A union prayer meeting will be held in the Reformed church Friday evening at 7:30 o'clock. Everybody is invited.
A Children's Day service will be held by the Murray Union Sunday-school, in the Murray school building, Sunday evening.
More than 150,000 horses have been shipped from the National Stock Yards in Illinois to be used in the armies of the Allies.
There was a flood of automobiles through Centre Hall on Sunday. The light rain in the morning settled the dust, so that the day was an ideal one for motoring.
Roy Miller of Charlotte Court House, Virginia, is spending a short vacation with his family at Tusseyville, and on Tuesday he and Mrs. Miller made a trip to Centre Hall.
At a special meeting of the borough school board on Tuesday evening the tax rate was fixed at the same figure as last year, namely, six mills for school purposes and two mills for building.

One of the handsome granite monuments in the Heckman cemetery, below Penn Hall, marks the resting place of Mr. and Mrs. John Shook, and is the work of H. G. Strohmeier, the local marble dealer. The monument is one of unusual fine proportions, and the lettering fully upholds the dealer's good reputation as an artisan.

Millheim's Evangelistic Campaign.

Interest in the evangelistic campaign in Millheim is reaching fever heat. Half of the six weeks' campaign is completed and the results show that about one hundred and fifty persons have accepted Christ and the number is steadily increasing. During the past week the meetings have been so well attended that the tabernacle failed to hold all who wished to hear Evangelist Brown in his forceful and damaging attacks on sin and vice. Interest in religious matters appears to be getting a mighty grip upon many of the people of the community.
Thursday night was "Booster's Night." About one hundred children, all under twelve years of age, occupied the choir and gave some splendid selections which were highly appreciated by all. Mr. Goodwin has won the hearts of the children and they are doing their part nobly. Friday night a large crowd was present and enjoyed the special music, this being "Musical Meeting." On Sunday morning the meeting took the nature of a consecration service again and those who were present assert that it was one of the best services held up to the present time. Sunday afternoon at 3 o'clock about eleven hundred women came and listened to the special address which was given to women only. Evangelist Brown has a way of presenting the truth along the line of questions of vital importance in life, which leaves the message of truth impressed on the hearts of the hearers in a way that can not be shaken off. A large crowd was in attendance in the evening. The subject of the evening was, "The unpardonable sin." The message was presented in a way that cleared up much of the cloudy atmosphere of doubt and fear in the hearts of many. Twenty-five or more persons hit the trail at the conclusion of the service, this being the largest number that ever surrendered to the Lord during the campaign at any one time.
The meetings are just rightly getting hold of the people and hopes are running high for a great gathering of souls before the meetings close.

New P. M. at Lemont.

John J. Williams was recently appointed postmaster at Lemont to succeed John Mitchell who has been an efficient postmaster at that place for a period of fifteen years. It is presumed Mr. Williams will enter upon the duties of his appointment July 1st, which is the beginning of the new quarter in postoffice business. The location of the postoffice will be changed, as Mr. Mitchell has been conducting it in connection with his hardware business and in the same room.
