Save Pennies—
Waste Dollars
 Some users of printing
 save pennies by get-
 ting inferior work and lose
 dollars through lack of
 advertising value in the work
 they get. Printers as a rule
 charge very reasonable
 prices, for none of them
 get rich although nearly
 all of them work hard.
*Moral: Give your printing to
 a good printer and save money.*

Got Something
You
Want to Sell?
 Most people have a piece
 of furniture, a farm imple-
 ment, or something else
 which they have discar-
 ded and which they no longer
 want.
 These things are put in
 the attic, or stored away
 in the barn, or left lying
 about, getting of less and
 less value each year.

WHY NOT
SELL THEM?
 Somebody wants those
 very things which have
 become of no use to you.
 Why not try to find that
 somebody by putting a
 want advertisement in
THIS NEWSPAPER?

What's Going On at
Harrisburg

Harrisburg—
 The State Workmen's Compensa-
 tion Board, in a decision by Com-
 missioner John A. Scott, has upheld the
 award of Referee T. J. Dunn, of Pitts-
 burgh, to the family of Robert Duffett,
 an employe of Eli Abbott, Pittsburgh.
 Duffett was injured January 25 and died
 on February 22 of pneumonia, the
 symptoms of which were first appar-
 ent to his physician twenty days after he
 received the injury. The case at-
 tracted considerable attention at Pitts-
 burgh. The decision says: "The
 award of the referee is put on the
 ground that the evidence showed a
 real connection between the injury and
 its direct effects and the pneumonia
 without the intervention of any inde-
 pendent cause or agent which in the
 ordinary and usual course of things
 could produce the disease and the re-
 sultant death. This board is of the
 opinion that the conclusion reached by
 the referee is fully justified by the
 testimony."
