**OUR BOYS IN FRANCE AND HOME PROTECTION**

The men on the firing line represent the pick of our American youth. One in four of our boys at home was sick, rejected because of physical deficiency. Many times the kidneys were to blame. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Surgical Institute, Buffalo, N. Y., says that you should drink plenty of water daily between meals. Then procure at your nearest drug store Anuric (double strength). This An-uric drives the uric acid out and cures backache and rheumatism.

If we wish to keep our kidneys in the best condition a diet of milk and vegetables, with only a little meat once a day, is the most suitable. Drink plenty of pure water, take Anuric three times a day for a month.

Step into the drug store and ask for Anuric (50 cents a package) or send Dr. Pierce 10c for trial pkg. Anuric, many times more potent than lithia, often eliminates uric acid as hot water melts sugar. A short trial will convince you.

**Canada's Liberal Offer of Wheat Land to Settlers**

is open to you—to every farmer or farmer's son who is anxious to establish for himself a happy home and prosperity. Canada's hearty invitation this year is more attractive than ever. Wheat is much higher but her fertile farm land just as cheap, and in the provinces of Manitoba, Saskatchewan and Alberta.

**160 Acre Homesteads Are Actually Free to Settlers and Other Land Sold at from \$15 to \$20 per Acre**

The great demand for Canadian Wheat will keep up the price. Where a farmer can get near \$2 for wheat and raise 20 to 45 bushels to the acre he is bound to make money—that's what you can expect in Western Canada. Wonderful yields also of Oats, Barley and Flax. Mixed Farming in Western Canada is fully as profitable an industry as grain raising.

The excellent grasses, full of nutrition, are the only food required either for beef or dairy purposes. Good schools, churches, markets convenient, climate excellent. There is an unusual demand for farm labor to replace the many young men who have volunteered for the war. **A PHILADELPHIA NURSE WILL ADVISE TOWNSPEOPLE**

Philadelphia, Pa.—"When I get a cold I resort to Dr. Pierce's Golden Medical Discovery, which I cannot praise enough.

"As for the 'Favorite Prescription,' I never have a case of expectancy that I do not recommend it. They all say they would not do without it.

"As for 'Anuric,' my kidneys and back were so bad that I had to turn down several cases. After taking the Anuric tablets the relief was wonderful. I am relieved of the backache and am feeling fine.

"When I feel dizzy and drowsy I go for Pleasant 'Pellets' and in 24 hours I feel fine."

"I could go on with praise of Dr. Pierce's valuable remedies, but space will not permit. If anyone calls on me I can tell them better than I can write."—MRS. LOUISA BAUMGARD, 2670 Sepviva St.—Adv.

It is a most valuable remedy for indigestion or nervous dyspepsia and liver trouble, bringing on headache, coming of up food, palpitation of heart and many other symptoms. **Not Broad Alone.**

A Japanese newspaper, in emphasizing the gravity of the responsibility resting on Japan and America on account of the fact that the world activity is shifting from the Atlantic to the Pacific, says that these two great nations are bound to exchange more and more of their products and declares that they must come to agree on 19th principles. "Man cannot live by bread alone," quotes the editor—which is perfectly true; but, as the old ark remarked, observes an exchange, it keeps er man bustlin' fo' a little rice o' meat."

**Too Ladylike.**

Mother was making Sonny a coat out of an old plush coat belonging to one of his older sisters. While trying it in she told him how nice and warm it would be to play in, and asked him if he didn't think it would be a nice coat. 30b answered, "Oh, gee, now every time a lady comes by I'll have to duck."

**ILD PRESCRIPTION FOR WEAK KIDNEYS**

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfil the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says, "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact that, so many people claim, it fulfills almost every wish in overcoming kidney, liver and bladder ailments, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Adv.

Nashua, N. H.—"I am nineteen years old and every month for two years I had such pains that I would often faint and have to leave school. I had such pain I did not know what to do with myself and tried so many remedies that were of no use. I read about Lydia E.
