THURSDAY A BIG DAY.

Great Number of People and Autos on Grange Park on the Best Day of the Week.

Using the words of the man with the hoop game, on the midway, " One good one makes up for all the bad ones", Thursday of the Encampment and Fair week was truly a delightful day, standing out in marked contrast to the other days of the week-excepting Sundayon which days rain eifher fell or the park was made uninviting to large crowds because of heavy rains during

the night previous. Grange Park was probably never visited by so large a crowd of people as attended the forty-fifth annual Encampment and Fair, on Thursday. One person's guess as to the crowd is probably as good as another's but a conservative estimate would place the number between 12,000 and 15,000 people. Of course, the automobile reigned supreme. The acres of ground for use of cars and other vehicles, on the park, were packed as never before, and outside the grounds were several hundred cars, the drivers of which preferred to remain outside the gates to save the admission fee for cars. Estimates on the number of cars on the park Thursday ran from 1200 to 2000. Early in the morning they came from the four points of the compass, and in a short time there was a congestion at the entrance gates, the line of cars extending a half mile in length, waiting to pay the small admission fee while others had cards entitling them to the grounds for the week.

The program as outlined by the committee was carried out throughout the week, and those who were interested in the topics of the day-increased farm production, food conservation, government securities, polirics, etc., had an opportunity to hear excellent speakers in the auditorium every day. The building was packed day and night during the day for instruction, and at night for entertainment.

The Milesburg Girls' Band, under the leadership of Mr. Wetzler, was present on Thursday and rendered excellent music. This band of talanted little maidens is fast earning an enviable reputation for its mastery of musical composition.

HIGH GRADE EXHIBITS.

The several exhibit buildings on the park contained the finest exhibits ever shown, thanks to a new system of entering the articles. A higher premium than ever before was paid this year and stricter attention was given to the merit of the various products. A list of the exhibitors, and prize winners, will be found elsewhere.

FARM MACHINERY PLENTIFUL

With the cry for greater production being heard on all sides, and this in face Hurch & Dringold potato diggers. of reduced farm labor, farmers were especially interested in labor saving machinery, gasoline and kerosene engines, etc. The farm tractor was much in evidence and excited favorable comment on the part of many farmers a matter of time.

THE CROWD LIBERAL SPENDERS

The prosperity of the country was reflected in the way the sutlers, business men and amusement places "coined money during the week. The midway was lined with all manner of stands, from the "hot dog " vender to " Zulu," the great question, whose silver-tongued Winners in Farm & Garden Exhibits. manager opened the purse strings of thousands to pay to see a first-class fake. Everywhere business was done with a tation to buy where a want existed.

Boalsburg's Lecture Course.

A first-class group of entertainments and lectures are scheduled for Boalsburg's 1918-19 lecture course season. The committee is now offering the season tickets for sale and the liberal support of the community is solicited for this educational movement. Any one of the following numbers is well worth the cost of a season ticket:

Mason Jubilee Singers, will appear Thursday, November 14th.

Maude Stevens Co., will appear Saturday, December 14th.

Dr. William Rader, will appear Wed-

nesday, January 15th, 1919. Clarence L. Burgderfer, will appear

Wednesday, Febuary 19th, 1919. Jeanette Kling, will appear Thursday,

March 27th, 1919.

Road Work in Penn'a Halts.

The State Highway Commissioner has announced that, unless the National the premium list issued in advance of Highways Council recedes from its present position, road construction in Pennsylvania will practically cease until after the war. There are sixty-four roads now under construction in Pennsylvania. The Highways Council has disapproved, or taken no final action, on all except nine. This means that work must stop, as no material of any kind can be secured unless the Highways Council approves the same. The importance of the roads under construction can be guaged from the fact that local authorities are paying one half the cost,

EXHIBITORS & PRIZE WINNERS

At the 45th Encampment and Fair. Awards Made on Agricultural and Horticultural Exhibits.

Live Stock Exhibitors. Penns Valley Stock Farm, W. F. Rishel, proprietor, Centre Hall-Percheron mare and colt, 2 Percheron stud colts, 1 yearling Percheron colt, 2 Percheron mares.

STATE COLLEGE EXHIBITS.

The State College Extension Department gave a number of domesic science limit holders-that is those who own W. demonstrations at their headquarters at S. S. to the limit of \$1000; the names the park during the week which proved of the District Chairman who called at especially interesting to the women the headquarters; the names of postduring its operation. Its more general folks. The men were treated to lectures masters who thought it worthwhile to use in this section of the country is only on beef and swine raising, as well as hunt up the headquarters and register. other practical subjects.

GREGG TWP, VOCATIONAL SCHOOL. An interesting exhibit was that of the and Fair during the week

Gregg Township Vocational School at Spring Mills, which consisted of the work done by the boys and girls of the

The following is a list of the prize

winning exhibitors at the Centre Hall Encampment and exhibition. The exrush and the war prices caused no hesi- hibits were classified according to kind and variety and then judged. The best exhibit in each class was indicated by a blue card, the second by a red card, and the third by a white card on which was printed " First Premium " Second Premium " and " Third premium ", respec-

> It is to be hoped that those who put forth special efforts to select their exhibits and did not succeed in winning premium cards, do not feel discouraged; instead every one should feel stimulated and encouraged to exercise greater efforts in the growing as well as in selecting and preparing of exhibits for the 1919 display. If your apples, onions, etc., did not receive any award, it is because the apples or onions of some one else were more uniform in shape, size, and color, and were freer from blemishes or injuries. Exhits should be of the most desirable market size and maturity; and the quanity displayed should contorm to the specifications in

the exhibition. The following is a list of those receiving First, Second or Third award in the farm and garden exhibits :

The sales up to date have reached about attend this meeting and prepare to do \$15.00 per capita, the maturity value of his or her part in putting Centre county all stamps sold being something over over the top in the Fourth Liberty Loan \$653,500. Chairman Walker is devoting practically all of his time and much energy to this work and is determined to bring Centre county up to the front line and over the top before the close of the

The actual sales on Grange park rounded out to just \$2000, of this amount \$131 was paid in Thrift Stamps for premiums on exhibits. To this must be added prizes paid for stock judging under the supervision of County Agent Olmstead, While the sales were not as large as they might have been, many prospects were developed which will no doubt result in many fu ture sales.

The sight of a German helmet shook \$194 from the pockets of patriotic citizens. This sum was paid into the treasury of the local auxiliary of the Red Cross. The helmet was secured by the senior editor through S. V. Hosterman, Esq., of Lancaster, and was one of a number of helmets sent to Lancaster county by Lancaster youths who are playing an important part in defeating the Hun. The Milesburg Girls' band was lined up to the front of the Reporter headquarters, which was also the W. S. S. headquarters, rendered a selection. after which Chairman Walker mounted short snappy patriotic talk, exhibited former forester at Potters Mills. the helmet, and the ladies of the Red Cross passed through the crowd and Letter from W. W. Kerlin, at Camp A. J. Hartswick, State College-Ford- carefully looked over by many. The

Later Chairman Walker called the band at a convenient place, and after a brief talk in which he pointed out that the Girls Band was 100 per centum patriotic, \$35.00 was poured into the hands souri grain drill, Albright cultivator, for the benefit of his band. And the

Slack Farm Sold for \$6,600.

John A. Slack, of near Red Mill, sold nis farm to M. L. Barger, of Georges Valley, for \$6.600. The farm contains ifty-seven acres. Owing to his advancng age Mr. Slack has been unable to personally operate the farm, and outside help being very uncertain, he decided to sell at a time when farms are commanding high figures. Mr. Barger will move onto the place next spring, while Mr. Slack will become a resident of Centre Hall and occupy his own home, which at the present time is occupied by S. C. Brungart and family.

Two Farms Sold.

The Thomas W. Walker farm, three miles east of Rebersburg, was sold on Saturday to William F. Stover, of Wolfs Store, for \$12,325.00.

Last week J. Henry Showers sold his farm at private sale, to Jerry S. Gramey. Both parties live near Wolfs Store.

Potters Mills Boys "Over There".

Relatives and friends at Potters Mills nave received official announcement of the safe arrival overseas of J. Roy an improvised platform and gave a Smith, and Lieut. W. E. Montgomery

Lee, Virginia.

Am seated in the Y. M. C. A. Big Hut, awaiting the evening's performance. This is an immense building, and is very near our barracks.

Just as I worte the above we were informed there would be no performances in the "Y., " K. of C. or Liberty Theaters for one week as the camp had been quarantined on account of measles. Some blue boys tonight-all dressed up and nowhere to go. Wish you could see this camp ; it is a perfect city.

To-day we took our gas test. Were driven through a building (with masks on and off) filled with gas. Were also rushed through several hundred feet of trenches filled with deadly gas. We were required to crawl in bottom of trench, remove our masks and "smell" for gas. Two full breaths would render one unconscious and burn the lining of the lungs. We all got through in first-class condition. I am qualified and registered, being able to remove the mask from the satchel, place over face, adjust the mouth and nose pieces within six seconds. All the Centre Hall boys in this camp are registered. We breathe through the mouth entirely. The tube from the mouth leads to a canister containing chemicals which purify the air. Have had our rifles about a week and we expect to go to the range next week. Believe me, they are putting us through in quick time. Several thousand men left for France this evening. They were fully equipped with over-sea clothes and looked fine. They were a happy bunch of boys; had been here about six weeks.

This afternoon was our fi.st athletic meet and Co. E was champion with a of carbon for this purpose is made from per cent of 1,000. Fully 80 per-cent of those taking part for Co. E were from is an acute shortage. The most satis-Centre county. We defeated Co. D. G. factory substitute for the cocoanut are and H, then played the best (H) of the the above mentioned seeds and pits. three. The games were tug of war and rifle and get down in time for reveille. and fall in for drill until noon. Then it sent to a government depot, is rush again; in fact, the army is one

big rush after another. In the "Big Y Hut" they have a large map, about 23 ft. x 20 ft., of the fighting area, made of wood and highly showing the exact changes on the battle lines. It is very interesting and instructive. It is growing quite late and I'll have to close.

IS THERE A BLUE

PENCIL MARK HERE!

If So, You Are in Arrears on Subscription THREE MONTHS or More, and We Are Obliged to Ask Prompt Remittance.

This is one of the government's

No. 2. No publisher may continue subscriptions after three months after date of expiration unless subscriptions are renewed and paid for.

Every subscriber to the Reporter who is three months or more in arrears will find a blue pencil cross (X) in the square above.

You will have no trouble in determining how far in arrears you are. Look at the figures on the label of your paper this week. Every date previous to " June '18" means an arrearage of over three months and payment is due at once. If your label reads May '18, that means your subseription is paid to May 1918, and you come under the regualations for immediate payment. Where no month is indicated, such as "17", " 18 ", " 19 ". July is meant.

In other words, if your label contains the figures "16" you should send us at least \$3 oo; if the figures "17" appear, at least \$1.50 should be sent at once; those whose label shows any month in 1918 up to and including May, should forward \$1.50. | friends.

The Reporter is grateful to many subscribers who have already heeded the government's demands and trusts that the others will soon do so.

HELEN RISHEL WINS FIRST PRIZE IN SCORING CONTEST

armers Mills Girl Wins Out Over Class of Boys at Encampment and Fair Contest.

Due to the rainy weather the stock dging contest scheduled for Wednesay at the Grange Encampment and ir was postponed till Thursday at ten clock. Four classes of stock were judged, including horses, sheep, and two classes of beef cattle. The work done by the contestants was indeed gratifying and would have done credit o those who have had far more experence. The fact that a girl won first prize goes to emphasize the fact that Allison, Chairman. there are just as good judges among the girls as the boys. This was also emphasized at the Blair county fair last

fourth places. The prizes awarded were as follows 1st, Helen Rishel, Farmers Mills : 2nd, James A. Keller, Centre Hall;

3 d, Biron Decker, Spring Mills; 4th, Fred Lucas, Potters Mills; sth. Robert Neff. Centre Hall: 6th, Malcolm Musser, Bellefonte;

7th, Hugh Ralston, Centre Hall; 8th, Lynn Meyer, Coburn 9th, Robert Rishel, Farmers Mills. The prizes were paid in W. S. S. and Thrift Stamps and were donated by the First National Bank, State College,

Farmers National Bank, Millheim,

Penns Valley Banking Co., Centre Hall,

Centre County Bank, Bellefonte, and the Centre County Farm Bureau. Next year it is planned to take up ome other classes of livestock and give further experience and training in judg-

ing work. Fruit Pits are Wanted.
