Centre County Y. W. C. A. Notes.

"Our Vanishing Flora" was the subject of a most beautifully illustrated free lecture, given in the Dale Summit school house last week.

The lecture was given by Mr. Hanson of the Botany Department of the State College and showed the rare species of flowers in this part of the country and how to keep them from disappearing.

Handsome colored slides of many of our wild flowers were shown with explanation of the way they propagate and how to protect them.

Miss Ruth Pearson, the Student Secretary of the East Central Field, spent last Saturday afternoon at Oak Hall, where she told the Communion Club there, and the Camp Fire Girls of Bantburg, about her experience in France at the beginning of the war.

The Snow Shoe Branch cleared about \$50.00 at a Parcel Post Sale last Saturday night. The booths were very prettily decorated and everyone enjoyed the evening.

The money is to go toward paying the rent of the room which is for the use not only of the Y. W. C. A. girls, but for the entire community.

The Snow Shoe Cooking class made a study of rice, and various ways of cooking it at the present high prices it is well to know how to use many kinds of foods in different ways.

At the next lesson, the girls are going to plant tomato seeds in flats, and later each one will have a piece of ground and raise her tomatoes, and perhaps other vegetables.

It is hoped in the fall to can many of these products, securing a balanced menu in the winter without such tremendous cost.

It is also hoped that an exhibit of the vegetables, both fresh and canned will be held, and prizes offered for the best products.

"A SONG."—By James Whitcomb Riley. There is ever a song somewhere, my dear; There is ever a something sings away; There is the song of lark when the skies are clear.

And the song of the thrush when the skies are gray; The sunshine showers across the grain, And the bluebird trills in the orchard trees; And in and out, when the leaves drip rain, The wallows are wailing ceaselessly.

There is a song somewhere, my dear, Be the skies above dark or fair, There is a song that our hearts may hear— There is ever a song somewhere, my dear— There is ever a song somewhere!

(To be continued next week)

Positively Prevents Punctures

NOW, please don't say, "Oh, just another one of those tire-fillers," and let it go at that! ESSENKAY is a tire-filler, but not the kind you probably have in mind. It is nothing like the ones that have been tried and found wanting, but is a wonderful discovery that has at last solved the problem of a real substitute for air.

Cuts Your Tire Cost in Half

ESSENKAY not only positively prevents punctures and "blowouts," there is no air to puncture or "blowout," but also doubles life of your castings and saves half your tire cost. First cost of ESSENKAY in your last cost, as it lasts for many years and is transferrable from one set of castings to another indefinitely.
