County Grange Meetings.

Centre County Pomona Grange will meet at Centre Hall, Thursday, February 22nd.

Wild Turkeys for Propagation.

Ten wild turkeys were received last week from the State Game Commission by the Blair County Game, Fish and Forestry association. They will be released later in the forests of the county, with ten other birds received some time ago.

The turkeys, trapped under the direction of the state commission, were shipped to York for distribution, ten of a large lot being allotted to the Blair club. The birds, all large and healthy, were taken at once to C. R. Corbet poultry farm in Juniata Gap, where they were placed in large pens with ten birds received from the state several months ago.

During the next two months the game committee of the Blair county club will make a survey of the county in an effort to learn the number of wild turkeys in the different districts and the way in which they are distributed as regards hens and gobblers. The twenty birds to be liberated will be placed according to the present distribution of the wild turkeys, aiming toward the best interests of propagation.

The True Blue Commonweal Club at Shiloh celebrated a "Fathers' and Mothers' Night" at the home of Miss Mary Dale on the third of this month. The Club held a short business meeting at first to show the parents how these meetings are conducted by the girls. Miss Eva Treasurer recited "My Creed" after the reports had been given. The address of Welcome was given by Miss Isabel Grove, and responded to by Mr. Dale and Mrs. Hoy, who told what they thought the Club should stand for, and offered suggestions. The President, Miss Margaret Williams, called for expressions from all the parents, and a free discussion followed. All present seemed to feel that the Club was a great help to the girls and to the community, and many suggestions for increasing its usefulness were offered. Games and refreshments were next on the programme.

The Howard Branch is negotiating for a room which will meet the needs of the girls and which they will "fix up" for all kinds of uses. Mrs. Emma Pletcher has been appointed leader of the Junior Club, and Miss Edythe Weber, Assistant. As soon as weather permits the girls are planning for out-of-door things.

Mrs. Robert Beach entertained the High School of Bellefonte and their Advisory members last Wednesday evening. Plans were made for a "Post Office" for Valentine's Day in order to raise money to send a delegate to the High School Council at Camp Nephawin next summer. A "Sterile Chase" was part of the fun of the evening.

Several new classes are being offered by the State College Branch this term, crocheting, sewing, American Literature. Mr. Marshman gave an interesting talk on her experience among the Mormons after the last business meeting. Bible Class, Sunday afternoon at three o'clock until time is changed by class members. Come and tell what time will suit you better. Mr. Wright is the teacher. The subject is "The Greatest Book in the World—Joseph's Gospel."

The Wabun Anning Commonweal Club at Oak Hill is learning to crochet. Plans for a play are in progress. The Dotty Dimples are making Valentines.

The True Blue Club held a Box Social at Lemont on the 9th, and swelled their Camp Fund thereby.

If you have not yet sent in your pledges to Mrs. G. G. Pond for this year's work, call her on the phone at State College. You want to have a share in the county Y. W. C. A. and the girls of your community.

Just one verse this week from "Work—a Song of Triumph," by Angela Morgan.

Work! Thank God for the night of it, The ardor, the urge, the delight of it— Work that springs from the heart's desire, Setting the brain and the soul on fire—

O! what is so good as the heat of it, And what is so glad as the best of it, And what is so kind as the stern command, Challenging brain and heart and hand?

Pioneer of North Dakota Writes. Lieber, North Dakota, Jan., 1917.

Editor Reporter: At nearly seventy-nine years of age I manage to get around almost as well as any boy. I can truly say that I walk three miles to church almost every Sabbath. Oh, how I would like to come back to my old native state and see the town of Centre Hall. I have now been away from there almost six y-eight years or over, and have taste the hardships of the wild west; have met the wild men of the prairie and the woods by hundreds. They could not speak my name; they always called me "Susko," I said, "Can't you say Zerby?" "No, no, too hard name."

Mr. editor, I can tell you and the Centre Hall people that the cost of living up here in the far northwest is fearfully high. Flour \$4.00 and \$5.00 per 100 pounds; clothing is so high poor people can hardly buy any; the same overalls I bought two years ago for 60 and 70 cents are now \$1.00; meat is so high that it is almost too high for poor people to buy.

Concerning weather, January 8th we had a thaw; the 9th a snow storm which lasted 28 hours, and now so cold we can hardly be out doors. Our mail carriers were all snow bound.

I will close with these remarks. May God watch and protect the people of my old native state now and for all time to come.

WILLIAM ZERBY. Kill Deer Any Time.

In the court of quarter sessions of Franklin county last week, Judge W. Rush Gillen handed down a decree that gives to a farmer to kill wild deer at any time when on his land destroying his crops.

Why the Operator Repeats the Number

When numbers are called from memory, the voice is apt to be uncertain and halting. In order to make sure that she has heard correctly, the operator repeats the number after you.

If you will always listen to this repetition, saying "Correct" when such is the case and advising the operator when it is not, one of the most troublesome difficulties in telephone operating will be eliminated, and your service will be benefited accordingly.
