Odd Fellows Have Big Celebration.

More than 3,000 persons attended the twentieth anniversary celebration of the Odd Fellows' Orphans' Home association of central Pennsylvania, held at Sunbury on Labor Day. A hundred towns were represented and a quarter of a million dollars worth of automobiles were parked in the big grounds at the home.

J. William Strop, Sunbury, president of the association, made the address of welcome. Dr. W. H. Holman, of Mifflin, read a history of the home, telling how it started with a small building and \$3,000 capital to a large farm of more than 200 acres and \$50,000 worth of buildings, educating 170 orphans in a year.

Perry A. Spanor, Pittsburgh, grand master of the order, declared that in all the Odd Fellows and other homes visited by him during the past year, he has not seen any that is the equal of the Sunbury orphanage.

STATE AGRICULTURAL NOTES.

Farmers are again preparing for a thorough liming of their soils as splendid results were obtained on lands well limed during the past season.

The fruit belt shows prospects for about 75 per cent. of a normal peach crop although statistics indicate that the State average will only be about 63 per cent. of a normal yield.

What is popularly known as the fruit belt, Adams, Franklin, Fulton, Cumberland and York counties shows prospects of 89 per cent. of a normal yield of apples while the average for the State is 87 per cent.

While the young turkey crop is very short this season owing to wet weather in the spring the percentage compared with average years was high in Delaware county with 93 per cent.; Philadelphia 95; Washington 93; Crawford 92 and Fulton, Luzerne and Warren 90.

The exhibit of the Bureau of Zoology of the Pennsylvania Department of Agriculture at county fairs is attracting much attention and the farmers who have had orchard troubles are receiving valuable advice on spraying and the suppression of pests.

But three counties Carbon, Franklin and Philadelphia report the condition of potatoes above the average although good reports were made from Bucks, Cumberland, Dauphin, Delaware, Lancaster, Lebanon, Lehigh, Luzerne, Schuylkill and York counties.
