Haying, harvesting and cultivating of corn and potato crops will conflict, and this will make the farmers busy early and late.

Rev. Harry Ulrich was formally installed as pastor of the Milroy Presbyterian church, by Huntingdon presbytery, last Thursday evening.

Miss Orpha Leister, on Sunday, accompanied Mr. and Mrs. Charles Rice to their home, in Reedsville, where she will remain for the present.

Mrs. Margaret Thomas improved the appearance of her home by building a new front porch last week. Carpenters Lawrence Runkle and Harry Weaver did the work.

Roy Kuhn, who for the past few years has been employed in a freight depot at Royersford, Montgomery county, spent a few days the past week with his parents at Old Fort.

Rev. and Mrs. Fred W. Barry and daughter Roberta Eleanor, of Cumberland, Maryland, arrived in Centre Hall on Tuesday afternoon for a short visit at the home of Mrs. Barry's parents, Mr. and Mrs. J. W. Mitterling.

Daniel Wagner, of McClure, is the guest of his brother, J. D. Wagner, of near Spring Mills. Mr. Wagner was a former resident of Missouri. He is a veteran of the class of 1863, and recently was on the march through the National capital.

Centre Hall's "kid" baseball team went into the enemy's country on Saturday and was "shelled" to the tune of 18 to 8 at the hands of the Rebersburg boys. The local boys were cutbatted and outplayed, they say, because they were outstayed.

Mr. and Mrs. Cyrus Ruhl, Mr. and Mrs. Mark Schuore, of Union county, were guests at the homes of Philip Durst and Alfred Krape, on Saturday. They returned to their homes in the evening, being accompanied as far as Aaronburg by Mr. and Mrs. Krape.

Announcement of the wedding of Miss Ruth Keller and John Edward Deary, on Saturday, June 16th, has been received by friends in Centre Hall. The bride is the youngest daughter of P. F. Keller, of Ingram, former resident of this place and now located at Ingram.

Two Potter township boys—William and George Swartz, sons of Mr. and Mrs. C. W. Swartz, of Tusseyville—have become members of the ambulance corps which very likely will see service in France before a very long time. The young men are now in training at Allentown.

Among the Reporter's callers on Saturday was Frank P. Duck, of Brush Valley, on his return from State College. Mr. Duck is very much interested in the Patrons Rural Telephone Company, and states that the Spring Mills-Madisonburg branch company will be obliged to build its fourth circuit in order to accommodate prospective patrons.

Rev. and Mrs. W. K. Shultz and daughters, of New Columbia, visited Mrs. Shultz's parents, Mr. and Mrs. W. H. Keller, in Centre Hall. While Rev. Shultz moved from Dewart to New Columbia it does not mean that he changed his pastoral fields, but that the family now occupy a parsonage whereas heretofore they lived in a house rented by the charge.

Centre county friends of Dr. E. L. Williams, who has won an enviable reputation for his successful fight on vice and crime in Chicago's loop district, will be interested in learning that he is one of the principal attractions in community chautauques and this week is filling engagements in Adams county, this state. Dr. Williams is married to Miss Kathryn Kerr, daughter of Mrs. Myra Kerr.

The readers of the Reporter will regret to learn that the three months old baby girl of Mr. and Mrs. Charles Beury, of Philadelphia, died after a brief illness. The father was on his way to southern Russia to work among the Armenians and it was with great difficulty that he was intercepted at Seattle before sailing. On receiving one of the numerous telegrams, Mr. Beury returned, leaving the party he was with among whom were his wife's sister, Mrs. Charles Keen, to proceed. It is now the intention of Mr. Beury to join the commission of which he is a member in Russia, and take with him Mrs. Beury and two little daughters. The family will remain in China with Mrs. Keen, whose husband is a teacher in an institution that prepares American missionaries for active service in the Baptist mission fields in China.

RED CROSS WEEK.

Help Raise the One Hundred Million Dollars for the Soldiers in the Field.

To some extent at least everyone understands the work of the Red Cross Society, and that this is Red Cross Week, and that an effort in every community throughout the United States is being made to raise \$100,000,000 for the Red Cross work. Before the close of the week the reader of this notice will undoubtedly be asked to contribute to this fund, and no one should refuse to give something. The Red Cross work is being done without commissions, fees, or salaries. The full amount contributed will be forwarded to the National Red Cross Society, the president of which is President Wilson, with men like former President Taft on the board.

Locally a number of ladies in Centre Hall have taken up the work, and will canvas Penna Valley east of Centre Hall and Brush Valley, working in each community with some local resident.

The contribution made this week will be entirely separate from organizing Red Cross Societies or gaining membership in them. The contributions, 100 per cent. of which will reach headquarters, will in no wise interfere with organizing Red Cross societies at some future time. This particular work continues for this particular week, and no longer.

Remember, this is war time and you will be called on frequently for aid. Every one should be impressed that it is their duty to give financial aid. The young men of the country are asked to go to the trenches, you are asked only to contribute from your abundance, but if you do that you will be doing your part as a patriotic citizen.

The solicitations will be under the management of a committee of which Miss Grace Smith is the chairman, the movement being a result of a conference held on Tuesday evening at which C. L. Goodling and C. E. Woodring, of State College represented chairman David F. Kapp.

Senior Class Buy Liberty Bond.

The senior class at Pennsylvania State College has bought \$800 worth of Liberty Loan bonds instead of spending the money for a class memorial gateway. For the last twenty years each graduating class has raised funds for the purpose of leaving to the college a substantial memento. The boys of 1917 decided that the government needed the money to fight Germany more than the college needed an imposing limestone gateway.

Well, somebody's father, husband, son, brother or lover is there now, and it will only be a matter of a little time until the reader, if not at the front himself, will have someone there in whom he is deeply interested. Keep this in mind when you are asked to make a contribution to the Red Cross work, and be loyal.

Mr. and Mrs. Ralph Booser and two children, and nurse, Miss Swanson, arrived at the home of the former's father, D. A. Booser, on Tuesday evening. Prof. Reitz has been elected supervisor of the agricultural department of the new vocational school to be established at Spring Mills next fall, and came here at this time to make arrangements for locating at Spring Mills as well as taking some initial steps in the new school work. Prof. and Mrs. Reitz propose moving to Spring Mills on or about July 1st.

Effective June 21, 1917, the toll and long distance rates of the Bell Telephone Company of Pennsylvania has been so revised as to establish all such rates on an air-line-distance basis and to bring about an entire uniformity of charges for like distances.

In general the rate has been reduced, although in some cases there has been slight increases and many of the former rates have been continued. Altogether a saving of \$250,000.00 will result.

Involved in this rate revision is the substitution of "two minute" calling for "Particular Person" calling on toll messages between Centre Hall and certain nearby points to which the volume of traffic are such as to warrant the provision of a special no-delay service. By a "two number" call is meant a call by number only, no particular person being asked for when the call is given to the operator. On a "two number" call, the calling Subscriber should not leave the telephone but should remain with the receiver at his ear; the connection will be established immediately. Whenever this "two number" calling is substituted, the initial period of connections has been increased from three minutes to five minutes.

This method of "2-number" calling is now generally in effect throughout the Bell system and connection between nearby points; by facilitating the handling of the telephone traffic, it contributes very positively to the speed and effectiveness of the service and permits of a longer period of connection for the initial period.

In cases where "2-number" calling is now substituted for "Particular Person" calling, the revised rates are determined on the same basis—as mentioned above—all charges remain unchanged, certain of them have been reduced and a few have been increased.

There follows a comparison of certain of the old and new rates to points nearby.

Calls for a particular person; initial period of three minutes.

they do or not. It makes little difference how they set. As matters stand, the Brumbaugh-Vare forces hold the whip. They propose to go into next year's primaries with a firm grip on said whip. If Penrose wants to play along, well. Vare will supply the toys. If Penrose doesn't want to do that he may stay in his own yard and play with his own dishes. The Vares don't care. They're just like the Kaiser; they're strong for peace, if they can dictate the terms. With the primaries eleven months away it is extremely likely that they'll dictate the terms, else there'll be no peace.

A Perfection is always ready to fry, boil or roast. No waiting for the fire to draw up. No carrying wood, shoveling coal and toting ashes. The fireless cooker and the separate oven are two big features. Ask your dealer.
