Evidently the burglar who entered the home of L. F. Baker, Lemoyne, and took a violin and case, valued at \$65, and a piccolo, worth \$25, was of a musical turn of mind, for he neglected a pocketbook containing a sum of money in plain sight.

Because he held a chicken raffle, November 23, at his hotel in Franklin Township, residents of the district have filed a remonstrance against renewing the license of William Waik. It is one of the oldest hosteries in Carbon county.

In addition, the forms for the taxation of corporations under the Acts of 1915, and for the operation of the escheat Act are being issued.

Farmers Urged To Advertise.

That improved marketing facilities are the chief need of the modern farmer and that advertising presents the best solution of the marketing problem were the lessons learned by the farmers attending the sessions of the six day course in agriculture at State College. Another lesson showed that the unprofitable cow loans on the job, eating her owner's hay and grain without making adequate returns in milk and butter fat, and that steers fed on common Pennsylvania rations of corn and cobmeal bran, corn stover and mixed hay showed a net loss per steer of about \$8 a year.

F. D. Gardner, professor of agronomy at State College, said experiments showed that alfalfa could be successfully in Pennsylvania, that it is a benefit to the soil and that in acre of alfalfa produces twice as much hay as an acre of red clover. Prof. J. W. Hammond, of the Ohio Experiment Station, recommended sheep raising for mutton rather than for wool and predicted good prices for lambs for years to come. Howard W. Selby, of Philadelphia, told the farmers how to sell things, declaring that in his opinion honest grading and packing of farm products were the best advertisements needed to dispose of a crop profitably.

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, acid, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour taste to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep the bowels and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your druggist or at the store. It is inexpensive and almost tasteless, except a sourish tinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you feel before your blood, nerves and muscles become saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast, act on the stomach, liver, kidneys and bowels.—Adv.

Right.

Harold had just finished reading a newspaper when he turned to his father and said:

"Pa, I know why editors call themselves 'we'."

"Why?" asked his father.

"So's the man that doesn't like the paper will think there's to many people for him to lick."

BILIOUS, HEADACHY, SICK "CASCARETS"

Gently cleanse your liver and sluggish bowels while you sleep.

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes constipation and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your liver clear, stomach sweet and your head and bowels regular for months. Adv.

The Shorter the Better.

The barber, just beginning to cut a customer's hair, said:

"Have you heard that story about the man that— (resembling the hair-cutting) 'want it short, sir?'"

"Yes," answered the customer, a tired editor; "a bare synopsis will do."

What the Doctor Knows KIDNEYS MUST BE RIGHT TO INSURE HEALTH

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. Therefore, it is particularly necessary to pay more attention to the health of these important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

When your kidneys require attention, get Swamp-Root at once from any pharmacy. It is sold by every druggist in bottles of two sizes—50c and \$1.00.

However, if you wish first to test this great preparation, send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.
