Now that we have resumed trade with Germany, shall we expect to find "Made in Germany" stamped on everything coming from that country?

Don't forget that if President Wilson had pleased the Republicans in Congress he would have disappointed nearly every one else.

Some Republican Senators would like to talk the League of Nations to death as they did the appropriation bills last winter—but it can't be done.

Elihu Root provided for the Senatorial "robins" a plan for amending the League of Nations covenant, but no one has been found to supply the courage required to execute it.

Senator Knox would have a League of Nations if he were permitted to write its constitution. Under the one he would write, every nation would maintain as great an army and navy as it could raise money for, and the armament burden which caused the world war would be continued.

**M. E. Children Service.**

The Centre Hall M. E. Sunday School will have their Children's Service on Sunday evening, July 20th. All are cordially invited to enjoy the service with us.—Committee.

Cleaned all rats out in ten days. Dogs about store night and day never touch RAT-SNAP." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by C. M. Smith, Centre Hall; W. C. Meyer, Spring Mills, Pa.

**PINE GROVE MILLS.**

There is still some wheat to cut; some crops are in the barn.  
G. W. Ward, of Pittsburg, is here looking over his earthly possessions and greeting old friends.

Dr. Frank Bailey came up from Milton for a few days outing at the old family home at Fairbrook.

Mr. and Mrs. Harry Collins came over from Pitcairn for a brief outing at Grandpa Collins'.

Hon. J. W. Keplar, deputy revenue collector, spent Sunday with his family here. He is negotiating the sale of his

farm at the \$12,000.00 mark.

J. Herbert Ward, of Philadelphia, was a brief visitor at the Ward home here the early part of the week, having been called home on account of the death of his brother, Dr. J. E. Ward.

Joshua Potter and brother, Henry Potter, and sister Margaret, with Mary Delinda Potter at the steering wheel of a Chevrolet car, came up from Centre Hall and spent Friday at the E. H. Beiry home.

Mr. and Mrs. John D. Danley, of Medina, Ohio, made a cross-country run in their Reo car and are visiting Centre county friends. Mr. Danley is a retired farmer, but is by no means idle, as he is inspector of weights and measures.

Many of our farmers are compelled to thresh their grain in the fields on account of the scarcity of help, although they are offering as high as \$4.00 a day for harvest hands in putting up the bumper crops of hay and grain. Many farmers cut entire crops, leaving the sheaves unshocked for days. Many shocked by moonlight. No ten-hour system here.

The worst storm of the season passed over this section, Wednesday. Many orchards were destroyed and grain flattened. Entire fields of shocked wheat were scattered about and in some cases the sheaves were blown to adjoining fields. The A. S. Walker and Nevin Meyer barns were partly uncovered. Hail fell in torrents, breaking window panes and greatly damaged the growing corn.

**Clearfield County Given a Bomb Scare.**

Bombs planted in three different towns in Clearfield county wrecked several houses and badly damaged the National Bank building at Winburne on Monday morning, but no lives were lost.

At the Bituminous National Bank at Winburne, owned principally by the Robert Summerville, operator of a number of coal mines in that section, an explosion occurred at 9 o'clock. Other than shocking the employees and lifting the vault door off its hinges, no damage resulted.

At Jamesville, the home of William Copenhaven was badly wrecked by dynamite, but no one was injured. A strike is on at one of the mines, and Copenhaven was one of the first men to return to work, and it is believed that for that reason his house was dynamited.

The houses of Edward Davis and James Muirhead, at Munson, were blown to pieces and while four persons occupied the former and eight children the latter when the explosions occurred, not one was killed. The injuries are only minor ones.
