Some of the Millheim people are remonstrating against granting license for that town. On Thursday depositions were taken by attorneys, Gephart for remonstrants and Fortney for petitioners.

Penna Valley Democrats Want Representation.

Editor Centre Reporter: The majority of the Penna Valley Democrats, like their forefathers, are opposed to too much and long taxation without representation, because we permitted the Nitany Valley Democrats to have the Democratic Jury Commissioner for nearly twenty-five years, in one unbroken stretch; and since no Democratic county nominee can be elected to office in Centre county without the Democratic vote of Penna Valley, we therefore claim a place on the Democratic ticket next fall, and will present the name of A. C. Ripka, of Centre Hall, as a Democratic candidate for Jury Commissioner for Centre county. He is well qualified for the position, and considering his success in his business affairs will make a true and faithful public servant, if elected. Having been a public school teacher for a good many years, he knows many of the best qualified men in Centre county. None of his large Democratic connection ever asked for a county office before, hence let the office seek the man, instead of vice versa.

Build to LAST, Mr. Farmer!

Don't begin this Spring to patch up spots about the house and barn with lumber. To do that simply means to repeat the operation in a few years. Neither is it wise to build new with lumber where cement can be used. Nothing is coming into greater use on the farm than cement for building and repairing. But remember, when thinking of buying cement don't merely ask for "cement", but be sure that you get

ALPHA PORTLAND CEMENT

You will then be sure that you have the best. Concrete work made from this brand is bound to stand the most severe tests, and you have the satisfaction of knowing that you have BUILT TO LAST.

We are ready to supply you with Alpha Portland Cement.

BAUGH'S FERTILIZER

A big supply of this old reliable crop producer on hand and we will be pleased to have your order.

We are Closing These Out :

Plows, Harrows, Land Rollers

There are only a few implements and since we have decided to close out the line entirely, some farmer is going to get a chance to buy new machinery at a low figure. If you want it, come soon.

BINDER TWINE

The Plymouth-Cordage brand has proved to give the right kind of service. It's a good twine to stick to.
