

NOW RAISES 600 CHICKENS

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters. Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidney and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction.

GOLD MEDAL Haarlem Oil is included in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day.

AIMING ABOUT LONG ENOUGH
Old Gentleman Evidently Thought Prospective Son-in-Law Should Be Getting Ready to Fire.

John Bewins was the most bashful lad in a Wessex village. For three years he had been keeping company with Lottie Reid, but he could not bring his courage up to the popping point. On Sunday night, as he was leaving the garden gate of his in-laws, he encountered the old man, who had begun to chafe under the diffidence of his daughter's sweet-heart.

"Look-ee here, John!" exclaimed the paterfamilias: "you have been coming to see my daughter for several years now, and I want to know what your intentions are?"

"W-w-well, s-s-sir," stammered John, "I am aiming to-to m-marry her."

"Aiming!" scouted the old man. "Well, don't you think it about time that you fire?"—London Tit-Bits.

When a Colt is a Steer.
A clerk of the British war trade department, answering an applicant for permission to export a pedigreed colt to South Africa, asked: "State if the colt is a shorthorn steer." Photographs of the letter have been circulated by the applicant.

The Home Miracle.
"Do you really believe in miracles?" "Of course I do. My husband gave me some money this morning without my asking for it."

Two Fast Talkers.
Oklahoma produces two of the fastest talkers in the national house of representatives. The expert official stenographers of the lower body say that Representatives Scott and Ferris and Charley Carter—the latter with a trace of Indian blood in his veins—can spin out words faster than possibly anybody else in public life. Their diction and enunciation are good, however, and they are easier to report stenographically than a slow-talking speaker who gets his sentences all "balled up" and has not terminal facilities when he gets involved with nouns, adjectives, verbs and adverbs. The fellow who starts a sentence and never puts a verb in it is the pest of reportorial experience.

INSPIRATION AT ODD TIMES

How Longfellow Wrote, "Wreck of the Hesperus"—Rossini Composed Music in Bed.

Longfellow's "Wreck of the Hesperus" came to him as he was sitting by his fireside, the night after a violent storm. He went to bed, but could not sleep; the Hesperus would not be denied; and as he lay the verses flowed on without let or hindrance until the poem was completed.

One at least of Rossini's splendid pieces of music was composed in bed. It was when he was young, poor and unknown, and lived in wretched quarters. After writing a duet the composer allowed his manuscripts to slip off the sheets and fall under the bed, and moreover he believed it would be unlucky to pick the sheets up; so he went to work to rewrite the duet. To his disgust he could not remember it. It was therefore necessary to write a new one. This he had finished when a friend entered.

"Try that," said the composer, "and tell me what you think of it." The verdict was favorable.

"Now," said Rossini, "look under the bed. You'll find another duet there. Try that, too."

The friend did so, and declared the original composition was much the better. It is included in his works today.

An Obsession.
The favorite American sport just now appears to be boosting prices. The prices advance while you sleep, and in the morning you are quite likely to find a new schedule awaiting you—with a uniform increase all along the line.

At least, that's what a Cleveland man believes, and he points in proof to a certain conversation he claims to have overheard recently in a downtown store. Here it is:

Clerk (to proprietor)—Isn't it about time for us to mark down our shelf-worn straw hats?
Proprietor (in horror)—Mark 'em down! You mean mark 'em up.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. Grota's tasteless chill tonic given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

A success is a man who has stuck to one job long enough to do it well.

If Worms or Tapeworm persist in your system, it is because you have not yet tried the real Vermifuge, Dr. Peery's "Dead Shot." One dose does the work. Adv.
