Synthetic Eggs.

An Austrian scientist of Graz is said to have been making synthetic eggs. He has been able to extract the albumen contained in the blood of bullocks, sheep, pigs, and other ani mals slaughtered for human consumpttion, and to present it in such a form that it has no trace of its origin, either in taste or smell. As prepared by his system, it is a coarse, yellow powder to which he has given the name of baematab. His process has already been applied in a number of German and Austrian abattoirs, and baematalb is in use in many hospitals of the Central empires as a substitute for eggs It dissolves in water, and can also be used in the preparation of pastry and other dishes.

Considerable of a Snub. Mr. Asquith recently administered a grim snub to a certain M. P. Some time ago, on the death of a noted public man, there was a great deal of gossip as to who should succeed him. The M. P. in question had a friend whom he wished to get the appointment, and, determined to be first in the field, be went to Mr. Asquith on the day after the late holder of the post had died. "May my triend So-and-so have Mr. Blank's place?" he asked, eagerly 'He may," answered Mr. Asquith gravely, "if he thinks the coffin will fit him comfortably!"-London Mail.

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household. Necessity. Doctor Called it a Miracle.

- All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house." - Mrs. Frank Knobl, 1642 Fulton St., Harrisburg, Penn

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are noted like there."—Mrs. K. R. remedies in the house as there are none like them."—Mrs. F. E. Yosr, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.-"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Dichlard Variable Company and with the third Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DELETERS A CARDON ST. Troy Hill Pittsburg Penn DUERRING, 34 Gardner St., Troy Hill, Pittsburg, Penn.
