LOCALS
One week nearer—the Grange Encampment and Fair.

A new porch was built to the front of the H. G. Strohmeier home last week.

Miss Alice Geary, a trained nurse in the Jewish hospital in Brooklyn, New York, was the guest of her aunt, Mrs. Carrie Geary, last Friday.

David K. Geiss, of Philadelphia, is visiting his son, D. Wagner Geiss, in Bellefonte. Mr. Geiss will remain in Centre county for several months.

Mrs. Charles W. Geary and three children, of Altoona, were guests of her brother-in-law and sister, Prof. and Mrs. W. O. Heckman, beginning of the week.

Miss Lena Breen, daughter of Mr. and Mrs. John F. Breen, Tuesday morning went to Altoona for a short visit. The Breen family formerly lived in Altoona, where the young lady has a host of young friends.

Elmer McLellan, of near Tusseyville, is the proud owner of a Crow Elk-hart, 35 h. p., touring car, which he purchased last week from W. A. Fleisher, of Yeagertown. Mr. Fleisher is a son of Thomas Fleisher, of Potter township.

Mr. and Mrs. P. H. Luse, son Ralph, and Miss Ruth Callahan made an auto trip on Saturday to Lewisburg and West Milton. At Spring Mills they were accompanied by Mrs. C. I. Grenoble, who made the trip to her home in Lewisburg.

Mrs. A. S. Fleck and three children, of Niagara Falls, New York, have arrived at the home of W. S. Brooks, west of Centre Hall, to spend a few weeks. Mr. Fleck expects to join them in time to take in the Grange Fair. Other visitors at the Brooks home over Sunday were Mr. and Mrs. William Ammerman and Mr. and Mrs. Lee Brooks, of Pleasant Gap.

It is perfectly proper to enforce the speed limit in Centre Hall borough, provided the officers act in an impartial manner and do not design to trap tourists. There is little doubt but that in some boroughs the speed limit ordinance are made the source of revenue for officials who have little or no thought other than to enrich themselves. Speeding over our main street has been indulged in to excess, but it was and is being practiced to a large extent by our own citizens, and among these councilmen have been the chief offenders.

Boal Gun Troop Leaves for Mt. Gretna.
Fully two thousand people gathered at Boalsburg on Monday evening to witness the exercises which did honor to the members of the Boal Mounted Machine Gun Troop, who on Saturday were mustered into the federal service, and on Tuesday entrained for Mt. Gretna where they will receive their arms and be sent to the Mexican border.

Three hundred automobiles from all parts of the county carried fully 1500 people to the Boal estate where a farewell address was made by Prof. John Hamilton. Burges John Holmes, on behalf of the citizens of State College, presented the troop with a silken flag. The Boalsburg and Pine Grove Mills bands furnished music.

Adjutant General Stewart on Friday announced that the organization of a machine gun troop at Boalsburg, having been inspected and accorded recognition as a separate unit of the national guard by the militia bureau, war department, the troop has been mustered into the national guard.

At the same time he announced that the following officers have been appointed to the First cavalry, as of August 15:

First Lieutenant Theodore Davis Boal, assigned to machine gun troop; Second Lieutenant George B. Thompson, assigned to machine gun troop; Second Lieutenant Wilbur F. Leitzell, assigned to machine gun troop, and that the new machine gun troop has been assigned as a separate unit of the First cavalry.

The troop assembled mounted at troop rendezvous on August 21 and proceeded to Mount Gretna on Tuesday, August 22.

Upon arrival the commanding officer will report to the United States mustering officer for instructions as to physical examination, etc.; the uniforms and equipment will be issued at camp.

Spring Mills, 12; Milesburg, 11.

The Spring Mills baseball team took a hard fought game from Milesburg on Saturday afternoon on the latter's grounds, the score being 12 to 11. As in the former game played by these two clubs Spring Mills came out a winner by one-run lead. The two clubs alternated in taking the lead. Spring Mills opened the game by tallying four runs in short order through effective hitting. Milesburg came back in the next inning and tied the score when Jordan "lost" the ball in the corn field lying in close proximity to the left fielder's territory. The bases were all occupied at the time. Four runs scored on the hit.

The game was won in the ninth, Spring Mills overcoming a 11 to 9 handicap and scoring the three needed runs thru manifesting a do-or-die spirit. Milesburg failed to do anything in their last half.

Surplus from Postal Se. vice.
A surplus of \$5,200,000 from the postal service during the fiscal year ending June 30 was reported to President Wilson last week by the Postmaster General Burleson. The postmaster general announced that he had sent a check for that amount to the treasury.

In a letter to Mr. Burleson acknowledging receipt of the check, Secretary McAdoo declared this is the third time since 1838 that surplus postal revenues have been deposited in the treasury, and that all three years have been under the present administration.
