being Prof. Fagan and Prof. Mason.

The meeting was held under the auspices of the Centre County Fruit Grovers Association, and was presided over by Cyrus Brungart, president of the body. One of the lectures was devoted to spraying and the other to the sale and packing of fruit.
