Schools Open With Good Enrollment.

The borough schools opened Monday morning for an eight months term, with an enrollment of 142, which with the addition of other pupils who are known to come later, will reach the 150 mark. More than one third of the pupils are from Potter township, fifteen being located in the High school. The steady growth of township pupils coming to the borough schools is a matter that is forcing the serious thought of a new school building in Centre Hall. The borough welcomes the township pupils, and every good citizen only hopes that the number may soon reach a figure to leave no other alternative but a new school building to provide for their proper schooling.

The number of scholars in the various grades on the first day were, 31 in the primary, Miss Helen Bartholomew, teacher; 37 in intermediate, Robert Neff, teacher; 39 in grammar, Miss Isabel Rowe, teacher; 35 in the High school, Prof. N. L. Bartsge, principal.

At Garman's Opera House.

"I Love You", G. M. Anderson's highly amusing farce, which comes to the Garman theatre on Monday, Sept. 22nd, is an exposition of the theory that falling in love is simply a matter of scenic effects and sweet and low music on the violin. So sure is one of the characters in the play that this theory can be practical that he wagers a large sum that in a given course of time he can cause any maid and any man to profess their love for each other provided he is permitted to conspire with the moon, the musician, the florist and the electrician in arranging a romantic atmosphere. Furthermore he agrees to let his friend choose the persons upon whom the experiment is to be tried.

The company which will come to Garman's with "I Love You" is an excellent one, well equipped to portray the niceties of Mr. Le Baron's sparkling dialog. If you carrying a grouch around, go to see "I Love You". Ten minutes of the first act will erase it from your map. Advance sale of seats at Parish drug store. Prices, 35, 50, 75, \$1.00, \$1.50.

BOALSBURG.

THE DEATH RECORD.

Sad Death of a Mother.

The death of Mrs. Charles Stoner, at Tusseyville, occurred Tuesday evening at eight o'clock under particularly sad circumstances. The mother gave birth to a baby daughter and in so doing gave her own life. The child is living.

Mrs. Stoner was Miss Mary Jordan and was born at Colyer forty-one years ago. She was a kind and loving mother, devoted to her family. Her husband and six children survive: John, Sterl, Ethel, Marion, Mildred and the baby, all at home. Also five brothers and one sister; William, Greely, Stewart, Emmett and John, of Tusseyville, and Mrs. Benj. Rickert, of Mill Hall.

Funeral services will be held Friday morning at the home and burial made in the old cemetery of the Evangelical church, Rev. Maneval to officiate.

ALLISON.—Edward Allison passed away Sunday morning at his home at Potters Mills, known as the Allison homestead, where he was born about sixty years ago. He farmed the place up until about two years ago when tubercular trouble forced his retirement. He was a son of the late William Allison, his mother having been a Mc-Nitt. The funeral services were held Wednesday afternoon, conducted by Rev. W. K. McKinney, of Bellefonte, and burial was made at Spring Mills. The deceased was never married, but is survived by the following brothers and sisters: William Allison, of Spring Mills; Archibald Allison, Mrs. Frank McCoy, of Bellefonte, and Mrs. Lillie Alexander, of Centre Hall.

STOVER.—John M. Stover, a highly respected citizen of Haines township, passed away on Friday, on his farm near Aaronsburg. He leaves one son, Thomas Stover, on the farm, and one daughter, Mrs. Calvin Meyer, of Coopersburg. Burial was made beside his wife in the Reformed cemetery at Aaronsburg, Rev. W. D. Donat officiating.

Road Contract Let in Centre Co.

The contract for building a stretch of 12,355 feet of road in Centre county was awarded Warren Brothers Company, of Boston, by the State Highway Department, this week, for the sum of \$121,798.00.

American Legion to Seek Members.

A nationwide campaign to increase the membership of the American Legion to 1,000,000 veterans of the great war will be started by all branches and local posts throughout the country on Monday, September 22nd. In that time each state will be expected to fill a membership quota necessary to make the strength of the Legion nationally one million members.

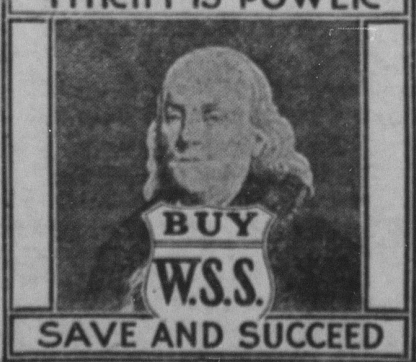

More than one third of the million-400,000 soldiers, sailors and marines of the recent war organized in upward of 3500 posts from coast to coast has already been obtained. Henry D. Lindley, chairman of the National Executive Committee, has appointed these 400,000 the General Membership Drive Committee, each one with a quota of three of his "buddies" to enroll in his local post in the week of the campaign. The slogan of the drive will be "Let's Stick Together". It will be posted in large and small communities throughout the country.

The membership quota for each state has been worked out on the basis of the number of men who served in the army, navy or marine corps during the war from that state. Many states have almost reached their assigned quotas already and the drive in these states will be double their present enrollment. One of the chief incentives of the campaign will be the fact that each state's voting strength at the national convention in Minneapolis on November 10, 11 and 12 will be based on the membership prior to October 10, thirty days before the convention convenes.

To the state which leads the country in the membership drive, the National Executive Committee will present a banner at the Minneapolis Convention on November 11, American Legion Day, when Marshal Foch and other distinguished guests are expected to be present.

The membership quota assigned to Pennsylvania, which had 340,040, in the service is 78,526.

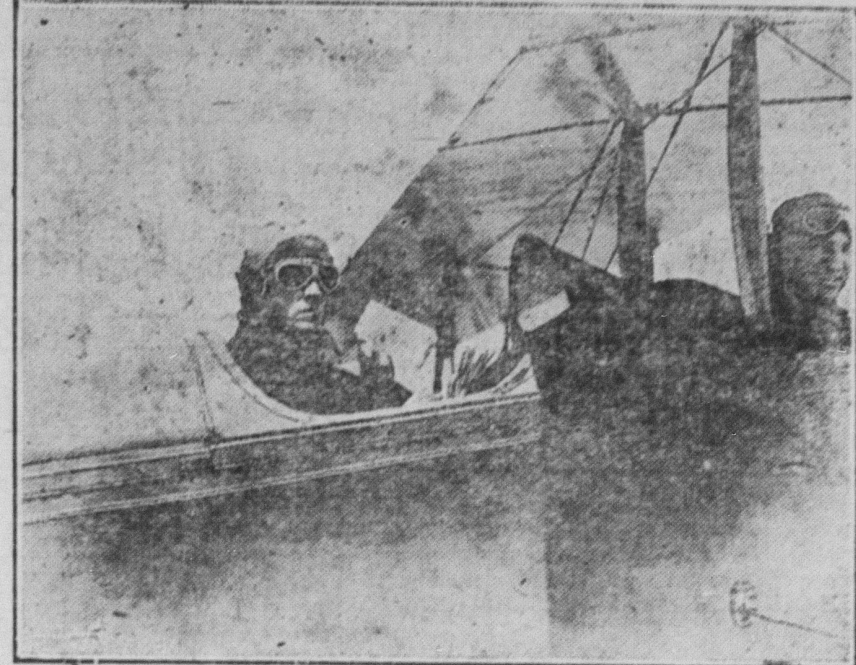

THRIFT IS POWER

For the week ending September 6th, Centre county had a per capita of .04 cents, or a total per capita of \$2.08, and retains second place in the list of Counties of the Eastern District of Pennsylvania.

FIRST "THRIFT RAID" BY AIRPLANE

Cape May county, New Jersey, was treated to its first bombing "raid" recently, when a friendly airplane circled above towns and hamlets, dropping Thrift literature upon the thousands who watched from below.

Chairman Robert Pierpont, of Wildwood, was the daring aviator who donned his leather helmet, put on his goggles, and told the pilot to whoop her up. That's a ninety-minute-hour way to sow the seeds of thrift throughout the country!

This isn't the sort of high-flying that usually ends with a flattened pocket-book. It shows, moreover, that among many other practical purposes, the utmost marvel of science may be used to further the sale of government Thrift and Savings Stamps.

"And There Wasn't the Slightest Smell from Dead Rats."

Writes John Simpkins, farmer of Annandale, N. J.: "Rats were costing me hundreds yearly; tried dogs, ferrets, poison, could not get rid of them. Bought \$1.00 pkg. of RAT-SNAP (5 cakes). Used half, not a live rat since. Dead ones aplenty. I like RAT-SNAP because after killing rats it drives them up—leaves no smell." Three sizes 25c, 50c, \$1.00. Sold and guaranteed by C. M.
