GIRLS! LOTS OF BEAUTIFUL HAIR

A small bottle of "Danderine" makes hair thick, glossy and wavy.

Removes all dandruff, stops itching scalp and falling hair.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knowlton's Danderine now—it costs but a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp, and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, mistle a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this. Adv.

DRUGGISTS! VICK'S VAPORUB SHORTAGE OVERCOME AT LAST

The Deal Scheduled for Last November, Which Was Postponed on Account of the Influenza Epidemic, Is Now Re-instated—Good During the Month of March.

OVER ONE MILLION JARS OF VAPORUB PRODUCED EACH WEEK

It is with pride that we announce to the drug trade that the shortage of Vick's Vaporub, which has lasted since last October, is now overcome. Since January 1st, we have been running our laboratory twenty-three and a half hours out of every twenty-four. Last week we shipped the last of our back orders, and retail druggists, therefore, are no longer requested to order in small quantities only.

NOVEMBER DEAL RE-INSTATED

This deal, which we had expected to put on last November and which had to be postponed on account of the shortage of Vaporub, is re-instated for the month of March. This allows a discount of 10% on shipments from jobbers' stock of quantities of from 1 to 4 gross. 5% of this discount is allowed by the jobber and 5% by us.

We advise the retail druggists to place their orders immediately, so that the jobbers will be able to get prompt shipments to them.

THANKS OF THE PUBLIC DUE THE DRUG TRADE DURING THE INFLUENZA EPIDEMIC.

The thanks of the American public are certainly due the entire drug trade—retail, wholesale and manufacturing—for what they accomplished during the recent influenza epidemic. The war caused a shortage of physicians—nurses were almost impossible to obtain—the demand on the drug trade was unexpected and overwhelming, and to this demand they responded nobly. Retail druggists kept open day and night and slept where they dropped behind the prescription counter. Wholesale druggists called their salesmen off the road to help fill orders—hundreds wired us to ship Vick's Vaporub by the quickest route, regardless of expense.

A TREMENDOUS JOB TO INCREASE OUR PRODUCTION

In this emergency we tried to do our part. We scoured the country for raw materials—our Traffic Manager spent his days riding freight cars in—we shipped raw materials in carload lots by express and pleaded with manufacturers to increase their deliveries to us. But it was a slow process. Some of our raw materials are produced only in Japan—supplies in this country were low and shipments required three months to come from the Far East. Then we had to recruit and train skilled labor. We brought our salesmen into the factory and trained them as foremen. We invented new machinery, and managed to install it on Christmas Day, so as not to interfere with our daily production.

143 JARS OF VAPORUB EVERY MINUTE DAY AND NIGHT

By January 1st we had everything ready to put on our night shift, and since then our laboratory has been running day and night. To feed our automatic machines, which drop out one hundred and forty-three jars of Vaporub a minute or one million and eighty thousand weekly, has required a force of 500 people. Our Cafe Department, created for the benefit of these workers, served 7,000 meals during the month of January alone.

13 MILLION JARS OF VAPORUB DISTRIBUTED SINCE OCTOBER.

An idea of the work we have accomplished this fall may be given by our production figures—13,028,976 jars of Vaporub manufactured and distributed since last October—one jar for every two families in the entire United States.

During the influenza epidemic Vick's Vaporub was used as an external application in connection with the physician's treatment, and thousands of people, unable to obtain a doctor, relied on Vick's almost exclusively.

Literally millions of families all over the country, from California to Maine, and from the Great Lakes to the Gulf, have found Vick's Vaporub the ideal home remedy for croup and cold troubles.

Obstacles and Husbands.

An Indiana high school teacher was horrified the other day when she heard that her sister's cook had called her ignorant. She went to her sister's home and cornered the cook. Not a bit flustered, the old woman replied:
"I did say that, but, honey, don't let it worry you. No woman is educated until she's lived with a husband for six months."

The temper of the teacher was not improved by this assertion.
"Then you think husbands are an education?" she asked.
"No, honey, it isn't that," she replied. "It's this way: Have you ever heard how we learn from having obstacles around us? Well, that's the way it is about husbands."

WEAK KIDNEYS MEAN A WEAK BODY

When you're fifty, your body begins to creak a little at the hinges. Motion is more slow and deliberate. "Not so young as I used to be" is a frequent and unwelcome thought. Certain bodily functions upon which good health and good spirits so much depend, are impaired. The weak spot is generally the bladder. Unpleasant symptoms show themselves. Painful and annoying complications in other organs arise. This is particularly true with elderly people. If you only know how, this trouble can be obviated.

For over 20 years GOLD MEDAL Haarlem Oil has been relieving the inconvenience and pain due to advancing years. It is a standard, old-time home remedy, and needs no introduction. It is now put up in odorless, tasteless capsules. These are easier and more pleasant to take than the oil in bottles.

Each capsule contains about one dose of five drops. Take them just like you would any pill, with a small swallow of water. They goak into the system and throw off the poisons which are making you old before your time. They will quickly relieve

those stiffened joints, that backache, rheumatism, lumbago, sciatica, gall stones, gravel, "brick dust," etc. They are an effective remedy for all diseases of the bladder, kidney, liver, stomach and allied organs.

GOLD MEDAL Haarlem Oil Capsules cleanse the kidneys and purify the blood. They frequently ward off attacks of the dangerous and fatal diseases of the kidneys. They have a beneficial effect, and often completely cure the diseases of the bodily organs, allied with the bladder and kidneys.

If you are troubled with soreness across the joints or with "simple" aches and pains in the back take warning, it may be the preliminary indications of some dreadful malady which can be warded off or cured if taken in time.

Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. GOLD MEDAL are the pure, original imported Haarlem Oil Capsules. Accept No Substitutes.—Adv.

Artful Dodger.
"Count," said the lady to the foreign nobleman at the charity bazaar, "won't you buy this rose? It's only \$5."
"I am very sorry," said the count with a courtly bow, "but ze price is a leetle too high."
The lady kissed the rose. "And now, count, will you buy it?"
"No, madame," he said with a still deeper bow; "now ze rose is priceless."
