Centre County Y. W. O. A. Notes.

Begin to plan to come to the Annual Meeting of the County Association to be held in Bellefonte on the second Saturday in January. This is an open meeting and a large attendance from all over the county is desired. Miss Hawes, of Philadelphia, will deliver the address; other things to be announced later. Save the day.

The State College High School Club held a most interesting Recognition Service for new members, using the candle ceremony.

On Saturday, the second of December, several girls from the Wahan Amnug Common Weal Club, the True Blue Common Weal Club, and the Happiness Brigade (from Oak Hall, Dale Summit, and Centre Furnace) came into State College and together enjoyed some especially fine records on the victrola. They also visited the Home Economics laboratories at the College and were entertained by Miss Lovjoy, Dean of the department, and vice president of the County Y. W. C. A.

Helen Gould Shepard gives to any member of the Young Woman's Christian Association who will learn and recite selected Bible passages, a beautiful Bible with the winner's name in gold on the cover, and Mrs. Shepard's autograph on the first page. Each year a silver cup goes to the county having the most members who have won the Bible. Last year Greene County, Ohio, won the cup, having eighty-nine girls who had won Bibles.

The poem for this week is a good one to begin to learn for Christmas. Part of it is here given. The rest will be in next week.

THE HOUSE BY THE SIDE OF THE ROAD.

Sam Walter Foss
There are hermit souls that live withdrawn
In the place of their self-content:
There are souls like stars, that dwell apart,
In a fellowless firmament;
There are pioneer souls that blaze their paths
Where highways never ran,—
But let us live in a house by the side of the road
And be a friend to man.

Let me live in a house by the side of the road
Where the race of men go by—
The men who are good and the men who are bad,
As good and as bad as I.
I would not sit in the scorners' seat
Or hurl the cynic's ban—
Let me live in my house by the side of the road
And be a friend to man.

I see from my house by the side of the road
By the side of the highway of life,
The men who press with the ardor of hope,
The men who are faint with the strife,
But I turn not away from their smiles nor
Their tears,
Both parts of an infinite plan—
Let me live in a house by the side of the road
And be a friend to man.

While the night policemen and private watchmen were on duty, a burglary was committed Thursday night of last week in Philipsburg. The man cut a piece from one of the panes in the show window at W. F. Gill's sporting goods store and removed two rifles valued at \$28.00 each.

WHY THE PRICE IS SO LOW

ON THIS CAR OF QUALITY

If the 6-30 Chalmers were built at the rate of 2000 a year the chances are you would have to pay \$1600 or more for one. But more than twelve times that number is made. So that the price becomes only \$1090.

QUALITY RUNS ALL THE WAY THROUGH. IT IS THE QUALITY CAR AT A QUANTITY PRICE.
