

THE CENTRE REPORTER.

THURSDAY, MARCH 27, 1919.

THIRTY-FIVE YEARS AGO.

Paragraphs of News Taken from the Files of the Reporter of 1884.

July 30, 1884. Reformed corner stone laying at Aarnsburg, Sunday, August 10. The new church is to cost about \$7,000. The corn crop in this county will be none of the best. In Nittany valley it is shade worse than in Penns valley. Apples will not be very plentiful.

WOODWARD.

Mrs. R. M. Wolfe had the misfortune to fall and break her hip last Friday. Mrs. J. E. Stover, from Dubois, spent several days last week at the home of her aunt, Mrs. Mary Mott. Rev. Kessler and wife who have been assigned a charge at East Point, left for that place on Saturday.

Mr. and Mrs. Harry Haines, from Lewisburg, are guests at the home of the latter's parents, Mr. and Mrs. Calvin Haines.

Mr. and Mrs. Clarence Hill and baby Clarence, Jr., from Philadelphia, were visitors at the home of Mrs. Hill's mother, Mrs. Emanuel Vonada.

Harry Van Valin, who spent his boyhood days in Woodward, now from Chicago, Illinois, was a caller in town one day last week.

Mrs. (Dr.) Ard received a telegram on Saturday to come to Paulsboro, N. J., to help nurse her daughter, Mrs. Robert Smallwood, who is very ill.

Private Jacob Music, who is stationed at Camp Dix in a hospital, is home on a furlough to visit his wife and baby. While in active service in France he was wounded by a piece of shrapnel above the knee.

While trying to pass a load of household goods one day last week, one of James Smith's horses frightened and in some way Mr. Smith was thrown from the wagon. He escaped having any bones broken, but was bruised quite badly.

CENTRE MILLS.

Mrs. Packer, who visited her daughter, Mrs. Best, several weeks, returned to her home at Howard.

Arbor Cummings, of Linden Hall, come down to help his brother, Arthur Cummings, over his sale.

Mrs. Levi Stump and daughter, Mrs. Fishburn, moved from Spring Bank to Millheim on Tuesday.

Miles Breon is preparing to farm his mother's farm the ensuing year.

Mrs. J. A. Kline, Mr. and Mrs. Adam Reish, Mr. and Mrs. Paul Hackman and daughter Gladys attended the funeral of the infant son of Mr. and Mrs. Edward Homan, of Centre Hall, last Friday.

Henry Sweeley, who was confined to his bed several days last week, is able to be out again.

Mrs. Amanda Evans, of Rebersburg, visited Miss Minnie Kline last Tuesday. Our farmers are busy ploughing.

AARNSBURG.

Mrs. Sinus Stemm, of Mifflinburg, is visiting her sister, Mrs. Cora Haines. Mr. and Mrs. James Miller and daughter, and Mrs. Lucy Russel and daughter Gertrude, of Lewisburg, spent a day at the W. A. Guisewhite home.

George Stahl, of Milton, is visiting his only sister, Miss Mary Stahl.

Mr. and Mrs. Irvin Barner and family, of Flemington, spent Sunday with Mrs. Barner's sister, Mrs. Warren Winkleblech.

Potatoes are selling for 80 cents a bushel.

Bright Bitner, of Spring Mills, visited his aunt, Alice Bright, in this place.

The Locusts Are Coming.

Great swarms of the 17-year locust will infest the United States in late May and early June this year, which is expected by scientists to be one of the worst "locust years" on record. Experts of the Department of Agriculture, however, see nothing alarming in the prospect.

Once regarded superstitiously as a harbinger of disaster the periodical cicada popularly known as the 17-year locust because it comes at long intervals is seen now to be no more than an ordinary non-poisonous insect pest which can do little damage if proper precautions are taken. The chief injury inflicted by the insect consists almost wholly in chiseling grooves in the branches of trees for depositing eggs. Young fruit trees sometimes are killed, but the damage generally seems greater than it actually is, according to the entomologists and popular alarm is out of proportion to the real danger.

Suggested precautionary measure are: Defer putting out young fruit trees until next year; postpone budding operation; do no pruning this Spring.

When the insects begin coming out, hand pick them from young trees, or spray them with pyrethrum powder, kerosene emulsion, or a solution of carbolic acid or acetic acid.

Later, when the insects are ready to begin laying spray young fruit trees with whitewash.

Twenty-nine and one-half per cent. of the 1918 potato crop was still in the farmers' hands on March 1. This indicates 7,308,772 bushels. One year ago there were 10,151,539 bushels which was thirty-three per cent. of the crop.

Grays Released on Bail.

Last week Judge Henry C. Quigley accepted the bail offered by Irvin Gray and his two sons, George and Clyde Gray, which released them from jail, thus giving them their freedom until the Superior Court decides as to whether or not they should be given new trial. Should the decision be against them the probabilities are that they will be called upon to serve out the sentences passed upon them by the lower court. The bail is \$21,000 and their bondsmen are the following gentlemen: H. L. Orr, of Tyrone; Elmer Ross, of Lemont; Daniel Buck, of Unionville; H. K. Mattern and J. C. Mattern, of Julian, together with Pearl Gray and Mina Goheen.

W. G. Runkle, one of the attorneys for the Grays, went to Lancaster the other day and consulted W. H. Keller, of the Superior Court, and before leaving there for home secured a supercedas, fixing the bail of each of the prisoners at \$7,000, or a total of \$21,000, for their release from the county jail. District Attorney James C. Furst left Bellefonte on Wednesday of last week for Harrisburg and presented a petition to the Superior Court asking that the bail be increased from \$21,000 to \$90,000.

The Grays have filed a bond in the office of the Prothonotary covering an estimated cost that will require to take their case before the Superior Court. Should they lose their case before the higher court they will have to bear the expenses of both sides, thus it was compulsory to file the bond. It is said that the case cannot be taken before the Superior Court for at least a month, because it will take that time for counsel for the defense to get it ready.

Ode to the Cigarette.

A local poet pays his respect to the cigarette in the following touching and very truthful lines:

Some one has asked me "What is a cigarette?"
And I will try and tell you all before I do forget.
It's tobacco made from gutter snipes in poison paper rolled—
Alfalfa, clover, peanut shells and other things, I'm told.
The boys start in at smoking them while yet they are school.
On one end is a little fire, on the other end a fool.
We all have faults to reckon with as this world we journey through.
I may perhaps for aught I know be even worse than you.
G. B. Auten

The Joy of Saving.

Don't save for a "rainy day." That isn't the forward-looking, empire-building spirit of America. Save so that there won't be any "rainy days."
That is the philosophy of optimism, the kind of thinking that is going to make you happy and make your old age a period of fullest enjoyment.
Don't save as a dull, hateful duty. Save because, by saving, you can win the delights of competence.
Don't save because you can't afford to spend.
Save so that you can afford, a little later, to buy something you want very much, for example—the automobile you are walking for today.
Saving isn't a "I mustn't do that grind." It is a "I will do that joy." Saving leads to temperance in all things, to constructive thinking, to clean living, to building for the future.
Start your mind going along saving lines and then watch it travel. It will take your fattening pocket-book along with it.

Our War Loan Organization announces that it is going to carry on a wide-spread and intensive campaign of thrift education.
It has begun by asking people to: **THINK IN INTEREST, SAVE AND INVEST.**
If this organization can induce us all to think in interest, save and invest, it will have done a splendid thing for us and for our country.

The Campaign for War Saving societies and for the buying of Government Saving Stamps, based upon the foundation of thrift, has a double appeal.
It urges each individual to benefit himself and in doing so help his Government finish the World War job.
Let's pull together to produce more, to eliminate waste, to save and to invest in U. S. S.

Don't be quitters. Be saviors and learn the joy of saving.
There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc.
Hall's Family Pills for constipation.

GEORGES VALLEY.

The farmers are busy plowing this nice spring weather.
Howard Confer moved onto the Asher Confer farm last Thursday.
Robert Barger spent Sunday at the home of his parents, Mr. and Mrs. Y. C. Barger.
P. A. Annon visited his brother, Aaron Annon, on Sunday.
Oliver Ackerman, of Johnstown, is spending this week at the home of his uncle, F. M. Ackerman.
Reports indicate that the farmers in Pennsylvania are holding 14 per cent. or 3,758,831 bushels of the 1918 crop of wheat compared with 5,799,444 on March first last year.

Stop this!
At first signs of a cold or grip take **Lane's Cold & Grip Tablets**
Don't wait. Delay often leads to pneumonia. Results are guaranteed. At your druggist.

PRINCE ALBERT
the national joy smoke

NEVER was such right-handed-two-fisted smokejoy as you puff out of a jimmy pipe packed with Prince Albert! That's because P. A. has the quality!
You can't fool your taste apparatus any more than you can get five aces out of a family deck! So, when you hit Prince Albert, coming and going, and get up half an hour earlier just to start stoking your pipe or rolling cigarettes, you know you've got the big prize on the end of your line!
Prince Albert's quality alone puts it in a class of its own, but when you figure that P. A. is made by our exclusive patented process that cuts out bite and parch—well—you feel like getting a flock of dictionaries to find enough words to express your happy days sentiments!
Tippy red bags, tidy red tins, handsome pound and half-pound tin humidor—and that classy, practical pound crystal glass humidifier with sponge moistener that keeps the tobacco in such perfect condition.
R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

From The Original House of Hubbard
You can tell our brands by the trade mark on the bag. It means fertilizer made from first-class ingredients, packed in good bags, kept in good shape so that it feeds freely and evenly from the drill. Ample producing and shipping facilities to meet big demand. This will be the year when demand is greatest and the American farmer is out to break all records. Give your fields a fair chance by using the fertilizers of forty-seven years' reputation and success.
