AMERICANS GROW IN SHORT ORDER RICH IN CANADA

Testimony Proves Falseness of Statements as to Onerous Taxation and Conscription.

"The attempt to check emigration from the United States to our prairie provinces by publishing alarming statements about the enormous war taxes that are being paid here-\$500 on a quarter section yearly-about forcing young men to enlist for the war; about the cold, no crops and any old story that by their extravagant bold ness might influence men and women from venturing north to Canada, is really in the list of curios to our people Knowing the country, we can hardly take it seriously. Our governments. however, dominion and provincial, are taking steps to expose the false state ments that are being made, and there by keep the channel open for continu ing the stream of settlers that has been flowing to us for the past decade. We have thought to assist in this work, and to do so purpose giving. from time to time, actual experiences of Americans who have come to Saskatchewan during late years We give the statements of two farmers in this issue as follows: --

STATEMENT OF M. P. TYSDAL

I lived near Lee, Illinois, for 46 years. I came to Saskatchewan in the spring of 1912 and bought land near Briercrest. I have farmed this land 1,680 acres, ever since. I have had grand crops In 1914 I had 100 acres of wheat that yielded 40 bushels to the acre. I sold this wheat at \$1.50 per bushel

1 like the country and my neighbors My taxes on each quarter section (160 acres) are about \$32 a year. This cov ers municipal tax, school tax, hall in surance tax-everything. There is no war tax, so-called. I like the laws in force here. There is no compulsion to me in any way. I am just as independent here as I was in Illinois, and I feel that my family and I are just as well protected by the laws of the province as we were i- our old home in Illinois What I earn here is my own. I have seven children and they take them places at school, in sports and at all public gatherings the same as the Canadian born

STATEMENT OF STEVE SCHWEITZ BERGER I was born in Wisconsin, but moved

with my parents when a boy to Stephen Co. lowa | was there farm ing for 50 years. 1 sold my land then for over \$200 an acre. I moved to Saskatchewan, and located near Brier. crest in the spring of 1912. I bought a half section of land. I have good neighbors. I feel quite at home here @98. the same as in lowa. We have perfect safety and no trouble in living up to the laws in force. My taxes are about \$65 a year, on the half section for everything I have had splendid crops. Wheat in 1915 yielded me over 50 bushels to the acre. That is more than I ever had in lowa and yet the land there costs four times as much as it does here. The man who comes here now and buys land at \$50 an acre or less gets a bargain. 9.50. (Signed) S. SCHWEITZBERGER. February 9th. 1916"

IF BACK HURTS CLEAN **KIDNEYS WITH SALTS**

Drink Lots of Water and Stop Eating Meat for a While If the Bladder Bothers You,

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the cidneys occasionally. You must reieve them like you relieve your bowels; removing all the acids, waste and ooison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is loudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste Nearly all the European monarchs get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water beforebreakfast for a few days and your kidneys will then act fine and bladder To half pint of water add 1 oz. Bay Rum, a disorders disappear. This famous salts is made from the acid of grapes and glycerine. Apply to the hair twice a week until it becomes the desired shade. Any drug-gist can put this up or you can mix it at home at very little cost. It will gradually darken streaked, faded gray hair and re-moves dandruff. It is excellent for failing hair and will make barsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.—Adv. lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is. nexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder discases .--- Adv.
