will be awarded the
writer of that letter,
listing the largest
number and the most
practical uses for
kerosene, other than
lighting and heating.
The value of this
stove is
\$33.00

It has every feature
that will in the slight-
est contribute to
better cooking with
lessened effort. It
combines a four-
burner stove, fireless
cooker, oven cabinet
and warming shelf
in one compact, yet
roomy, cooking de-
vice.

2d Prize
New Perfection
Oil Cook Stove
No. 3

There are five of
these handsome sub-
stantial three-burner
stoves offered as
second prizes. They
will be given to the
writers of the five
second longest and
best lists of kerosene
uses. These stoves
sell for \$10.75 each,
strongly made, simple
to use, economical of
kerosene and help you
cook better and lessen
your work.

3d Prize
Perfection
Smokeless Oil
Heater No. 230

Think of it, ten heaters
as third prizes—
and they'll make the
homes of the ten suc-
cessful housewives
brighter, cosier and
warmer during these
cold weather months.
And all you have to
do to get one, is to be
one of the writers of
the third ten most
lengthy lists of prac-
tical kerosene uses.
These third prizes,
beautifully finished in
blue, cost \$4.55 each
at the stores.

4th Prize
Perfection
Smokeless Oil
Heater No. 430

Ten fourth prizes,
each costing \$4.85,
enamel in a tasty
blue, and each as
good a heater, from
the standpoint of
service as money can
buy. It's not going to
take a whole lot of
thought to send in
sufficient kerosene
uses to win one of
these prizes, and they
do make the home
happier, because they
stop the complaints of
cold and keep the
family smiling.

9th Prize
Rayo Lamps

Thirty-four beautiful
RAYO LAMPS con-
stitute the eighth
group of prizes. They
will be awarded just
as are the other prizes.
These lamps sell for
\$1.50 each, and no
more handsome lamp
can be imagined nor
can one be bought at
any price, that gives a
clearer, softer light or
one that is as clean to
use.

100 Free Prizes for You Women Who Tell Us the Most Uses for KEROSENE

It's past belief how many women, good housewives too, think that kerosene is good only for lighting and heating. But then, of course, there are other hundreds of you who know its uses are almost boundless.

Some tell us they've tried kerosene as a floor polish—and find it splendid—that it will preserve the finish and beauty of a fumed oak set table that the most costly dressing, and, mixed with whitening, with almost no rubbing, will make nickel trimmings glisten. Then, for cleaning the porcelain bath tub, nothing equals kerosene. It leaves it shining snowy white.

What Do You Do With Kerosene?

What are your pet methods for making kerosene work for you? You are probably acquainted with many helpful, practical uses, if you'll only just take a little time and dig them up, out of the store of your household experience.

Write down all you can think of. Send your list to the Contest Department of the Atlantic Refining Company, and you're just as likely as not to be one of the fortunate winners of any one of the 100 valuable prizes pictured in this advertisement.

It's ordinary common sense and not fancy composition that'll win these useful, handsome awards. All we want you to do is just tell us in your own way how you have found kerosene useful around the house.

The letter that lists the greatest number and the most practical uses for kerosene will win the first prize—a \$33 New Perfection Oil Cook Stove—a prize well worth getting, for it surely does lighten the drudgery of cooking.

The next best five letters will be judged on the same basis, and for the writers of these there are five New Perfection Oil Cook Stoves (each valued at \$10.75) to make work easier in the homes of five enterprising housewives.

In the same way the remainder of the 100 desirable prizes will be awarded. Read the list at the left.

Was there ever a chance to get so much for so little effort—no work, only a little thinking necessary—just write what your housework has taught you, but please use only one side of the paper and be certain your letter reaches us before December 1st, 1915, for on that date this contest positively closes.

Remember, the greater the number of uses you submit and the more practical each is, the more certain is the chance of your securing any one of these hundred splendid prizes.

Don't wait till the last day, but begin making up a list immediately—the longer the list the better your chance.

The Atlantic Refining Company Philadelphia

Besides the illustrated prizes, there are ten fifth and an equal number of sixth, seventh and eighth prizes, all splendid, serviceable Perfection Oil Heaters which your dealer sells for \$3.80, \$3.70, \$3.60 and \$3.30, respectively.
