**The Tuxedo Hour**  
by Walt Mason

Tuxedo's bully all the time; it makes the passing hours sublime, and by its soft and gracious curves it soothes the soul and rests the nerves, and fills my bosom, once again, with peace on earth, good will to men. But best I like it when I've fed this face of mine with jam and bread. When I have dined on Irish stew and beans and boiled potatoes, and pie and eggs and cheese and tripe, 'tis then I best enjoy my pipe. When from the table I withdraw, I grip my briar with my jaw, and fill it with Tuxedo mild—the pure Tuxedo undefiled—and smoke away in perfect bliss; no pleasure can compare with this. And in the curling smoke I see a world that seemeth good to me. A world that's debonair and gay, its woes and worries done away. The plans that seemed foredoomed to fail, the work that seemed of no avail, now wear the rosy glow of hope, and I endorse all sunshine dope. 'Tis thus in my Tuxedo hour; the world that seemed so dark and dour, is blooming like a rose of spring, and I'm in mood to laugh and sing.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
