

WOMAN COULD NOT SIT UP

Now Does Her Own Work. Lydia E. Pinkham's Vegetable Compound Helped Her.

Ironton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedies a year and I can do my work and for the last eight months I have worked for other women, too. I cannot praise Lydia E. Pinkham's Vegetable Compound enough for I know I never would have been as well if I had not taken it and I recommend it to suffering women."

Daughter Helped Also.

"I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights. Now she looks so healthy that even the doctor speaks of it. You can publish this letter if you like."—Mrs. RENA BOWMAN, 161 S. 10th Street, Ironton, Ohio.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

JOKE WAS ON INVESTIGATOR

He Had An Idea It Was on Restaurant Proprietor, but It Turned Out Otherwise.

The late Norman B. Ream, the organizer of the steel trust and many other important corporations, once said to a New York reporter about a trust investigation:

"Maybe these investigations will have the same luck as the game warden."

"A game warden heard that a restaurant was serving a game out of season. He disguised himself with a false beard, visited the place and ordered a pheasant.

"The pheasant, delicately high like quorum cheese, as well as all good pheasant should be, was served to the game warden, and he devoured it to the last morsel, at the same time inflicting severe punishment on a bottle of rare old Burgundy—for the state, of course, paid for all.

"At the end of his repast the game warden summoned the proprietor and said:

"I arrest you, sir, in the name of the law!"

"The proprietor's mouth opened in astonishment. He swallowed two or three times, then he gasped:

"Wh—what for?"

"For serving me a pheasant out of season," said the game warden.

"A look of relief appeared on the proprietor's face.

"Oh," he said, "that wasn't pheasant. It was crow."

A Roland for an Oliver. Manager—I say, can we get anything like a real doctor in this town to attend a sick actor?

Village Inhabitant—Sure. Just go to that corner grocery. You'll find a man there who's all right at curing hams.

CRIPPLED WITH RHEUMATISM CURED BY YAGER'S LINIMENT

SOME TESTIMONY
"My wife was so crippled with Rheumatism that she could hardly walk. After trying everything else without getting any relief I was persuaded to try Yager's Liniment. The first bottle acted like a charm and afforded immediate relief and after using 3 bottles she was entirely well and doing her work with perfect ease and comfort."
"Not long since she had another attack in the shoulder, once more I used Yager's Liniment with the same result. We are never without a bottle in the house. I recommend it most highly."
THOMAS MOORE, Proffit, Va.

ELIXIR BABEK WORTH ITS WEIGHT

IN GOLD IN THE PHILIPPINES. A contracted malaria in 1905, and after a year's fruitless treatment by a prominent Washington physician, your Elixir Babek entirely cured me. On arriving here I came down with tropical malaria—the worst form—and sent home for Babek. Again it proved its value—it is worth its weight in gold here. Braside O'Hagan, Troop 2, 8th U. S. Cavalry, Balayan, Philippines.

Torturing Twinges

Much so-called rheumatism is caused by weakened kidneys. When the kidneys fail to clear the blood of uric acid, the acid forges into crystals, like bits of broken glass in the muscles, joints and on the nerve casings. Doan's Kidney Pills have eased thousands of rheumatic cases, lumbago, sciatica, gravel, neuralgia and urinary disorders.

A Virginia Case

A. Umberger, Every Place, Spiller St., Wytheville, Va., says: "I was a storekeeper and a heavy lifting brought on kidney trouble. The pains in my back were so bad I could hardly straighten. My wife and I were in the hospital for weeks. It was all I could do to get up. Doan's Kidney Pills rid me of the pains, strengthened my back and kidneys and fixed me up all right."

Selfish Automobillist.

In an argument about world politics—well politik—Senator Lodge said the other day in Boston:

"The morality of too many governments seems as frankly selfish and as frankly unjust as the man Smithers."

"As Smithers, Havana in mouth, came out of an expensive restaurant and started to get into his automobile a creditor held him up.

"I tell you what it is, Mr. Smithers," said the creditor, "you wouldn't go riding round in a fine automobile like that if you paid your debts."

"Ha," said Smithers, "quite right! My point of view exactly! Glad to know you're in agreement with me. The golf club, Alphonse."

Then Was the Time.

Dr. Winnington Ingram, the bishop of London, is possessed of a somewhat cynical wit. He was once engaged in conversation with a very bumptious man, who was boring him terribly.

"What a fine life a bishop's must be!" exclaimed the bore, enthusiastically.

"I would give anything to change places with your lordship for just one hour to experience what it must be like."

"Ah," replied Doctor Ingram, fervently, "I wish you could this very moment."

Plan Humane Sunday in May.

The American Humane association, a federation of societies and individuals for the prevention of cruelty, requests clergymen of all denominations throughout the country to observe Sunday, May 23, as Humane Sunday, calling attention to the need for protection for suffering and helpless children, and also for unfortunate animals.

Dr. Wm. O. Stillman, president of the association, Albany, N. Y., will send literature to all persons interested in the work of humane societies.

How "Sam" Registered.

Not far from Lexington lives a young farmer, "Sam" Woolridge, who found occasion to stop at the Phoenix, in Lexington. Just before Mr. Woolridge registered, James B. Haggin of New York, owner of the beautiful Elmendorf stock farm, walked to the desk and wrote, "James B. Haggin and Valet, New York."

Mr. Woolridge was the next to register, and this is what he wrote: "Sam Woolridge and Valise, Versailles."

The Beady Vine.

Singing was just over in the kindergarten, and immediately a small hand flew up.

"What is it, Alice?" asked the teacher.

"I want to know what is a beady vine," asked the little girl timidly. "I always wonder what kind of a vine it is when we sing that song, 'Little lives may beady vine'" (be divine).

Her Patience Wearing Out.

Little Lola had been censured for some mischief she had been engaged in. After thinking it over for some time she exclaimed: "Oh, I do wish I had a baby brother!"

"Why do you wish that?"

"Cause," she replied, "this thing of being scolded for everything that happens around this house makes me tired."

Knew Where He Was Headed.

The story is told of a very crusty, gouty old gentleman who lost his patience with his doctor, because he did not make enough fuss over the pain he suffered.

"Doctor," he cried out, twisting and turning because of the agony, "you don't understand! You don't seem to grasp the case! You talk as though there were nothing the matter with me, whereas, I assure you, I am enduring the torments of the lost!"

"What, already?" replied the doctor.
