LOCALS.

June, to date, has given us a goodly lot of rain.  
Miss Lena Breen is visiting friends in Altoona for two weeks.  
Mrs. Jonas Bible, of near Potters Mills, was a caller at this office last Thursday.

Community Picnic in Centre Hall, July 4th. Watch for more detailed announcement later.

A daughter was born to Mr. and Mrs. Lawrence Runkle on Sunday night. Mother and child are doing well.

Dr. G. W. Hosterman is spending a short time with his son, S. V. Hosterman, Reg., and family, of Lancaster.

Miss Gladys Meyer, of near Penn Hall, was elected by the Millheim school board to teach the intermediate grade in the borough.

L. B. Lingle, of State College, spent a few days last week on his farm at Earlstown, looking after the paint-ings of the farm house.

Mrs. A. J. Mosser and charming little daughter, Betty, of Clearfield, spent a short time last week with the former's sister, Mrs. O. F. Funk, and friends, in this place.

J. S. Rowe, who has been working at Havre de Grace, Maryland, for some time on the erection of stone crushing plants, is spending a few days with his family in this place.

Miss Mabel F. Arney graduated from the school of Pharmacy, University of Pittsburgh, yesterday (Wednesday). Miss Arney is one of Centre Hall's talented young ladies.

D. Ross Bushman is pushing his new house to completion. Bath room and electric light have been installed and when finished the home will be one of the most cozy in town.

William Zettle, youngest son of Mr. and Mrs. Andrew Zettle, who has been confined to his bed for the past month on account of valvular heart trouble, shows improvement under the care of Dr. H. H. Longwell.

The borough school board, at a recent meeting, completed the election of teachers for the next term by re-electing Miss Helen Bartholomew for the primary school. The choice meets with general approbation.

The handsome new Lutheran church at Yeagertown was dedicated on Sunday with appropriate ceremonies. The new edifice has been erected at a cost of \$18,000, a large part of which has already been subscribed. Dr. A. H. Spangler is pastor of the congregation.

Rev. and Mrs. J. H. Keller and little son, of China Grove, North Carolina, since last Wednesday, have been guests of Mr. and Mrs. F. M. Fisher, at Penn Hall. For a short time on Monday they visited Rev. Keller's brother, D. K. Keller, in this place. They will remain in this section for several weeks.

A. C. Ripka accompanied his son, E. S. Ripka, to the south-eastern section of the State, a part of the territory the latter covers in the interest of the Hamilton-Brown Shoe Co. The trip was made by auto, last week, and the elder Mr. Ripka reports that wheat in Cumberland county appears fifty per cent. better than in Centre county.

The Reporter was favored with a short call on Monday afternoon from the Rev. John A. Bright, of Topeka, Kansas, who has been in the east for the past few months. During which time he delivered a number of lectures to Odd Fellows throughout the valley. Rev. Bright is a native of Aaronburg, and while advanced in years retains his youthful vigor.

R. P. Campbell, the genial proprietor of the Penns Cave House, entertained Troop K, of Lock Haven, and Troop M, of Lewisburg, at the hotel on Friday night, while enroute to Boalsburg to engage in the activities which Captain Bond had planned. Mr. Campbell treated the boys—sixty-four of them—to a trip through the famous cave, and it was ten o'clock when the last boat load came out of the cave.

Merrill Mongar, one of Uncle Sam's experienced soldiers, passed through Centre Hall on Monday on his way to Miesburg to visit his parents, Mr. and Mrs. Dennis Mongar, whom he has not seen in two years. The young man served enlistments in the army and navy, and while he has been honorably discharged from both services, he states that "they won't need to come after me", as he is ready to do his duty at the first call. He is making his way home from Key West, Florida, depending on a "lift" here and there to cover the distance.

Guy W. Jacobs and bride of a week arrived in Centre Hall on Saturday afternoon after completing a honeymoon trip starting from Texas. At New Orleans the newlyweds took passage on a steamship and made the trip to New York City on the Atlantic Ocean. The couple remained here until Tuesday afternoon, during which time the bride was introduced to many of her husband's friends. She is a most charming young woman, one whom it is a real pleasure to meet. Mr. and Mrs. Jacobs have begun housekeeping in Steubenville, Ohio.

GYPSIES PAY BACK \$114.33

Meet Their Waterloo at Potters Mills After a Series of Robberies in Several Counties.  
After stealing \$80 worth of money and a number of chickens and quantities of food articles a band of gypsies which has been terrorizing Millin and Huntingdon county residents the past few days were surrounded at Potters Mills late Saturday afternoon and the money was recovered by Sheriff T. F. VanZandt, of Millin county, and Chief of Police H. D. Yeaman, of Lewisburg.

Near Reedsville the gypsies entered the toll-gate house occupied by Mr. and Mrs. John W. Weidensaul and stole \$30 from Mrs. Weidensaul and \$15 from Mr. Weidensaul and escaped with the booty.  
At Potters Mills T. F. Royer was made the victim of the gypsy band to the extent of \$25.00, and the last nine cents of a mountain resident above Potters Mills were also taken. Part of the tribe then visited Mrs. William Lucas, and asked to buy a number of chickens. After getting hold of the fowls the gypsies left in haste, forgetting about the payment.

The band consisted of thirty members, all traveling in cars. It was a streak of good fortune that one of the cars was disabled at Potters Mills, for this detained the pirates and made their capture possible by the Millin county authorities, with the aid of Constable P. C. Frank and others in Potter township.

The gang was finally rounded up and taken before Squire Carson where all claims were fully paid. The total of the Millin county claims was \$81.00, while \$33.22 included the claims on this side of the Seven Mountains.

Upon promise to leave the county immediately the pirates were permitted to pass on.

Young Man Dies of Lockjaw.

Arthur Wingard, nineteen-year-old son of Mr. and Mrs. Perry Wingard, of near Coburn, died at the home of George B. Stover, near Millheim, last Wednesday afternoon, of lockjaw. The youth, about a week previous, ran a splinter in his leg above the ankle in kicking the wood under a kettle in an outside fireplace, in making ready to do the family washing. While it gave him considerable pain for a day or two the injury seemed to correct itself and in a few days he appeared all right. Tuesday evening preceding his death symptoms of lockjaw manifested themselves and the disease developed so rapidly that by Wednesday morning his entire body was rigid. He passed away in the afternoon.

Besides his parents, he is survived by three brothers and three sisters. Burial was made in the Paradise cemetery, near Coburn, on Sunday morning.

Put Out the Flag.

Today (Thursday) is Flag Day. Every house, business place, without regard to importance, should have a flag flying from it. There are a few spots in Centre Hall that flags are conspicuous for their absence. On Registration Day, when young men were asked to take the initiative to put themselves in line for the great army that is to fight for a continuation of the liberties we now enjoy, not a single flag was visible from the outside or inside of the building where the registrar sat to receive the best manhood of the country—a regrettable fact, but a fact it is. Our citizens are loyal, altogether loyal, and today flags should appear in such numbers as that every one "passing this way" will at once see that we are not only loyal but showing it by our deeds.

Picnic Day at State College.

Centre County Field and Outing Day, at State College, Saturday, June 16th, promises to be the real thing in pleasure for both young and old. The college grounds will be used for the various forms of amusements, games, etc., and there will be something doing all day, commencing at 9:30 a. m. Prize ribbons will be awarded to all winners in contests. At noon there will be a big "get together" for the big meal of the day, dinners being furnished by individual families attending the picnic.

There will be bands to furnish music, patriotic speeches by prominent men, and numerous other features to make the day one of thorough enjoyment for all who attend.

Boys and Girls Conference Picture.

Those who attended the older boys' and girls' conference of the county Sunday-school convention, at Centre Hall, will recall that a picture of the conference was taken at the noon hour. The pictures are first-class and will be sent to all who have already ordered and those who order in the future. The picture is twenty-five cents, stamps not accepted. Send all orders to S. W. Smith, Centre Hall.

To Reclaim Human Parasites.

The Government is planning how to reclaim about two million parasites of the ten million men who registered last week. It is estimated that there are about that many men among those who registered that have no visible means of support. They are loafers, and of course, the percentage of disease and physical disability is exceptionally high among them. Nearly all of them will be exempted under the present arrangement. To remedy this the Government is seriously planning reclamation camps and good authorities calculate that on the average many of them can be reclaimed by the expenditure of \$100 each.

The fact which particularly appeals to the War Department officials is that the 2,000,000 human parasites who will be rejected because of physical shortcomings will be thrown back upon the country to fish their lives off others, as they have been doing. It is asserted that many of the slackers will contract diseases to avoid being drafted into military service. They have already pointed out how easily that can be done.

Today (Thursday) is Flag Day.

On Wednesday morning, June 6, a half hour after midnight, Mrs. David W. Miller died at her home in Pine Grove Mills after a year's illness, following a stroke of apoplexy.

Mrs. Miller's death removes one of the oldest and most respected citizens of Centre county. She was the daughter of Samuel and Rebecca Watts Cooper, of the Glades.

Mrs. Miller was born at the old Cooper homestead in the Glades, a few miles west of Pine Grove Mills, February 4, 1839. She was educated at the Pine Grove Academy and at Elyria-Ham Seminary and taught school for several years. She was a life long member of the Presbyterian church and was devoted to its doctrines and to its activities.

Mrs. Miller was married Nov. 30, 1871, to David W. Miller, who survives her. The Millers lived in the Glades until 1903, when they moved to the Fatten farm, east of Pine Grove Mills, from which place in 1908 they moved to their home in the village.

Besides her husband, two sons survive.

Mrs. Miller was a woman of unusual strength of character whose life was a great asset to the community. For this and for her unflinching sweet smile and lovable disposition she will be missed by a large circle of friends and acquaintances.

The funeral took place from the home in Pine Grove Mills on Saturday morning at 10 o'clock.

Chadron Game Law.

The new game law, as it applies to Pennsylvania, and which was recently signed by the governor, includes a number of changes with which local hunters should become familiar. The wild turkey season has been shortened four weeks and only one turkey may be killed during the entire season.

That sounds like a strange statement, but there is a sound reason for making it.

A shortage has continued, now, for two years and a half, in the face of a large and steady increase in output.

The shortage may not be local, or sectional, or seasonal, but it is national, universal and continuous.

It will pay you to visit us and examine this car.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remediation. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

WHAT SHALL I DO?

with my money to keep it safe? is a question with people who keep their money at home, and as a temptation to thieves or burglars.

Why not deposit it in a good, safe bank where it will draw 3 per cent. interest and be safe at the same time. You can do this now by putting it in the Farmers National Bank, Millheim.
