Biederwolf Evangelistic Party Endorses Weaver Piano.

"We shall always use Weaver Pianos when we can get them. We never had anything to equal them in tone quality, smoothness of scale and power. They are equal to both the soft, sympathetic effects of solo accompaniment and the brilliant, powerful, fortissimo effects so essential to chorus and orchestra work."

William McEwan,
Soloist and Chorister with Dr. Biederwolf.

Two Weaver Pianos are being used at York, Pa., in the Biederwolf Tabernacle, which seats 7,000 people, besides the choir of 951 and the orchestra of 75. They are used under trying conditions and the above was written after four weeks' use. Mr. McEwan is the world's sweetest Gospel Tenor and has an international reputation. For fifteen years he has been singing for the Columbia Graphophone Co. and his records are in tremendous demand. His home is in Binghamton, N. Y.

WEAVER PIANOS MAKE BEST CHRISTMAS PRESENTS

Nine-tenths of all Christmas presents wear out quickly, depreciating rapidly with use. The Weaver Piano, on the contrary, has an intrinsic value little affected by length of use. Moreover, it is an instrument from which you draw daily dividends of useful service and delight of ownership. The Weaver Piano is nearly as valuable intrinsically, and much more so sentimentally, after twenty years use, as the day you buy it.

PRICES: \$400.00 to \$850.00

Other reliable Player Pianos and Pianos: \$148.00 and up
