GREEN'S AUGUST FLOWER

Has been used for all ailments that are caused by a disordered stomach and inactive liver, such as sick headache, constipation, sour stomach, nervous indigestion, fermentation of food, palpitation of the heart caused by gases in the stomach. August Flower is a gentle laxative, regulates digestion both in stomach and intestines, cleans and sweetens the stomach and alimentary canal, stimulates the liver to secrete the bile and impurities from the blood. Sold in all civilized countries. Give it a trial.—Adv.

No Deductions.

"I'm sorry for him. Been married fifteen years and hasn't a child." "Yes, no home is complete without the laughter and prattle of the children."

"I wasn't thinking of that. I was thinking of the money a few children might save him on his income tax."

Direful Forecast.

The pocket wireless telephone will be in everyday use at no distant date. Thus a person walking on the street may hear a bell ringing in his pocket and put a receiver to his ear and hear the voice of another as far from him as Warsaw is from London.—News Item.

"Lord help us," sighed Mrs. Penbody, keeper of the boarding house. "The first call I get on it will be a distant relative who is coming up for supper."

Beat These if You Can.

Saco, Me., is acquiring fame for long-lived animals. A short time ago a party discovered a cat in a bag of grain bought the week previous, the cat still having its nine lives, so far as could be judged.

Now comes the story of Tax Collector Charles H. Innes, who lost a turkey, his prize bird, some eight weeks ago—eight weeks. He says that the other day, when pitching off some hay from a high mov, he discovered the bird, which had become wedged between planks. The gobbler was alive, thin as a turkey ghost, but able to dispose of a hot mash.

Turkeys are said to be hard to raise, at least in this part of the country, but Mr. Innes claims an indestructible breed. His friends urge him to go into the business and propagate such enduring species.

Vain Quest.

"The milk of human kindness is diluted with water," said the citizen with an acute thirst.

"What's wrong, my friend?" "I called on eleven druggists in this town and told a tale of woe about the way I've suffered from the 'grip' that would melt the heart of stone, and not a darned one of them offered to sell me anything but cold tablets."—Birmingham Age-Herald.

His Hoedoo.

"I suppose you place a bet occasionally on the ponies?" said the spectator who was willing to lose a few dollars just for the fun of the thing.

"O, yes," replied the man who was wearing a purple vest.

"How about this horse, Isabel, entered in the second race?" "I wouldn't bet on that horse if she were a 100-to-1 shot. I'm paying all money to a woman whose first name is Isabel."—Birmingham Age-Herald.

Claire (overcome with emotion)—Oh, Reginald!

Reginald—Ever since I entered the ballroom I have felt that my necktie was slowly creeping over the back of my collar, and the thought of my appearance made me miserable. Tell me, Claire, is my necktie all right?

DANDRUFF MAKES HAIR FALL OUT

A small bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in a few moments.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp. A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine for a few cents at any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Adv.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill affecting people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, drowsiness, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's

signals that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it.

Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning.

After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.
