The Farmers National Bank, of Millheim, will come before the Reporter readers for the next year with advertisements which will prove interesting reading. The Farmers National Bank has had a most remarkable growth within the past few years, as the figures in a recent statement appearing in this paper proved. DEATHS.

Mrs. Rachel A. Moyer died Friday morning at Lock Haven. She had been ill since February and her death is ascribed to hardening of the arteries and a general physical break-down, she having been seventy-seven years of age.

Mrs. Moyer was born and reared at Aaronsburg and went to Lock Haven in 1865, where she became the wife of J. T. Shearer, a well-known school teacher and a prominent citizen. Mr. Shearer died in 1894 and in 1903 his widow was united in marriage to J. H. Moyer, of Hiawatha, Kan., living there until the death of her husband, about seven years ago, after which she returned to Lock Haven, and has resided there since that time.

Mrs. Moyer was an earnest Christian and a devoted member of the Methodist church ever since her girlhood days.

She was affectionate and loving, and her broad sympathy and cheerful disposition assisted many a weary traveler over the rough places in the journey of life.

Deceased is survived by her son, H. G. Shearer, one granddaughter, Mrs. Luke Griesky, of Erie, one brother George W. Bell, of St. Joseph, Mo., and two sisters, Mrs. Harry W. Brown, of Williamsport, and Mrs. Jane Kammerdiner, of Bradford.

The Fiedler correspondent to the Millheim Journal contained this notice of a death of a Centre cottontail: A telegram received by M. M. Bower on Monday evening stated that Mrs. Adam Zerby, of Eiburn, Ill., died on Monday. Mrs. Zerby was raised in the home of the late Daniel Wolf, at Wolf's chapel, and they also farmed there for some years, before removing to the west. She was a daughter of Cyrus Lese, of Centre Hall, who died when she was quite young. Her age is about 52 years. Mrs. M. M. Bower, accompanied by her brother, John Zerby, of Farmers Mills, and Speer Breon, of Millheim, left on Tuesday morning to attend the funeral.

Rev. C. W. Horner Has Loganton Circuit.

The Potter township friends of Rev. Charles W. Horner, son of Mr. and Mrs. George Horner, of near Linden Hall, will be pleased to learn that he has recently been appointed pastor of the Sugar Valley circuit of the Evangelical church. Rev. Horner has won his way into the ministry only after much self sacrifice and assiduous study. In a letter to the Reporter, received on Tuesday, in which he makes a remittance on subscription and asks to have his paper addressed to his new location, he writes this interesting information:

"I have been transferred as pastor to the Sugar Valley circuit and moved to Loganton in March. My family and I are much delighted with the place, we have found fine roads in the valley, and best of all we have found fine people. They proved their kindness and liberality when on the second evening after I brought the family to Loganton, a gathering of forty or fifty members of the Evangelical church surprisingly crowded to the parsonage laden with baskets, bags, etc., filled with first-class staples of almost every variety. The articles amounted in value to more than fifty dollars which is a pleasant treat but one almost out of date in these days of desire and haste to procure the perishable things of this world rather than to lay up treasures in heaven."
"CHAR. W. HORNER."

A Public Safety organization for Centre county was affected at a meeting called by Lieut. T. D. Boal at his home at Boalsburg, on Wednesday night, at which twenty representative citizens of Centre county were present. Ways and means for conserving and mobilizing the various resources, with special emphasis on agriculture, were discussed and plans made to meet the serious help problem on the farm. Intensive farming, with the aid of the county farm agent, whom it is proposed to put in the field shortly, received considerable attention.

Our enterprising merchant, Claude Halnee, gave an Easter hunt on last Saturday afternoon on the school grounds at this place. Over sixty children under twelve years of age enjoyed the occasion and were lucky in finding lots of Easter eggs and candy which was hidden on the school ground.

Fruit growers throughout the State are urged by Zoologist J. G. Sanders, of the Pennsylvania Department of Agriculture to make early preparations for spraying of trees for insect and disease control. Professor Sanders feels that difficulties may be encountered to secure prompt shipment of the necessary chemicals, spray machinery and accessories on account of economic conditions and urges the immediate ordering of supplies. Fruit growers take advantage of every available warm day this season for dormant spraying with lime sulfur solution to control San Jose scale and peach leaf curl. The deep frost will hinder spraying later when the warm weather approaches.
