

Pleasant Gap.

Miss Ida Bell, of State College, spent Sunday with her mother.
Mrs. Frank Knarr, of Bellefonte, spent Thursday with her parents.
Mr. and Mrs. Ralph Riddle spent Sunday with Mrs. Riddle's parents at Bellefonte.
Mrs. Andrew Garver is spending a few days among friends at State College.
Miss Peters, of Milesburg, is spending a few days at the Harry McClintock home.
Miss Anna Rimmey is paying a visit to her uncle, William Rimmey, at Jersey Shore.
Baseball bats seem to be trump in Pleasant Gap at present. Too bad some of them are not more effective.
Elmer Mueser, of Pittsburgh, is paying a visit among friends at Pleasant Gap.

Mrs. Daniel Houser and sons, of Erie, are visiting friends and relatives at this place.
Mr. and Mrs. Samuel Noll are rejoicing over the arrival of a young son.

Mr. and Mrs. William Bilger and son, of Bellefonte, spent Saturday and Sunday at the Colden home.

Miss Elsie Herman has returned from Lock Haven where she has been attending the Lock Haven Normal school.

Ralph, the young son of William Durkie, was badly burned about the face and body while playing with matches, Monday morning. He was removed to the Bellefonte hospital. Later—the little lad died on Tuesday night, aged two years.

A great many of our people attended the farewell demonstration given Troop L at Bellefonte, Saturday night. Those from this place leaving with the Troop were George Wise, Fred Yeager and Edward Sunday.

The Pleasant Gap team defeated the Linden Hall nine Saturday on the home ground, 9 to 1. The visitors could find Lose for only three hits of the scratch variety, while the home team hammered Ross all around the lot. Following is the official score:

PLEASANT GAP	AB	R	H	O	A	E
Hille, ss.	3	0	1	0	2	1
Muldinger, lf.	4	0	1	0	0	1

Struck out, by Lose, 8; by Ross, 12. Base on balls, Lose 1; Ross 2. 3 base hits, Gentzel.

Colyer.

Miss Bertha Miller spent Wednesday with Miss Grace Horner.
Miss Dora Wingard and son Lloyd returned to State College Friday after spending a few days at home.
Daniel Jordan, mother and brother Samuel, paid their sister, Mrs. Harvey Horner, of near State College, a visit last Wednesday.
Elmer Miller and sister, Miss Bertha, and Wilbur Runkle started in on Monday to take the summer course for teachers at State College.
Miss Willa Weaver is paying her aunt, at Farmers Mills, a few days' visit.

Charles Miller made a business trip to Bellefonte, Tuesday.

Mr. and Mrs. P. B. Jordan spent Sunday afternoon at Potters Mills with friends.

Mr. and Mrs. A. J. Weaver entertained a car load of friends from State College and Philadelphia, Friday.

Potters Mills

From last week.
Cyrus Colyer and wife of Pittsburgh spent a short time at this place.

Ammon Bubb and children, of Reedsville, spent Sunday at the John Wilkinson home.

Mrs. William McCormick and Mrs. George McCormick and children spent Saturday at Centre Hall.

Roy Smith, who has been working in the shell department at Burnham, has been laid off on account of lack of orders.

The Odd Fellows decorations at Spruce town on Sunday were very pretty.

Mrs. Reuben Barger, of Reedsville, spent a week at the hotel.

Boyd Smith purchased a new buggy.

Blaine Palmer was unfortunate to step on a nail, which gave him a very sore foot.

Money for Improving Rural Post Roads.

Expenditure of about \$5,000,000 annually in improving rural post roads is proposed in a bill favorably reported by the House Postoffice Committee. It would permit the Postmaster General to use unexpended balances and surplus postal revenues on improvement of the condition of country roads, instead of turning them back into the treasury.

SLIGHT E. F. D. ROUTE CHANGES.

Bad condition of Roads and for Better Service Basis of Change.

Slight changes on both the rural mail route from Centre Hall will go into effect Saturday, July 1st, the basis of change being on account of bad condition of roads and for better service.

Route No. 1, W. F. Keller, carrier, will follow the present route until reaching the Kerr corner, from where it will lead northwest to Goodhart corner, northwest to Burkholder corner, southwest and south to Runkle corner, thence to Floray corner. This will omit the trip from Kerr corner via Red Mill and J. C. Vonada, and the road by the Dr. Lee farm, reducing the length of the route from twenty-eight and three-tenths miles to twenty-six and four-tenths miles.

Route No. 2, J. A. Wagner, carrier, will be changed on account of the bad condition of the road from Isaac Smith's to Penna Cave, which is a private road. The carrier will go from Centre Hall to the Gardner Grove corner, thence

Miles	
Southeast by Smith corner and Union church to Rishel corner.....	1.30
Northeast to Long (or Rossman) corner.....	1.03
Northeast and north by Penna Cave to Ream corner.....	.70

The present route will then be followed, including the Long retrace, Farmers Mills is reached, thence by J. K. Bitner and Zubler farms to Ilgen corner, just west of the Wallace Ilgen residence. This change necessitates the lengthening of the route a trifle over one mile.

Parties who must change their mail boxes are these: B. Gardner Grove, Isaac Smith, Harvey Wert, J. A. Long, G. W. Long, J. A. Eungard, D. J. Vonada, Mrs. C. G. Armbruster, Harvey Hegen, Emanuel Eungard, J. Wes Foreman, J. W. Ilgen, Charles Eungard, Harry Corman, Wallace Ilgen.

Another change on this route is an innovation in this section, and provides for a U. S. collecting box at Green Grove. The carrier from Spring Mills (Mr. Brown) will deliver mail for patrons along the south side of Brush Mountain, who desire it, to the collecting box, and then it will be picked up by Carrier Wagner from Centre Hall and distributed. The outgoing mail from these boxes will be collected as heretofore by the carrier from this office.

Former Tusseyville Girl Married.

A pretty wedding took place in the city of Altoona, Saturday morning at eight o'clock, when James Orville Heffner, of Akron, Ohio, and Miss Matilda Nellie Fortney, daughter of Mr. and Mrs. C. E. Fortney, of 112 East Third avenue, were married at Bethany Lutheran church, by the pastor, Rev. Ralph H. Bergstresser. They were attended by Samuel F. Kleffman, and Miss Alma Detwiler, both of Altoona. Miss Alda M. Grove of Altoona, rendered the wedding march. About fifty guests from Altoona, Pittsburgh, State College, Bellefonte, Centre Hall, Harrisburg, and Akron, witnessed the nuptials. A wedding breakfast and reception followed at the home of the bride's parents.

The bridegroom is employed by the Goodyear Tire and Rubber company, Akron, as inspector. The bride is a graduate of Altoona high school, class of 1912, and was until recently employed as stenographer by Silverman Bros. She was born at Tusseyville and resided there until about ten years ago when she removed to Altoona with her parents. The couple received many gifts of cut glass, china, linen, silver and pictures. Mr. and Mrs. Heffner will be at home to their numerous friends in Akron, after July 10.

STATE AGRICULTURAL NOTES.

The drop of apples and plums is said to be much larger than for many years and may materially affect the crop.

Fifty-one counties report that the prospects for an average yield of hay are above normal at this time of the year.

Present indications point to a rather small plum crop, which was affected in much the same way as the peaches by the cold weather.

Sheep raisers in many sections of the State are holding their wool and demanding forty cents a pound for the fleeces.

In many sections of the State ground that was intended to have been sown to oats has been turned to barley and buckwheat.

Farmers throughout the State are experiencing considerable trouble with the wire and cut worms destroying the corn.

Greene and Wyoming counties report an increase in the number of lambs this year as compared with average years.

The York county strawberry crop, while somewhat held back by the cold and rain, is reported to be one of the best in years. The berries were plump and free from rust.

Cameron county sheep growers reported the highest average weight of fleeces at 7.6 pounds with Cumberland, Lancaster and Snyder second at 7.5 pounds. In Washington, the great sheep county, the fleeces averaged in weight 7.2 pounds.

UNCOOKED FOODS.

Little Talks on Health & Hygiene by Samuel G. Dixon, M. D., L. D., Commissioner of Health.

During the hot weather fruits and vegetables are a necessary part of the diet. Many of these are more appetizing when eaten raw. Berries, radishes, onions and salads appear regularly on the menu at this season and have their value as food.

Care should be exercised in the preparation and serving of green foods however, as they are subject to much handling between the garden and the table. Unless the hands through which they pass are absolutely clean they are more or less contaminated. In many market gardens the gathering of the produce is entrusted to a class of labor which is not any too cleanly and care is seldom exercised to insure cleanliness.

Food exposed for sale in markets is also often subject to indiscriminate handling by prospective purchasers and is seldom properly protected from dust and dirt.

As a protection berries and food stuffs eaten raw should be thoroughly washed before being served. It is far better to risk a slight impairment of the flavor than to chance eating unclean foods.

Nightsoil should not be used for fertilizing gardens from which the produce may be eaten raw. Water-cress should not be gathered from streams which are polluted by sewage. Many cases are on record where typhoid fever has resulted from failure to observe this precaution.

16-DAY SEASHORE EXCURSION
Atlantic City
CAPE MAY, WILDWOOD
Ocean City, Sea Isle City, and Other Resorts
Saturday, July 8
\$7.60 From Centre Hall
25 cents additional to Atlantic City via Delaware River Bridge Route.

What We Hear About Our Ice Cream
"That's smooth cream."
"You sure must use REAL cream in making this ice cream."
"That's the best made cream I ever ate."
These and many other similar expressions are made each day by people who try our cream for the first time. The second statement above tells the story—REAL CREAM—that's it, good ice cream can only be made with rich creamy cream, and that's all we use.

Brings results—a Reporter adv.

STOP SLINGING COAL and CARRYING WOOD

It's not a woman's job, but it's part and parcel of a coal range just as much as getting up before the folks to fix the fire for breakfast. It's unnecessary, a hardship, a waste of energy, health, time and money.

For you can get a **New Perfection Oil Cook Stove** at your dealer's that will do everything that a coal range does, and do it better, cheaper and quicker.

A Perfection burns kerosene. And kerosene is ever so much cheaper than coal and wood. And it consumes fuel only when actually in use.

The kitchen that houses a Perfection is a cool, a pleasant place—far different from the hot, stifling coal-range kitchen. And it has every convenience—fireless cooker, a separate

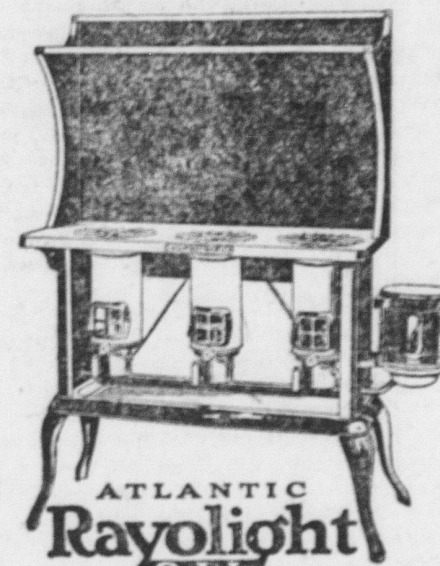

oven, complete control of heat, etc. Don't think of burning anything in a Perfection but **Atlantic Rayolight Oil**, for it is the one kerosene you can be sure of—that you can buy by name, knowing that every gallon will burn down to the last drop without a bit of smoke, without a bit of smell and without charring the wicks.

Ask for **Atlantic Rayolight Oil** by name, just as you get most other things the grocer sells. Then you can be sure that out of every gallon of kerosene you buy, you will get the greatest possible amount of heat.

Atlantic Rayolight Oil costs precisely the same as the questionable, unreliable kerosene.

Buy it from the dealer who displays this sign:

New PERFECTION Oil Stove

THE ATLANTIC REFINING CO.

Philadelphia Pittsburgh

A Big Feature of Our Spring Clothes

Is The Quality of Our Blue Serges

For as you well know, blue serges are very scarce. But they are here in good grades from \$12 to \$25 in all the different models, including the very popular pinch-back models at \$15 and \$18.

Plenty of all other materials, too—stripes fancy mixtures and chevriots—in both pinch-back and plain back models.

MONTGOMERY & CO.

BELLEFONTE
