Boy" and runs like this: "He was just a long, lean country gink From way out west where the hoptoads wink; He was six feet two in his -tockin' feet. An' kept gettin' thinner th' more he'd eat, But he was as brave as he was thin.
When the war broke out he got right in,
Unhitched his plow, rut th' mule away,
Then the old folks heard him say:

Good by, Ma! Good by, Pa! Good by, Mule, with yer old hee haw! I may not know what th' war's about, But you bet, by gosh, I'll soon find out. An' O my sweetheart, don't you fear, I'll bring you a king for a souvenir; I'll git you a Turk and a Kaiser, too, An' that's about all one feller could do!

#### THANKSGIVING,

President Wilson in his Thanksgiving Proclamation makes no attempt to recount the specific things for which the Nation at this time has cause to be grateful. Had he particularized doubtless he would have given the result of the Second Liberty Loan a prominent place among these things for which the Nation should be thankful.

For the great result of the Second Liberty Loan campaign, with nearly 10,000,000 Americans rallying to the financial support of the Nation and subscribing over four and a half billion dollars for the purpose of Liberty thanksgiving in the heart of every loy-

President Wilson says the Nation should be thankful that we have been given the opportunity to serve mankind as we once served ourselves in the great day of our Declaration of Independence, by taking up arms againt the tyranny that threatened to master and debase men everywhere.

So, too, can all subscribers to the Liberty Loan be thankful that they have been given an opportunity to aid in this great mission of America and have done their part toward giving to the world liberty and justice and security from the tyranny that threatens to master and debase all nations and

Every purchaser of a Liberty Loan Bond has struck a blow for human literty and for civilization and humanity. Let them remember this on Thursday, the 29th day of November, and be thankful.

LITTLE CHILD SCALDED TO DEATH.

Rebart Mensch, Aged Two Years, Is Fatally

Burned at His Home in Milibeim. A most distressing accident cost the life of little Robert Mensch, two-yearold son of Mr. and Mrs. Harry Mensch, burns sustained when he fell into a S. W. SMITH . . . . . . . . Bditor bucket of scalding hot water which was being used in doing the family

The accident occurred at the Mensch home at 8:30 o'clock Monday morning. The mother was engaged in the usual Monday morning's washing. A bucket of scalding hot water had been placed on the floor, and the little fellow was playing about the room with an older brother. Just how he fell into the water is not known, since there were no eye witnesses to the accident save the small children. It is presumed that while walking backwards he struck the bucket and fell into the scalding water. The burns extended from beneath the arms to the knees and were so severe that when a doctor attempted to take the clothes off the child the flesh came off also. The little tot emitted a shrill cry at the moment of the accident and then rehad become paralyzed.

The little child will be buried in Millheim on Saturday morning, following services at the Mensch home at 9:30 o'clock, Rev. W. D. Donat to

officiate. Besides the grief stricken parents there survive three brothers, namely, Kenneth, Nevin and Harry.
