### And Then He Quit.

A French officer was trying to learn the English language. The following is his version of our mother tongue: "When I discovered that I was quick I was fast; that if I was tied I was fast, and if I spent too freely I was fast. I was discouraged. But when I came across the sentence 'The first shall be last and the last shall be first,' I gave it up."

### Supreme Law.

The children in the neighborhood organized a club and were enthusiastic about it. "Tell me about your laws and by-laws," I said to one of the members. "Oh," he replied, "we only have one law, and that is to serve refreshments at every meeting."

## LIFT OFF CORNS!

Drop Freezone on a touchy corn, then lift that corn off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No humbug! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

### Criticism.

Billy Sunday tells with gusto of the subtle criticism that a pretty Philadelphia girl once passed on his informal preaching methods.

The revivalist halted at the end of an impassioned Philadelphia harangue, rolled down his sleeves, put on his coat and said:

"And now, dear friends, are there any questions?"

All the congregation was silent except the pretty girl. She asked from her front pew:

"May I smoke?"

### She Understood.

The preacher had been talking about the necessity for a "new heart." Little Bess' father took her on his knee and gravely asked if she understood what a new heart was.

"Oh, yes, indeed," she answered, brightly. "It's a kind of heavenly stomach."

### A Lady of Distinction.

Is recognized by the delicate fascinating influence of the perfume she uses. A bath with Cuticura Soap and hot water to thoroughly cleanse the pores, followed by a dusting with Cuticura Talcum Powder usually means a clear, sweet, healthy skin.—Adv.

### When Money is a Curse.

It is only when money is cheapened to worthlessness for some, and made impossibly dear to others, that it becomes a curse. In short, it is a curse only in such foolish social conditions that life itself is a curse.—George Bernard Shaw.

Dr. Pierce's Pleasant Pellets put an end to sick and bilious headaches, constipation, dizziness and indigestion. "Clean house." Adv.

If some people were to think twice before speaking they would never say anything.

Counterfeiter Caught! The New York health authorities had a Brooklyn manufacturer sentenced to the penitentiary for selling throughout the United States millions of "Talcum powder" tablets as Aspirin Tablets.

## Indigestion, Gas and Bloat From Acid-Stomach

An acid-stomach cannot digest food properly. Instead, the food sours and ferments and, passing into the intestines, becomes a breeding place for countless millions of deadly germs—poisons they are called. These poisons are absorbed into the system and cause untold misery. So, you see, it is just acid-stomach, nothing else—that makes so many people weak, listless and unfit; saps their strength and energy; robs them of their vigor and vitality. Biliousness, bad liver, nervousness, blinding, splitting headaches, rheumatism, lumbago, sciatica—these and many other still more serious ailments often are traced to the common source—an acid-stomach.

Take EATONIC and get rid quickly of the pains of indigestion, heartburn, that horrible, lumpy, bloated feeling after eating; disgusting, belching, food-repeating; sour, gassy stomach. These stomach miseries are caused by what doctors call "Hyperacidity." It's just ACID-STOMACH. And in addition to the pains and miseries it causes, ACID-STOMACH is the starter of a long train of ailments that the most people never dreamed are in any way connected with the stomach.

Pleasant tasting EATONIC TABLETS that you eat like a bit of candy, quickly put an end to your stomach troubles. They act as an absorbent—literally wipe up the excess hurtful acid and make the stomach pure, sweet and strong. Help digestion so that you get all the power and energy from your food. You cannot be well without it!

If you are one of those who have "tried everything" but in spite of it still suffer all kinds of acid-stomach miseries—if you lack physical and mental strength and vigor—begin at once to take EATONIC. Get back your physical and mental punch and enjoy the good things of life. Like thousands of others you will say you never dreamed that such amazingly quick relief and such a remarkable improvement in your general health was possible.

Your druggist has EATONIC. We authorize him to guarantee it to give you instant relief or refund your money. Get a big box of EATONIC today, it costs but little and the results are wonderful!
