According to testimony produced before the jury of view appointed by the court to condemn the Lewistown and Kishacoquillas Turnpike between Lewistown and Reedsville the total receipts from tolls collected during the past eighteen years amount to \$90,677.82. A number of witnesses testified that the road in its present condition was considered a handicap to the best interests of Mifflin county.

Judge Quigley must be commended for meting out a sentence, calling for a fine of \$100, to Mrs. M. A. Pizer, of Phillipsburg, for violating the law regulating the sale of cigarettes. This law is being flagrantly violated by practically every dealer in cigarettes. Locally mere children are daily seen smoking the "papers." The action of the court ought to have a wholesome effect for the good of this as well as every other community in Centre county.

Rev. William B. Jones, pastor of several Methodist congregations in and about Shawville, Clearfield county, was taken to the Clearfield hospital last Friday for an operation for mesenteric, made necessary as the result of a severe attack of La Grippe. Following the operation word was received by his parents, Rev. and Mrs. R. B. Jones, in this place, that the operation which was a rather severe one, was successful. The young minister will be obliged to remain in the hospital for several weeks.

McAllister scholarships at the Pennsylvania State College will be awarded this year to students from Columbia, Mifflin, Perry, Wyoming and Centre counties. These five counties show the highest ratio of students enrolled to the total population of the county. High school principals will conduct competitive examinations to select candidates for the scholarships. The candidates will be tested in United States history, civil government, algebra to quadratic, plane geometry, English grammar and English classics. The scholarships were established by Dr. and Mrs. T. B. Hays, of Bellefonte, and are worth \$50 in cash. They are valid for one year, beginning next September. Examinations will be held and the appointments made before June 1.

DEATHS.

John Felding, a respected citizen of Harris township, died at his home about a mile east of Linden Hall, Thursday evening at five o'clock after a two weeks' illness with grip which terminated in pneumonia.

Deceased was born at Pittsburgh and at the time of his death was aged sixty-eight years and four months. He was a farmer all his life and occupied the farm on which he died for the past twenty-three years. In 1872 he married Miss Nancy Witmer who survives with four children, namely, Lemuel Felding, of Lamar; George W., at home; William H., of Staten Island, New York; Mrs. Wallace White, of Linden Hall. One brother, Casper Felding, of Pittsburgh, and four sisters—Mrs. John Rosenhamer, of Latrobe; Mrs. John Kline, of Saint Bonifacius; Misses Eva and Mary Felding, of Collins, Alabama, also survive. Mr. Felding was of the Catholic faith and religiously observed its teachings all his life. He was a home-loving man, and consequently was a devoted husband and kind father.

Funeral services were held Tuesday morning at ten o'clock at his late home and burial was made in the Boalsburg cemetery, Rev. G. L. Courtney of the Lutheran church officiating.

To Prevent Potato Waste.

The scarcity of potatoes with the consequently high price has caused the authorities at State College to issue a pamphlet calling attention to the great waste in this State in the raising of this most important article of diet. According to the above authority, Pennsylvania's potato crop this year suffered a loss of about 4,500,000 bushels through preventable diseases. The department of botany, upon whose records the statement is based, estimates this loss to be 20 per cent of the normal annual output. Farmers planning to plant large acreages of potatoes this spring are advised by the college authorities to take preventative measures to control these diseases which have destroyed more than \$13,000,000 worth of tubers this year. A special bulletin has been prepared which outlines methods of combatting all the principal potato diseases. This bulletin is mailed upon request to all growers in the state. Common scab is said to be the most usual and the best known enemy of the potato. Effective treatment in preventing scabs, as recommended at State College, involve soaking the seed potatoes in a solution of formaldehyde and water.

**DODGE BROTHERS
MOTOR CAR**

It is interesting to stop and recall how many good things you have heard of the car, and how very few of the other sort.

Its merits are now so universally accepted that they are rarely a subject of discussion.

That the car is all it is represented to be is taken for granted. That it is good value is conceded beforehand.

Therefore sales are very quickly consummated.

It will pay you to visit us and examine this car.

The gasoline consumption is unusually low. The tire mileage is unusually high.

Touring Car or Roadster, \$785; Winter Touring Car or Roadster, \$950; Sedan, \$1185 (All prices f. o. b. Detroit)
