

Thirty-five Years Ago.

July 27.—Farmers are about through harvesting. The grain crop in Nitany, Brush and Penna Valleys was a heavy one.

The three-year-old child of L. E. Rossmar, of near this place, on Wednesday afternoon of last week, unfortunately drew a grain of coffee into its windpipe and after intense suffering, died the following night.

Harvest hands in this valley have been receiving \$1.50 a day.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Coal That's All Coal Hourly-Tested Cement
We handle the choicest grades and you can count on our deliveries. Our coal comes from mines that have high reputations for careful grading, and our cement comes from the pioneer manufacturer whose product for a quarter of a century has represented the high-water mark of quality. It is
ALPHA THE GUARANTEED PORTLAND CEMENT
and ALPHA Cement is tested by chemists every hour, day and night, throughout the process of manufacture. They make sure that the raw materials are of the proper grade, and mixed, burned and ground exactly right. The result is that ALPHA is always high in binding power.
We warrant every bag of ALPHA Cement invariably to meet standard specifications for fineness, tensile strength and binding power. It makes concrete that grows harder and stronger with age. The people who buy ALPHA Cement always come back for more.
Try our coal or cement the next time you order. If you are planning to build or make repairs, come in and get our valuable 80-page book, "ALPHA Cement—How to Use It." It tells how to mix concrete and how to make dozens of everlasting improvements on the farm or around the home.
