If you desire to vote for a person whose name is not on the ballot, write or paste his name in the blank space provided for that purpose. A cross (X) in the party square in the first column does not carry a vote for any Judge or for any Non-Partisan candidate for any office. PROPOSED AMENDMENTS TO THE CONSTITUTION.

A cross [X] marked in the square at the right of the word "YES", indicates a vote FOR the Amendment. A cross [X] marked in the square at the right of the word "NO", indicates a vote AGAINST the Amendment.

PROPOSED AMENDMENT TO THE CONSTITUTION NO. 1		YES	NO
Shall Section One of Article Eight of the Constitution be Amended to read as follows? <small>Section 1. Every citizen, male or female, of twenty-one years of age, possessing the following qualifications, shall be entitled to vote at all elections, subject, however, to such laws requiring and regulating the registration of electors as the General Assembly may enact: First. He or she shall have been a citizen of the United States at least one month. Second. He or she shall have resided in the State one year (or, having previously been a qualified elector or native-born citizen of the State, he or she shall have removed therefrom and returned, then six months) immediately preceding the election. Third. He or she shall have resided in the election district where he or she shall offer to vote at least two months immediately preceding the election. Fourth. If twenty-two years of age and upwards, he or she shall have paid within 2 years a state or county tax, which shall have been assessed at least 2 months and paid at least 1 month before the election. Fifth. Wherever the words "he" or "his", "him" and "himself" occur in any section of Article VIII of this Constitution the same shall be construed as if written respectively, "he or she," "his or her," "him or her," and "himself or herself."</small>		<input type="checkbox"/>	<input type="checkbox"/>

PROPOSED AMENDMENT TO THE CONSTITUTION NO. 2		YES	NO
Shall Section Eight of Article Nine of the Constitution be Amended to read as follows? <small>Section 8. The debt of any county, city, borough, township school district, or other municipality or incorporated district, except as herein provided, shall never exceed seven per centum upon the assessed value of the taxable property therein, nor shall any such municipality or district incur any new debt or increase its indebtedness to an amount exceeding two per centum upon such assessed valuation of property, without the consent of the electors thereof, at a public election in such manner as shall be provided by law; but any city, the debt of which on the first day of January, one thousand eight hundred and seventy-four, exceeded seven per centum of such assessed valuation, and has not since been reduced to less than such per centum, may be authorized by law to increase the same three per centum in the aggregate, at any one time, upon such valuation. The city of Philadelphia, upon the conditions hereinafter set forth, may increase its indebtedness to the extent of three per centum in excess of seven per centum upon such assessed valuation for the specific purpose of providing for all or any of the following purposes—to wit: For the construction and improvement of subways, tunnels, railways, elevated railways, and other transit facilities; or the construction and improvement of wharves and docks and for the reclamation of land to be used in the construction of wharves and docks, owned or to be owned by said city. Such increases, however, shall only be made with the assent of the electors thereof at a public election, to be held in such manner as shall be provided by law. In ascertaining the borrowing capacity of said city of Philadelphia, at any time, there shall be excluded from the calculation a credit, where the work resulting from any previous expenditure, for any one or more of the specific purposes hereinabove enumerated shall be yielding to said city an annual net revenue, the amount of which credit shall be ascertained by capitalizing the amount of net revenue during the year immediately preceding the time of such ascertainment. Such capitalization shall be accomplished by ascertaining the principal amount which would yield such annual, current net revenue, at the average rate of interest, and sinking fund charges payable upon the indebtedness incurred by said city for such purposes up to the time of such ascertainment. The method of determining such amount, so to be excluded or allowed as a credit, may be prescribed by the General Assembly. In incurring indebtedness for any one or more of said purposes of construction, improvement, or reclamation, the city of Philadelphia may issue its obligations maturing not later than fifty years from the date thereof, with provision for a sinking fund sufficient to retire said obligation at maturity, the payments to such sinking fund to be in equal or graded annual instalments. Such obligations may be in an amount sufficient to provide for and may include the amount of the interest and sinking fund charges accruing and which may accrue thereon throughout the period of construction and until the expiration of one year after the completion of the work for which said indebtedness shall have been incurred, and said city shall not be required to levy a tax to pay said interest and sinking fund charges as required by section ten of Article nine of the Constitution of Pennsylvania, until the expiration of said period of one year after the completion of such work.</small>		<input type="checkbox"/>	<input type="checkbox"/>

PROPOSED AMENDMENT TO THE CONSTITUTION NO. 3		YES	NO
Shall Section Twenty-one of Article Three of the Constitution be Amended to read as follows? <small>The General Assembly may enact laws requiring the payment by employers, or employers and employees jointly, or reasonable compensation for injuries to employees arising in the course of their employment and for occupational diseases of employees, whether or not such injuries or diseases result in death, and regardless of fault of employer or employee, and fixing the basis of ascertainment of such compensation and the maximum and minimum limits thereof, and providing special or general remedies for the collection thereof; but in no other case shall the General Assembly limit the amount to be recovered for injuries resulting in death, or for injuries to persons or property, and in case of death from such injuries, the right of action shall survive, and the General Assembly shall prescribe for whose benefit such actions shall be prosecuted. No act shall prescribe any limitations of time within which suits may be brought against corporations for injuries to persons or property, or for other causes, different from those fixed by general laws regulating actions against natural persons, and such acts now existing are avoided.</small>		<input type="checkbox"/>	<input type="checkbox"/>

PROPOSED AMENDMENT TO THE CONSTITUTION NO. 4		YES	NO
Shall the Constitution be Amended to read as follows? <small>Laws may be passed providing for a system of registering, transferring, insuring of and guaranteeing land titles by the State, or by the counties thereof, and for settling and determining adverse or other claims to and interest in lands the titles to which are so registered, transferred, insured and guaranteed, and for the creation and collection of indemnity funds; and for carrying the system and powers hereby provided for into effect by such existing courts as may be designated by the Legislature, and by the establishment of such new courts as may be deemed necessary. In matters arising in and under the operation of such system, judicial powers, with right of appeal, may be conferred by the Legislature upon county recorders and upon other officers by it designated. Such laws may provide for continuing the registering, transferring, insuring and guaranteeing such titles after the first or original registration has been perfected by the court, and provision may be made for raising the necessary funds for expenses and salaries of officers, which shall be paid out of the treasury of the several counties.</small>		<input type="checkbox"/>	<input type="checkbox"/>
