**Save Pennies—
Waste Dollars**

Some users of printing
save pennies by get-
ting inferior work and lose
dollars through lack of ad-
vertising value in the work
they get. Printers as a rule
charge very reasonable
prices, for none of them
get rich although nearly
all of them work hard.

Moral: Give your printing to
a good printer and save money.

**Got Something
You
Want to Sell?**

Most people have a piece
of furniture, a farm imple-
ment, or something else
which they have discarded
and which they no longer
want.

These things are put in
the attic, or stored away
in the barn, or left lying
about, getting of less and
less value each year.

**WHY NOT
SELL THEM?**

Somebody wants those
very things which have
become of no use to you.
Why not try to find that
somebody by putting a
want advertisement in

New Cumberland School Board de-
cided not to admit any children to pub-
lic schools next month unless success-
fully vaccinated.

Milton Schwartz, a wealthy farmer,
sixty-five years old, suddenly crazed by
the heat, shot and killed himself on
his farm between Center Valley and
Spring Valley.

Three sanitary engineers have been
detailed to duty at Coatesville by Com-
missioner of Health Dixon, who is as-
sisting local authorities in the typhoid
outbreak.

Walter E. Grim, aged eighty-five, was
re-elected president at the annual re-
union of the Grim family, at Allentown,
and Hon. Webster Grim, of Doylestown,
was chosen vice-president.

From injuries resulting in a fall from
a scaffold forty feet high, at Mores,
William Seltzinger, aged thirty-three
years, of Frackville, died at the hos-
pital.

The Dolph Coal Company, an inde-
pendent concern, disposed of its mines
and operating equipment at Olyphant
and Winton to the Delaware & Hud-
son Coal Company. The consideration
is said to be \$260,000. The company
is one of the oldest in this region, hav-
ing operated the mines at Olyphant
and Winton for thirty-five years.

A voluntary settlement, approved by
compensation referee, Jacob Snyder,
was made by officials of the Altoona
and Logan Valley Electric Railway
Company, with Mrs. Frank Cuzzolina,
widow of a track foreman employed by
the company, who was run down and
killed June 17. Compensation for the
widow and seven children amounted to
\$5,217.40, payments to run until 1931.

More than 5,000 persons witnessed a
civic and military parade at Sunbury
in honor of Company F, Fourth Regi-
ment, N. G. P., Sunbury, Captain Clyde
M. Smith, commander, which is ex-
pected to go to the border. A feature
was a unit made up of the Sunbury
Concordia, a club of German-born citi-
zens, each of whom carried an Ameri-
can flag.

For four hours, Mrs. Thomas J.
Ziegler, of Fountain Hill, clung to a
piece of pipe in a cistern at her home
and kept her head above water until
rescued by Frank Marsteller. The
woman, because of domestic troubles,
it is said, attempted to commit suicide.
Her experience in the water so un-
nerved her that she is in a critical
condition.

Mrs. Rebecca Lawall, of Easton,
widow of Cyrus Lawall, celebrated her
ninety-second birthday. Her father,
John Schurenlan, of Cokesbury, N. J.,
fought in the Revolutionary War. Mem-
bers of George Taylor Chapter, Daugh-
ters of the American Revolution, of
Easton, presented her with a basket
of handsome flowers. Her health is
excellent.

Pottsville was sued for \$200 damages
by C. P. Potts, a dairyman, grandson
of the founder of the city, because of
wood block paving on the principal
streets. Potts avers that wood blocks
are so slippery in wet weather as to
be dangerous for horses, and the suit
is brought to recover the value of a
horse belonging to Potts, which recent-
ly fell and had to be killed.

The corning mill of the du Pont
Powder Company, at Bella Village,
near Moosic, blew up. Morgan Evans,
the only workman in the building at
the time, was killed. The force of the
explosion was felt for miles. Spy
rumors are prevalent. Several months
ago one of the du Pont plants in that
section was blown up, and claim was
made that spies were responsible.

Company F, of the old Twelfth Regi-
ment, N. G. P., was mustered out of
service. Since the Twelfth was disor-
ganized more than a year ago it has
been with a separate battalion, but a
new order resulting in Company K,
Sunbury, and Company F joining to-
gether as Company F, of the Fourth,
caused the company at Danville to go
out of service. The company has been
in the N. G. P. since before the Span-
ish American War.

Harry Felton, David Conville, Wil-
liam Beck and George Delbough, mem-
bers of a camping party on an island
in the Susquehanna River near Sun-
bury caught a mess of fish, and as the
women of their party were away they
decided to fry them themselves. Get-
ting a bag of plaster paris instead of
flour, they rolled their fish and cooked
them. Shortly afterwards they experi-
enced gains and a doctor was sum-
moned. The doctor dosed them with
emetics, but they may die as a result
of the plaster, it is believed, having
hardened in their stomachs.

**2 PA. REGIMENTS
CALLED BY U. S.**

Ninth and Thirteenth To Enter Fed-
eral Service—Second Goes Into
Artillery—Checks For Serv-
ice At Mt. Gretna.

Harrisburg—
Adjutant-General Stewart announced
that he had received telegrams from
the War Department calling the Ninth
and Thirteenth Infantry Regiments of
Pennsylvania guardsmen into Federal
service, the Ninth to become field artill-
ery and the Thirteenth to go as in-
fantry to replace the Second Infantry,
which is ordered transferred to field
artillery.

The order transferring the Second
provides that the commanding general
of the troops on the border shall or-
ganize it as a regiment of field artill-
ery as prescribed by the National De-
fense Act. The Second is a Philadel-
phia regiment, commanded by Colonel
Hamilton D. Turner, and is at the bor-
der with the First Brigade, command-
ed by General W. G. Price.

The ninth is added to the call of the
President for Pennsylvania troops is-
sued June 18 and is to be assembled
at Mt. Gretna, this week, and must-
ered into the service as a regiment of
field artillery according to the Nation-
al Defense Act. The commanding gen-
eral of the Department of the East is
directed to equip the regiment and
send it to join the division of Pennsylv-
ania troops at the border as soon as
practicable. Colonel Asher Miner,
Wilkes-Barre, is colonel of the reg-
iment.

The Thirteenth is also added to the
call and is to be assembled at Mt.
Gretna, this week, and mustered into
the service as a regiment of infantry
and sent to the border as soon as
practicable. It will replace the Second In-
fantry.

Third Brigade Gets Pay.
Checks for the payment of the camp
service of men of the Third Brigade
have been sent out from the State
Capitol, money for the purpose hav-
ing been placed at the disposal of the
Adjutant-General's Department by the
State Treasurer. The checks for the
officers' annual allowances, which are
a reimbursement for money paid, and
those for the sergeant instructors of
national organizations are still held up
because of the low state of available
funds in the treasury. State Treasur-
er Young was engaged in an effort
to get the funds together to meet the
semi-monthly payroll at the Capitol.
Requisitions for a million and a half
dollars are on the desk of the Treasur-
er and cannot be filled because of the
state of the funds.

Coal Operators Sue For Refusing Care.
Claim for \$2,520 damages was filed
with the Public Service Commission
against the Pennsylvania Railroad
Company by Harriet A. Laird and Ray
M. Laird, of Huntingdon, who operate
a coal mine in Cambria county. They
contend that because of the operation
of the railroad's rule refusing cars to
be loaded on sidings from wagons they
were damaged. This rule was in force
from December 31 to February 28 when
after a conference of the Public Ser-
vice Commissioners, railroad officials
and operators the order was with-
drawn.

1,059 Deaths From Pneumonia.
Statistics regarding causes of death
during the month of May, this year,
issued by the State Department of
Health show that 1,059 persons died of
pneumonia, almost one-ninth of the
total number of deaths. The birth re-
cord for the month ran very high, going
to 19,692. The total number of deaths
reported was 9,869.

Wheat Output Damaged.
State Agricultural Department re-
ports indicate that wet weather has
caused much damage to wheat and
hay crops in some of the southern
counties. In some sections crops
which were very promising a month
ago suffered extensively. Rain has
also badly washed the corn fields in
some sections of the State.

Surface Asks For Formal Hearing.
State Zoologist Surface made public
his letter to Governor Brumbaugh de-
manding a hearing and stated that he
would hold to his office until the
Governor formally approves his dis-
missal. The zoologist says that unless
the Governor approves his dismissal
only force can separate him from the
job.

37 Bridges Authorized.
The State Water Supply Commis-
sion authorized the construction of a
Philadelphia & Reading Railway
bridge over the Schuylkill at Phoenix-
ville, north of the tunnel and thirty-
six other bridges including county
bridges in Northumberland, Lacka-
wanna, Schuylkill, Snyder, Tioga, Lu-
zerne, Carbon and Lancaster counties.

Conditional Sales Not Taxed.
In an opinion Deputy Attorney Gen-
eral Keller informs Auditor General
Powell, who forwarded an inquiry
from the Prothonotary of Bradford
county, that the fifty cent State tax
provided by the Act of 1920 is not de-
mandable on conditional sales filed in
his office under the Act of June 7,
1915.

Insurance Receivership Hearings.
The Dauphin County Court set
August 31 as the date for hearing the
proceedings for receiverships for the
two Schuylkill Haven companies
which were cited into court at the
instance of the Insurance Commis-
sioner as insolvent.

on a Starck piano. You are not asked to
tie up your money in any way. All you do is to let
us ship you the piano for 30 days free trial in your
home where you test it and try it in your own way.
At the end of 30 days you decide whether the piano is just the one
you want. If it is, you keep it, paying our low factory-to-home prices
in payments to suit you. If for any reason it does not prove to be
up to your expectations in every way and the finest piano you have
ever seen for the money, you may send it back and in that event we
will pay the freight both ways.

The Sweet Toned Starck

The first requirement in a good piano is tone quality. Starck pianos
are not only beautiful pianos—but more than this—they are scientifically
constructed so that each separate part of the piano performs its own work in
producing a tone of marvelous sweetness, purity and power. You will be deli-
gheted with the matchless tone quality of the Starck.

The Celebrated Starck Player-Piano

Lovers of music who are not musically trained can render the Starck Player-piano any
piece of music with just as good expression as the accomplished pianist.
It is simple to understand, easy to operate, and durable in construction.
The Starck Player-piano meets the demand for a reliable, high grade
player-piano at a reasonable price.

Easy Payments will be arranged to suit you. The first
payment is not due until you have tried the
piano 30 days and found it satisfactory. Then you can pay each
month on amounts so small you will not miss the money.
