MR. PALMER, NATURALLY.

Mr. A. Mitchell Palmer's recent announcement that he is a candidate for reelection as Democratic national committeeman from Pennsylvania is a natural sequence to his splendid efficiency and an inspiration to the thousands of Democrats who regard him as their leader in the councils of their party.

Mr. Palmer is the logical man for the place he now occupies. His intimate relationship with President Wilson and the other national leaders equip him with a capacity for the place which none will, or dare question.

Under his brilliant leadership in congress and in the state organization, Democracy in Pennsylvania has lost the sinister brand of bipartisanship which once burdened it. It has become the virile, fighting association for good government that its founders intended it to be and which the people have a right to possess.

It is due to his and his associates' work that the Democratic party in Pennsylvania is the only political organization, free of the suspicion that it will compromise principle to feed on political promises. Recent developments show that it is the one hope for Pennsylvanians who believe in principle.

Mr. Palmer's announcement that he is willing to continue this crusade for better things and will permit the use

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; noise which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
